

BUCHANAN WRESTLING

Attention:

On behalf of the Buchanan Wrestling Program, we would like to personally extend our thanks and appreciation for your generous sponsorship. This team is **100% self funded** and we know a great deal of our success depends on the support of our community.

We believe wrestling is a vehicle to teach our student-athletes about responsibility, work ethic, and perseverance. Your involvement makes it possible for us to give opportunities to develop these skills. We want you to remember that 100% of your contribution is going directly to supporting these student-athletes.

This past season we won our 7th consecutive California State title, and the team is currently the highest ranked public school in the national rankings, for the 6th time in the past 8 years, at #2. It is our goal and mission to find opportunities for all the athletes in our program to be able to compete. Our program supports an impressive 55+ student-athletes on the roster year-in and year-out. Every one of these student-athletes is able to compete at various tournaments throughout the state and country due to generous contributions from local business owners and community members.

Thank you for making an impact in our community. You are a valued part of the Buchanan Wrestling family. Every contribution helps our kids reach the goal of being their best!

Sincerely,

Troy Tirapelle

Director of Sport, Buchanan Wrestling
