---

Kelvin Redvers • 1 hour 40 minutes • 2024 • Canada • English

On a frozen highway in the remote Canadian North, an Indigenous woman and her dog are hunted by a stranger in a semi truck. Tracy (Roseanne Supernault) is on a 12 hour road trip with her dog Pretzel, trying to get home before her mom passes into the spirit world. Tracy's alone – except – for a truck driver that's following her. The big rig starts to toy with her, like a cat playing with a mouse. Night's coming, the temperature drops, gas is low. By the time Tracy realizes she's being stalked, it's too late to turn back, she has no choice but fight for her life.

Fri., Aug. 9, 9:30pm @ Arts Court Theatre (2 Daly Ave.)

\*Note that the short film Crush will screen prior to Cold Road.
