About Sherwood Archers

Sherwood has 89 beautifully forested acres nestled in the mountain rim of N. Roanoke County. As a private archery club, serving the area for about 50 years, our purpose is to foster, expand and perpetuate all forms of archery and to encourage the use of the bow in the hunting of legal game.

Our facilities include a 16 lane indoor range, meeting room with a kitchen and full baths. Outside, there is primitive camping and a picnic area, practice spot targets, a shooting platform for 3-D and a crossbow practice target. There is one 28 target field course and one 14 target field course to shoot at your leisure. Events throughout the year include indoor leagues, 3-D and field competition; kids to master senior.

Our newsletter (*Target 29*) is sent out monthly following each club meeting. In addition to the scheduled shoots there may be club dinners and “fun” shoots for our members to enjoy.
