

## **LIFT OF SERVER EMERGENCY STATUS**

The Server Administration Committee of Minecraft server “The United States of Mass Island” has cleared all threats of previous cyber attack and restored the information security of the server and our members, and thereby lifts Server Emergency Status #SE-011824-001, effective on February 1, 2024 at 4PM (EST).

Ganhua Alejandro He, for  
The Server Administration Committee

*Alejandro He*

Signed on the 1st day of February, 2024
