# Refurbished Desktops Starting At \$249

— — —  
When you purchase from Columbia Computer Center, you are purchasing more than just another **PC**. You're purchasing a system with careful consideration towards your use case—meaning no bloatware or garbage. And you're getting a system with a brand new **Solid State Drive** to superspeed your computing.

---

## Multi-Usage

Ask any Technician to get started with a custom multi-purpose media PC or gaming PC. Fully customizable. Ready to play.

---

## Gaming

# Computer Running Slow?

- Diagnostics start at **\$50**
- No Appointment! We are first come, first serve.
- Ask a technician about a Solid State Drive. Your old PC may be viable for a huge upgrade.

# Computer Infected? Tune-Ups Start at \$100

An infected PC can range from tons of unwanted programs, from malware to viruses. A tune up cleans up all traces of unwanted files.
