

**MG Middle East QR Code**

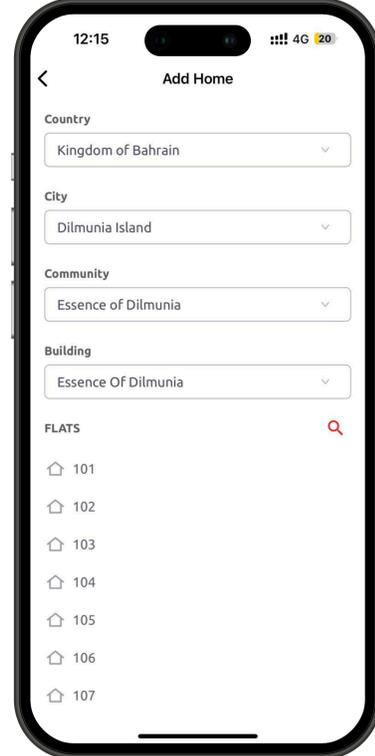

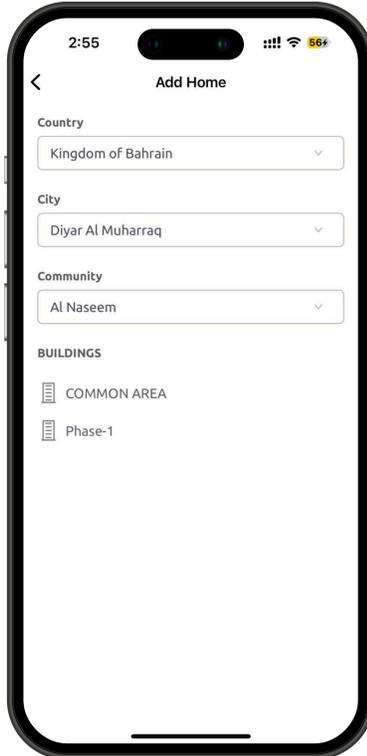

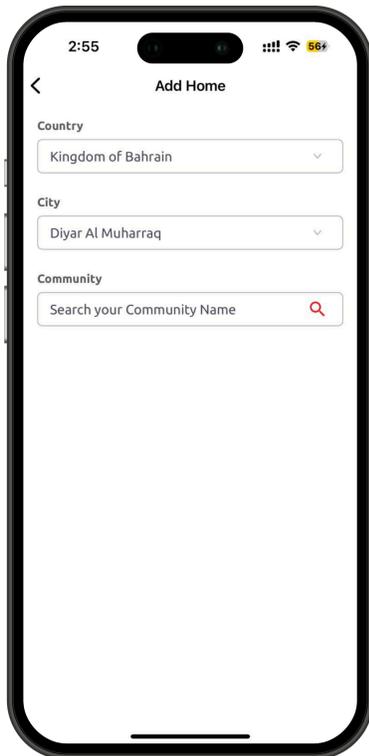

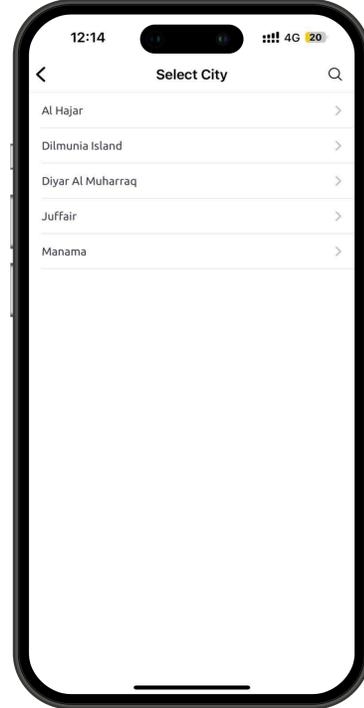

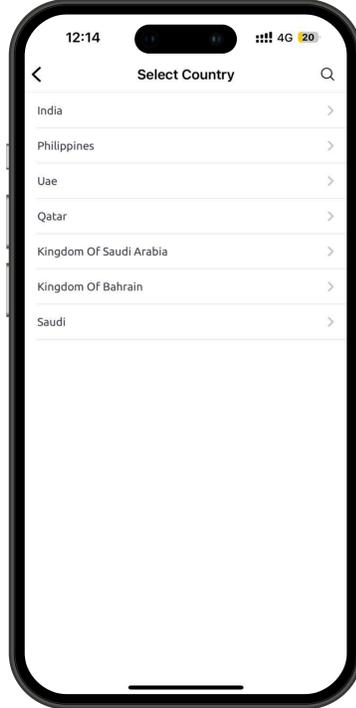

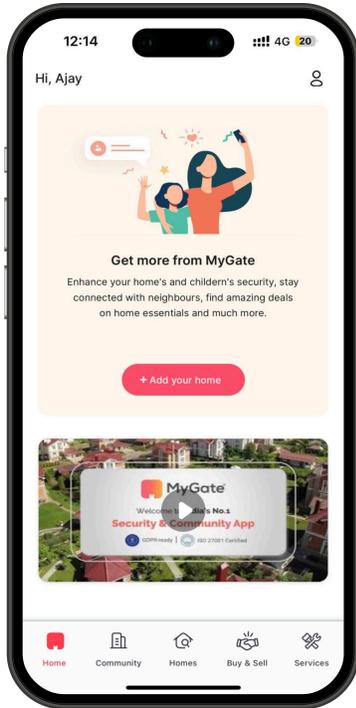

## 1. Download MG Middle East from App Store or Play Store

## 2. After download, please sign up using mobile number and email by entering the OTP

3. Once the signup is completed, click on **Add your home**, select the country as **Kingdom of Bahrain**, City as **Diyar Al Muharraq**, Community as **Al Naseem**, Building as **Phase-1** and select your **Villa number**

4. Once you select your **apartment number**, select your **ownership status** and your **residing status**. Now click on **Add Flat/Villa**.

The image displays three sequential screenshots of a mobile application's "Add Home" form. Each screenshot shows the user's progress in filling out the form.

- First Screenshot:** The user has selected "Kingdom of Bahrain" for Country, "Diyar Al Muharraq" for City, "Al Naseem" for Community, "Phase-1" for Building, and "9191" for Flat No. Under "YOU ARE", the "Flat Owner" option is selected. A grey "ADD FLAT/VILLA" button is visible at the bottom.
- Second Screenshot:** The user has selected "Diyar Al Muharraq" for City, "Al Naseem" for Community, "Phase-1" for Building, and "9191" for Flat No. Under "You are", "Flat Owner" is selected. Under "Occupancy Status", the "Currently residing" option is selected. A grey "ADD FLAT/VILLA" button is visible at the bottom.
- Third Screenshot:** The user has selected "Diyar Al Muharraq" for City, "Al Naseem" for Community, "Phase-1" for Building, and "9191" for Flat No. Under "You are", "Flat Owner" is selected. Under "Occupancy Status", "Currently residing" is selected. A red "ADD FLAT/VILLA" button is visible at the bottom. Below the button, there is a "Sales Deed" section with a note: "The documents will help the admin to quickly verify and approve the request." and a link to "Upload File/document".

5. Once you complete the process, please wait for the front office administrator to approve your request.
