**The Village of Lyndon Station reserves the right not to accept an application that is deemed incomplete.**

- All sign wiring shall comply with the National Electric Code – Section 600 and with the State of Wisconsin Building Codes. All illuminated signs must be wired by an electrical contractor licensed by the State of Wisconsin (permit required).
- Show location of sign on back of this application indicating distances to lot lines, road right of way and centerline setbacks.
- Sign permits are reviewed at monthly Village Board meeting held the second Monday of each month.

**Signs illuminated by flashing lights, moving pictures or moving parts are prohibited.**
