

Dighton Housing Authority
Board of Commissioners Public Participation at an Open Meeting Policy

It is the policy of Dighton Housing Authority (DHA) that if anyone would like to address the DHA Board of Commissioners at an open meeting they must submit their request in writing. The request must state who wants to speak to the DHA Board of Commissioners and what it is regarding. All requests should be sent to:

Board of Commissioners
Dighton Housing Authority
300 Lincoln Avenue
North Dighton, MA 02764

Once requests are received by the DHA they will be put on the agenda for the DHA Board of Commissioners Meeting.

The DHA Board of Commissioners would like to hear from the public regarding their concerns, requests, and questions. This policy is intended, by screening requests, to prevent violations of the Open Meeting Law.

Approved by Board Action at its Tuesday, April 12, 2005 Meeting.
