

DECLARATION OF SERVER EMERGENCY STATUS

Due to the severe cyber attack incidents occurred on January 17 and 18, 2024, to fulfill the necessity of protecting the information security of the server and our members, the Server Administration Committee of Minecraft server “The United States of Mass Island” thereby declares Server Emergency status, which is effective from January 18, 2024 3PM (EST) and will not be lifted until further notice. The code of this Declaration is SE-011824-001.

Ganhua Alejandro He, for
The Server Administration Committee

Alejandro He |

Signed on the 18th day of January, 2024
