# Best Friends Kids Summer Workshop 2023

### About Us:

The Canine Training Center at Pray Farm is the Home of our Best Friend Workshop each summer. It is the ONLY program of its kind where children can participate with their canine friend or a friend can be borrowed to learn about dog care, training, and responsible dog ownership.

CTC is located in scenic South Rehoboth near Rt. 6 bordering Swansea, Seekonk, and Barrington, yet ten minutes from downtown Providence and the 95/195 interchange.

Woods, fields, and ponds provide the peaceful background of our unique program.

The workshop is staffed by CTC trainers, teachers and counselors in training.

A Dog Show with Awards and a Cookout is provided on the last day.
