

Cheat Sheet for MAOC Phalaenopsis Classes (MAOC July2020)

F. Vanda and Phalaenopsis Alliance

NOTE: Multiflora refers to flowers 3 inches or less, with multi-branched inflorescences when mature. *If in doubt, use lowest number class that qualifies.*

48. Phalaenopsis species

All species regardless of color or markings including "x self".

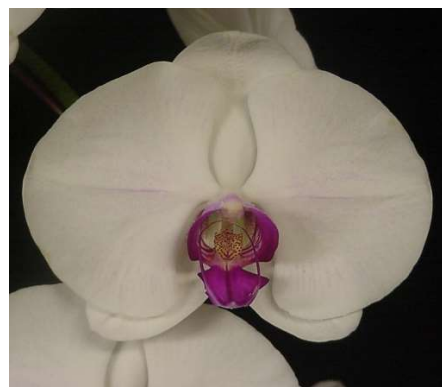

49. Phalaenopsis hybrids, White, no markings

For white with colored lip use class 45. Can have slight coloration inside lip. Use class 47 for white multiflora regardless of markings.

50. Phalaenopsis hybrids, White with colored lip, no markings

Has prominent lip color. For any color markings except lip use a later class including blush, spots, bars, blotches & dots. Only White has separate class for colored lip.

F. Vanda and Phalaenopsis Alliance

NOTE: Multiflora refers to flowers 3 inches or less, with multi-branched inflorescences when mature. *If in doubt, use lowest number class that qualifies.*

51. Phalaenopsis hybrids, White with markings.

Background must be white with spots, dots, blotches or bars.

52. Phalaenopsis hybrids, Multiflora, White, with or without markings.

Must be self-branching with less than 3" wide flowers. Lip color does not matter.

53. Phalaenopsis hybrids, Pink, no markings.

May show slight veining due to flower tissue but not a contrasting color. Use Class 49 for blush, spots, bars, blotches & dots.
