

January 2026

Dear Sir or Madam,

We are pleased to announce the 2nd Annual Sea Shul Scramble Golf Tournament on Sunday, April 19, 2026, at the Legacy Golf Course in Panama City Beach. We invite you to join us as a golfer or valued sponsor for this exciting day of golf and community.

The tournament will include awards for best team, longest drive, closest to the pin, and more. Each participant will receive a goody bag, bagel breakfast, hot lunch, driving range access, green fees, and a golf cart. Guests also can purchase mulligans, raffle tickets, and bid on a variety of silent auction items.

Last year's tournament raised over \$8,000, and with the support of generous sponsors, we hope to exceed that amount this year. Proceeds will benefit Caring & Sharing of South Walton, which provides critical crisis relief services including financial assistance, food, counseling, and case management. Additional funds will support Sea Shul, a growing home of worship, and the Mensch Club, helping sustain its community programs.

We respectfully ask you to consider a sponsorship at a level that aligns with your philanthropic goals. If you have any questions or would like additional information, please do not hesitate to contact us. Thank you for your time and support for this meaningful event.

Sincerely,

*Lon Goodman*
