COVID-19 LAUNDRY ROOM

- You must wear a face covering.
- No waiting/folding of laundry in the Laundry Room. If you are someone who normally waits and watches your clothes, do so in the big room.
- If someone is already working in the Laundry Room, let them know you will be waiting in the big room and ask them to let you know when they are leaving.
 - Try to practice social distancing as much as possible.
- Wash your hands after you touch the washer/dryer for 20 seconds with soap and water.
- If you can do it at home (folding, sorting, mending, etc.), you should do it at home.
