Year in Review: Time Flies When You're Having Fun

Written by Oxford Walk HOA

It's amazing just how quickly the past year has flown by! Though we are rapidly approaching the one-year mark, it seems like only yesterday when we came on board to do the work of this community, and we hope that we have met the mark.

Five events. Two lawsuits. Four amazing volunteers (and counting). One in-depth discussion on the current state of College Park with Mayor Broome. Numerous architectural modification requests. And one building of townhomes refreshed with a new coat of paint. In summary, it seems like we have achieved quite a bit together, but then also as if we have only just begun as there is so much more that we can accomplish and enjoy as a community. For example, implementing brilliant community beautification recommendations that a number of you have made; convening for more fun events right in our own backyards; and, continuing to rebuild our operating account so that we can ensure that we have the financial foundation to continue to do the work of this Association, and always in a fiscally responsible manner. We thank you for entrusting us this time last year to do this work, and we look forward to another year of holding to our commitment to always work first and foremost in your interest.

Just a reminder, you should have received a letter with additional documentation from Community Association Management (CAM) re the Annual Meeting on Thursday, May 19th at 7pm. In addition to review of financial and other business matters, there will be an election for the Secretary position on the Board of Directors as the one-year term has run its course. You can write-in a candidate for election, and our current Secretary, Martini (MJ) Johnson, is running for reelection.

If you have any questions, as always please direct them to mchastine@camga.com and / or board@oxfordwalkhoa.org.

Community Happenings

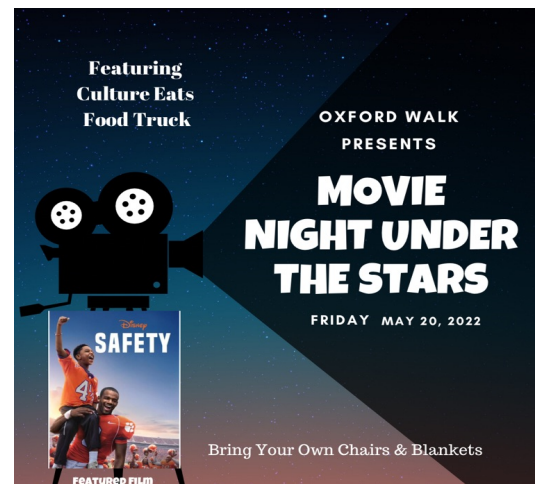

Written by Oxford Walk HOA

Summer is just around the corner, and we're excited to get back outside and enjoy it to the fullest at Oxford Walk!

We hope to see as many of you as possible for movie night on Friday, May 20th! Bring your chairs and blankets, and enjoy the best in cinema cuisine from a local food truck as we watch the move, "Safety."

Also, be on the lookout for an optional Community Improvement Day where we can all tackle some of the smaller outstanding projects around our homes and the community, but together and with coffee (or, cocktails) in hand!

If you have any events that you would like to see in the neighborhood, please feel free to drop a note to board@oxfordwalkhoa.org.
