

MESA ART LEAGUE "MEMBER" SCHOLARSHIP PROGRAM

This scholarship program is for current MAL members only.

Scholarships may be applied to school tuition, workshops/seminar fees for an art class or an art-related class (such as art business). They may be for a course you have taken or will take in the current year except for the last quarter which might be for a class you would take early in the following year.

Recipients must make a presentation at a MAL meeting as soon after the class as possible, demonstrating information presented in the class. This will be done during the demo period at a MAL meeting and must be scheduled with the demo manager. Demos should be of the standard length of time (45-60 minutes).

Members must apply for scholarships. Only two scholarships per year will be granted and will be randomly selected. Applications must include a copy of the course advertisement, including the cost of the course, the name of the instructor or agency providing the course, and the course content to be covered.

Scholarship amount will be limited to \$100 toward the cost of the tuition/registration cost of the class/workshop/seminar. Scholarship may not be used to cover the cost of materials, travel, meals, housing, or any other related expenses.

No recipient may receive more than one scholarship per year.

Funds will be paid to the recipient after the demo has been presented to the Mesa Art League meeting.

Entries will be drawn twice a year at a board meeting in January and again in September. To be included in the drawing, applications must be received by December 1st for the January drawing and by August 1 for the September drawing.
