

Dighton Housing Authority Entry Door Policy

It is the policy of the Dighton Housing Authority (DHA) to lock the outside doors from sundown to sunrise. It is the responsibility of each tenant to see to it that doors stay locked for the safety of all. If a tenant is expecting company during the hours that the doors are locked, it is suggested that have their guests call just before arriving so that the tenant will be expecting them.

Approved by Board Action at its Tuesday, April 9, 2002 Meeting.
