GROUP ME: "OXFORD WALK HOA"

Board Notes

We have noticed an increase in cars parked on the street overnight. Please remember that our neighborhood policy includes limiting parking to your personal driveways.

You spoke, and we're listening! Thank you for participating in the Community Survey. For those of you who have expressed interest in leading community initiatives, please be on the look out for upcoming communication regarding meetings dates and times.

If you would like to redesign your front yard, or make any architectural modifications, please remember to submit a brief outline of your plans to Tom Fulkerson at board@oxfordwalk.org for approval.
