What will young learners learn about dinosaurs?

The study of dinosaurs may be an old topic since we don't see any of them now but young children will always be excited seeing a dinosaur. They call him, "dino". This will let them understand the evolution of living animals from start to finish. Dinosaurs can still be seen today. Crocodiles, lizards, vultures, big birds are all examples of dinosaurs.

Lesson For The Week

This week's lesson will really be a fun one. We will bring our young learners to an imaginary world of fossils, big birds and animals. They will learn different names of dinosaurs. You will also make your own dinosaur. This week of exploration and discovery will help our kids use their creativity and develop dexterity and physical, cognitive, and emotional strength in the world of the dinosaurs!

Goals for this week:

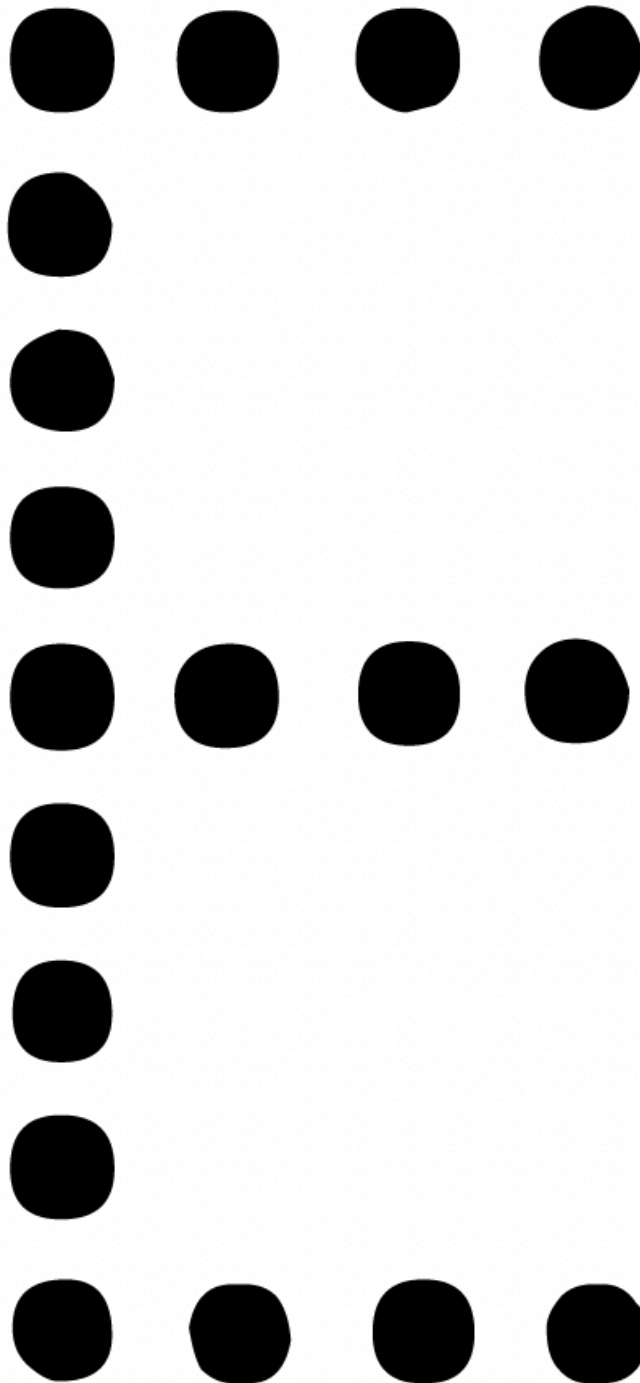

1. Trace the upper and lower case letter E,
2. Recognize object names that begin with the letter E,
3. Match pictures and name words with initial "e",
4. Make sets of objects that is equal to 5,
5. Recognize objects around them and start naming things that are orange,
6. Trace, cut and make their own diamond shapes,
7. Make logical connections while working with patterns,
8. Recognize rhymes using pictures while reading after the teacher,
9. Develop phonemic awareness through pictures.

Domains and skills developed:

1. Fine motor skills: Tracing, writing, drawing, cutting, and coloring
2. Social & emotional: Identifying, observing, and naming things that they see around them
3. Cognitive: Recognize numbers, letters, colors, and shapes
4. Language & communication: Talk about their favorite color and shape, developing simple answers to simple questions, naming the four kinds of weather
5. Physical: Action songs and reciting nursery rhymes

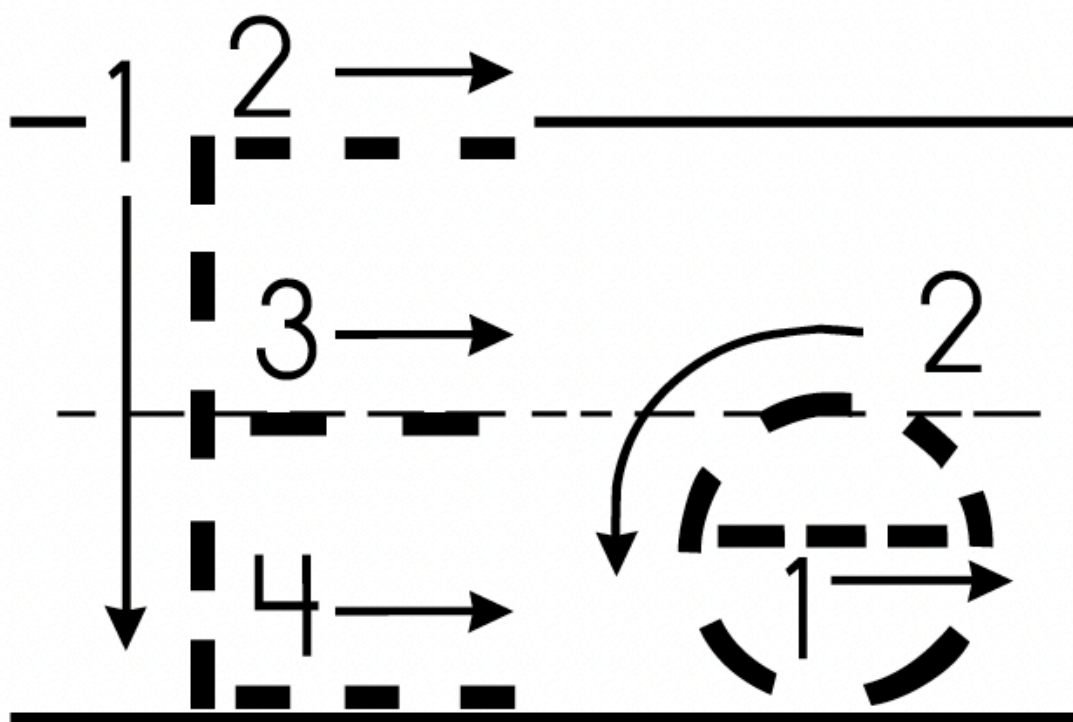

Name: _____

Follow the dashes and make your first letter E.

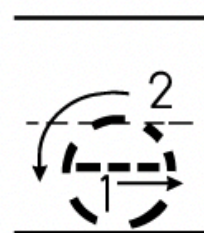

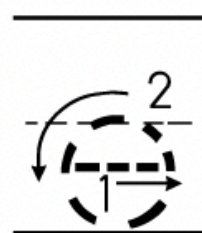

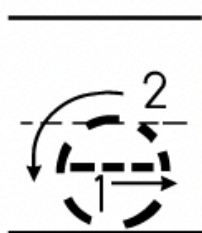

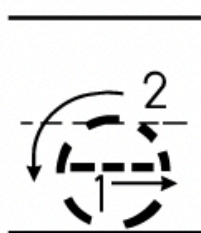

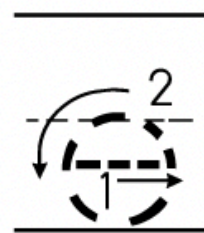

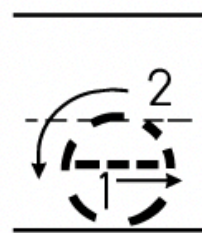

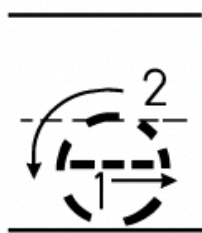

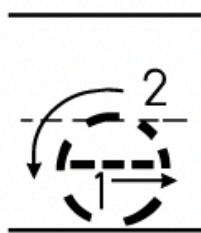

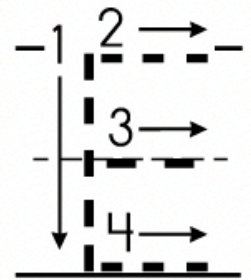

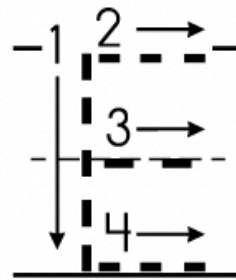

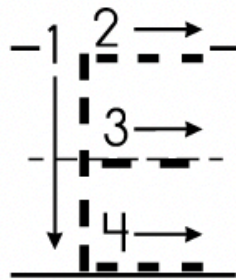

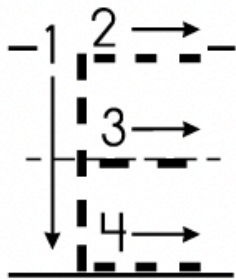

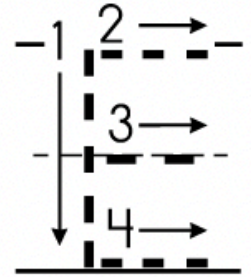

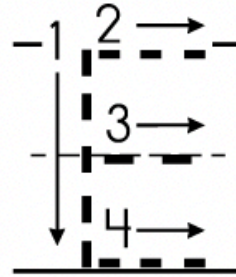

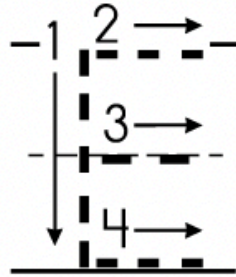

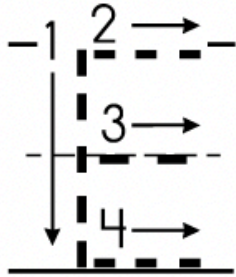

Name: _____

Trace the upper and lower case “E-e”.

Name: _____

Trace the upper and lower case letter E.

Name: _____

Trace the words that begin with letter “e”.

What shape is this?

I am a diamond. I have two equal sides.
I am called a RHOMBUS, too.

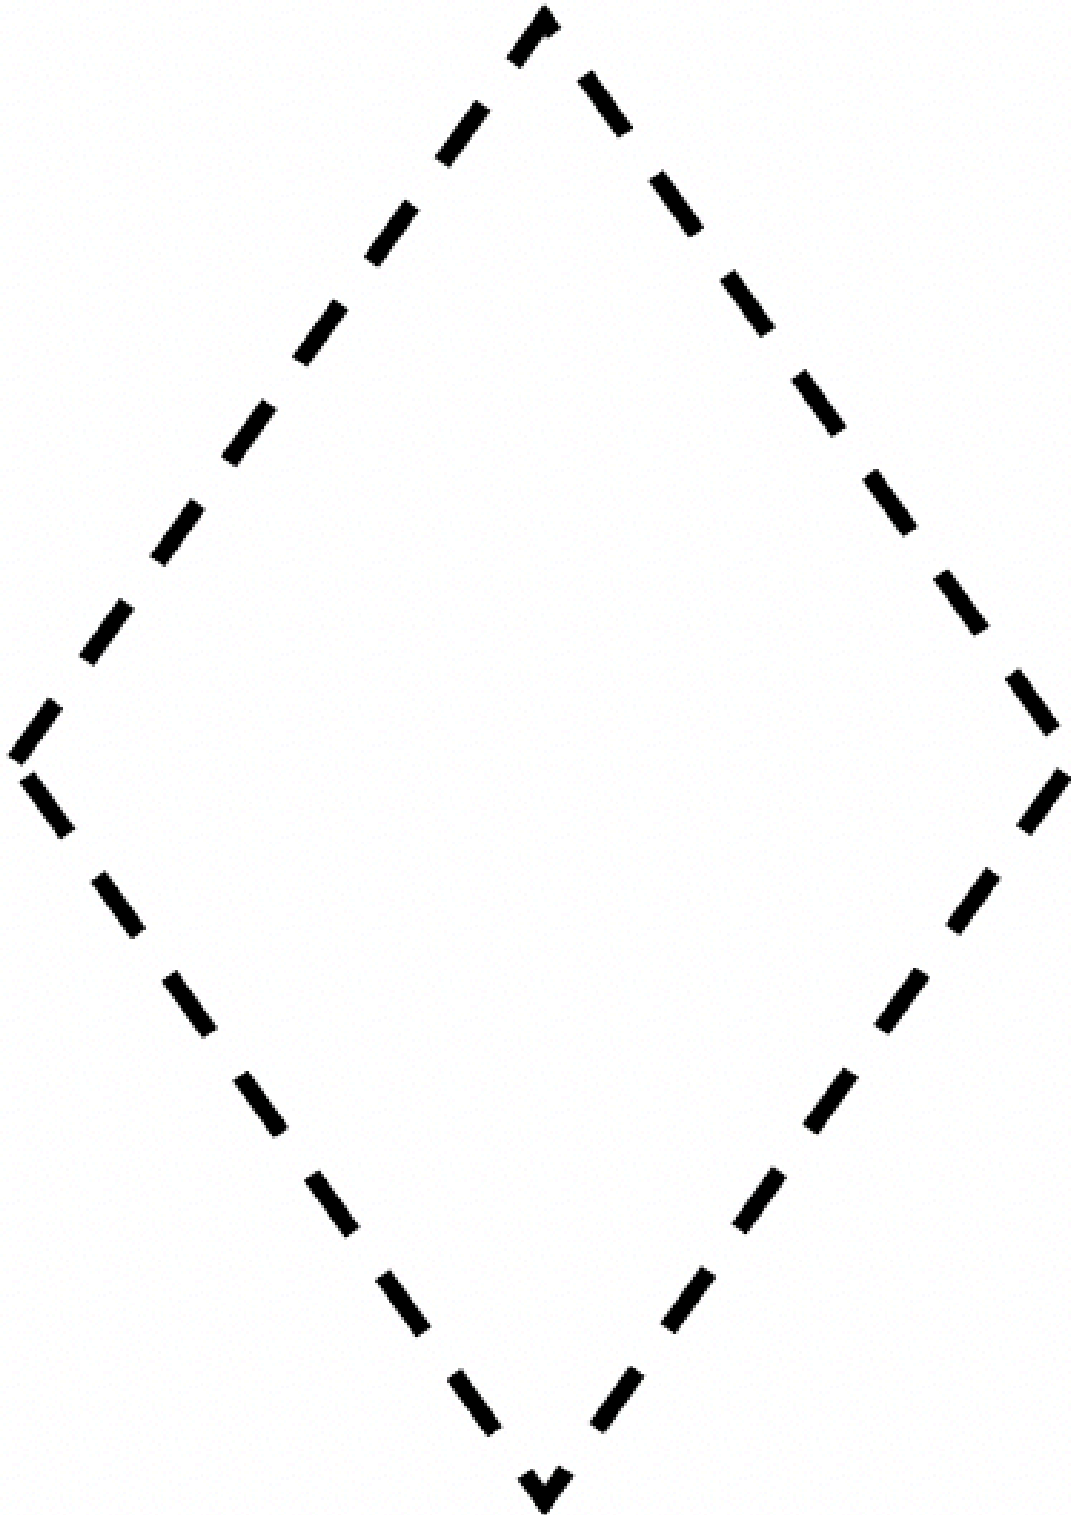

Name: _____

Connect the dots. What shape did you make?

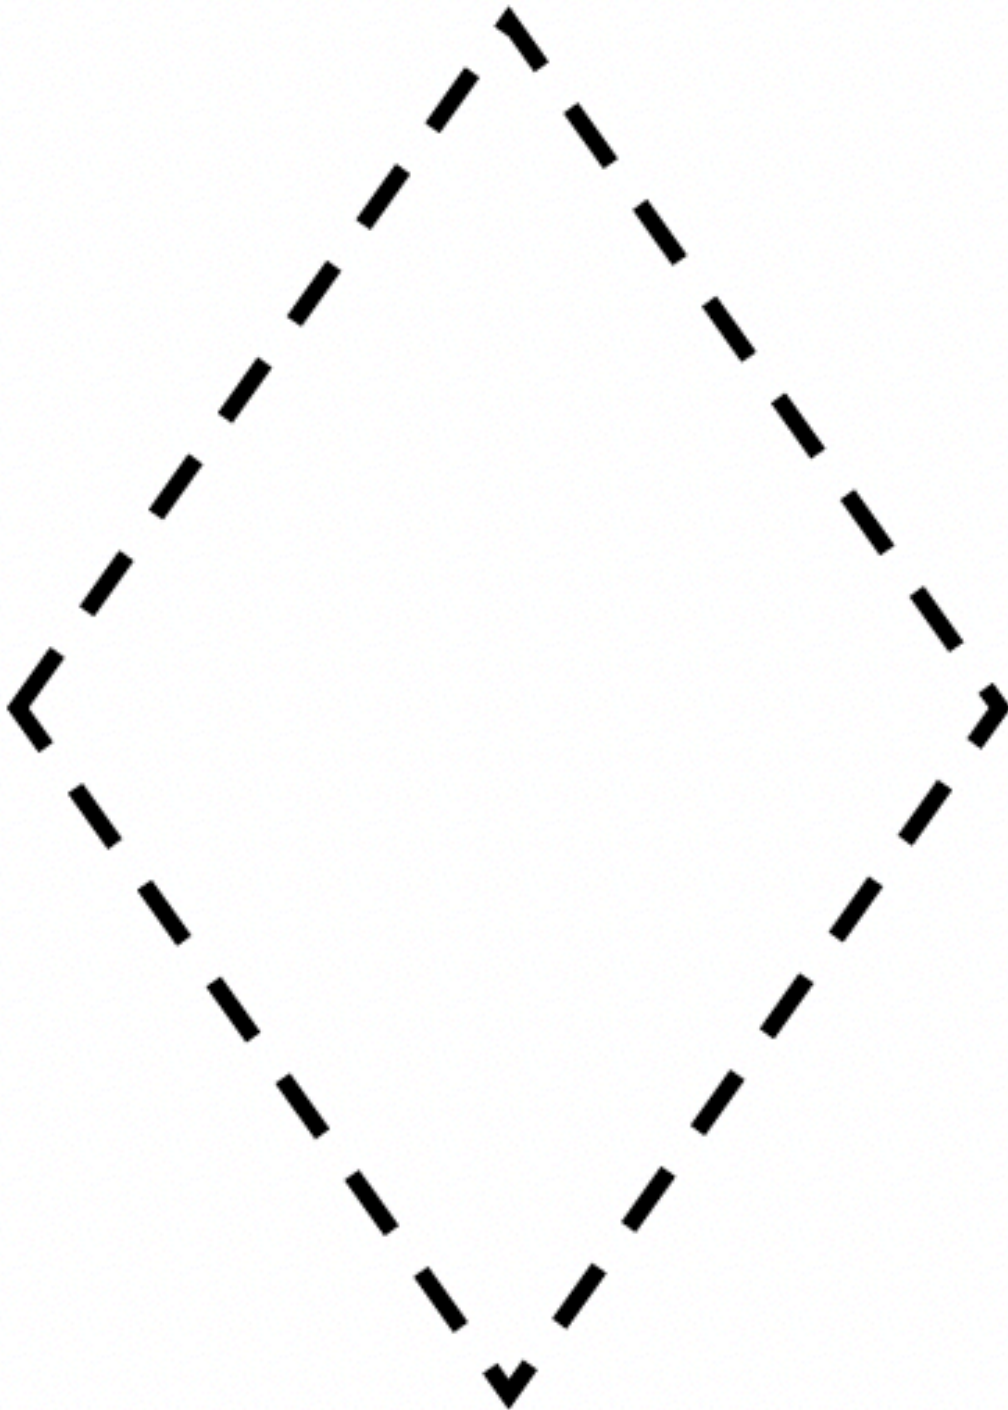

Name: _____

Color the diamond orange.

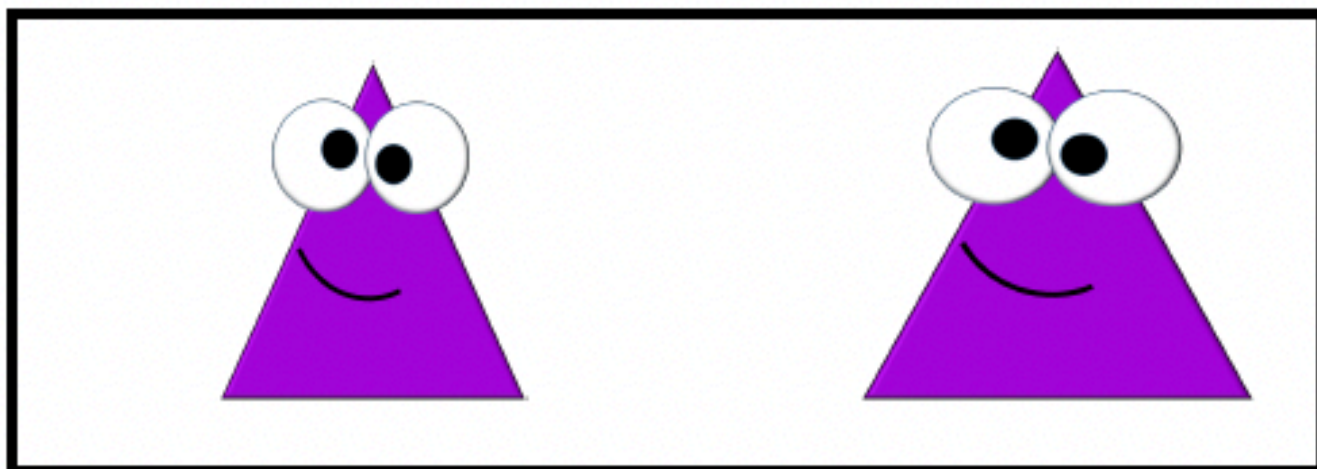

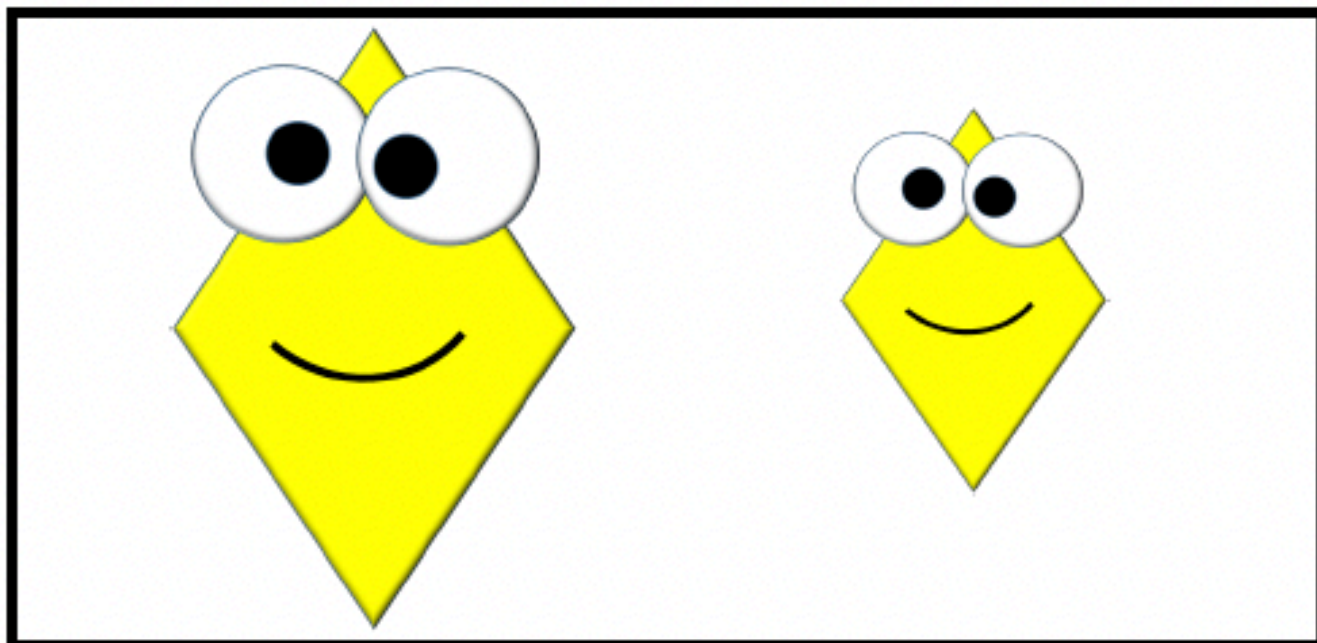

Name: _____

Cut along the dots and make your own diamond.

Name: _____

Which is smaller? Circle it.

Name: _____

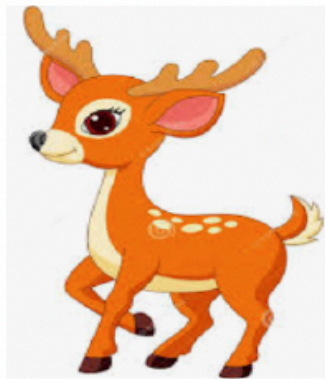

Beginning Sounds 1

Name each picture. Circle the letter for its beginning sound.
