

GLOBAL IT PROJECT DELIVERY

WHAT THEY DON'T TEACH YOU IN PROJECT MANAGEMENT SCHOOL.

Global IT Project Delivery

This program will help you become an “Experienced” Project Manager. Our unique pedagogy “Experience In A Classroom” not only helps you “Learn To”, but also “How To” effectively deliver as a Global Project Manager. The program combines the body of knowledge from Technology Services and Management Consulting Services. At the end of the program, you will be able to deliver in global multi-country projects and programs. Be an expert in Project Governance, Quality Management, and Risk Management. Expert in Earned Value Analytics and Metrics-Based Project Management.
