Bright Stars Curriculum

December

Week 3: Winter Theme

Letter: Y

Number: 11

Color: Green

Shape: Trapezoid

Bright Stars Curriculum

This week we will have winter theme. This will help young children make sense of dramatic changes in their daily environment. It turns cold weather, snow, and early sunsets into rich, hands-on learning moments.

Children explore concrete science concepts like freezing and melting, weather patterns, and how animals handle the cold through hibernation or adaptation. The kids will be able to build descriptive language by learning terms like frost, icicle, blizzard, migration, and heavy layers.

Managing bulky winter gear fosters independence, self-help skills, and personal confidence, during sensory play with ice, snow crafts, and the physical challenge of zipping coats and pulling on boots boost fine and gross motor control.

This week's goals and skills to be developed:

This week's lesson will be more exciting because the children will continue to be creative while learning about winter. They will again be learning about nature and its changes, patterns they see in weather elements, snow objects they can play with, making snow decorations, and many more. They will also learn to use common sounds of words, repetition and rhymes! They will be learning more about how to work with snow and be creative. There will be writing and more of exercising their tongue and counting. This will help them develop strong letter and number recognition, sound out letters and form 2- to 3-letter words or CVC words patterns.

Goals for this week:

1. Trace the upper- and lower-case letter Y,
2. Recognize object names that begin with the letter Y,
3. Match pictures and name words with initial "Y",
4. Make sets of objects that is equal to 11 using groups of 5s,
5. Recognize green objects around them and start naming them,
6. Trace, cut and make their own trapezoid,
7. Make logical connections while working with patterns,
8. Recognize rhymes using pictures while reading after the teacher, and
9. Develop phonemic awareness through letters and pictures.

Domains and skills developed:

Fine motor skills: Tracing, writing, drawing, cutting, and coloring

Social & emotional: Identifying, observing, and naming things that they see around them

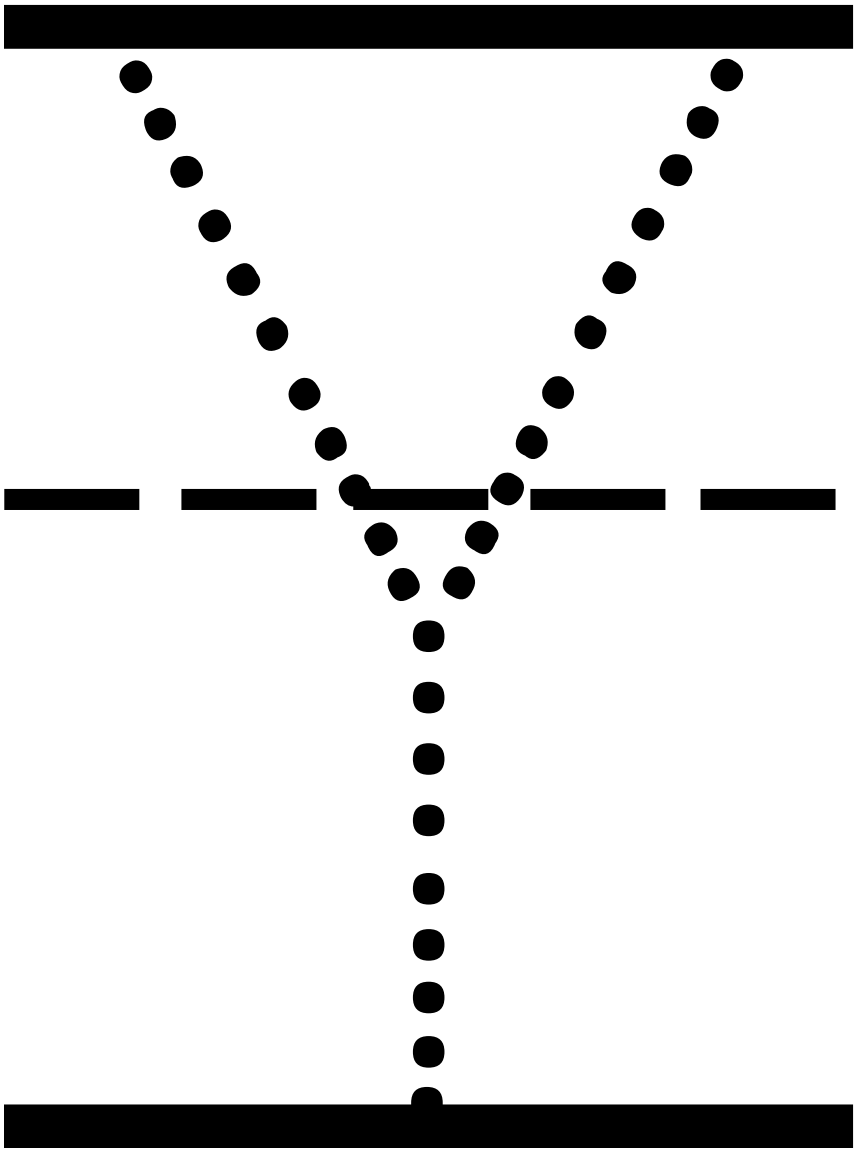

Cognitive: Recognize numbers, letters, colors, and shapes

Language & communication: Talk about their favorite color and shape, developing simple answers to simple questions, naming the four kinds of weather

Physical: Action songs and reciting nursery rhymes

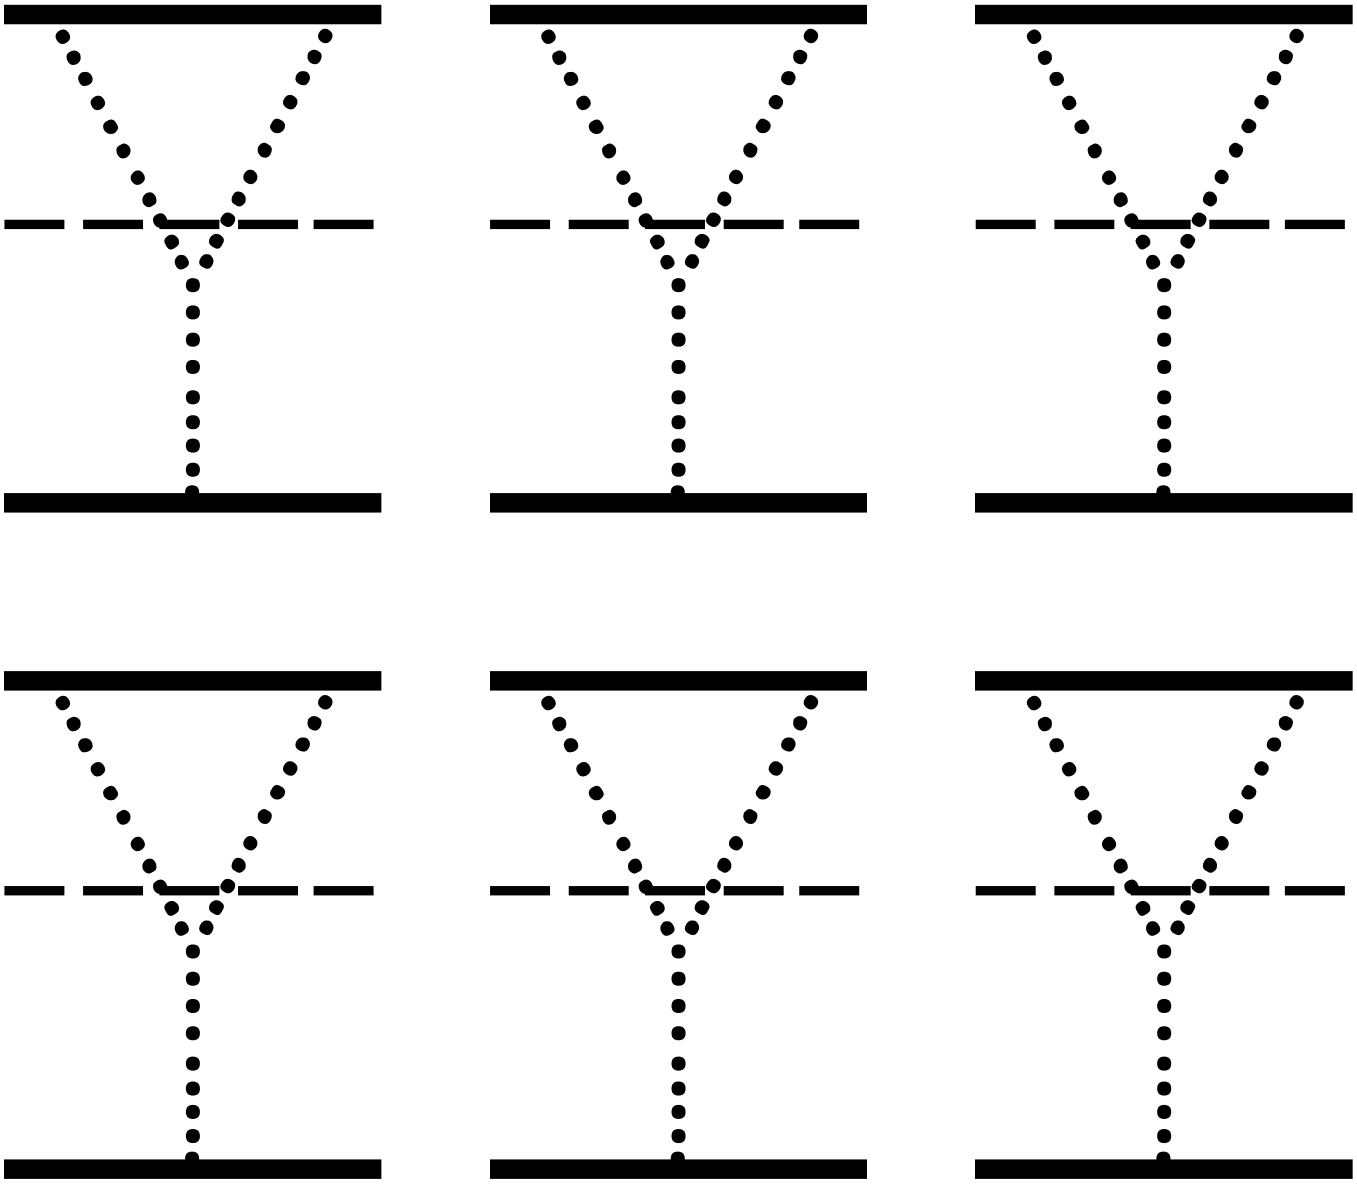

Name: _____

Connect the dots and form your own upper case letter "Y"

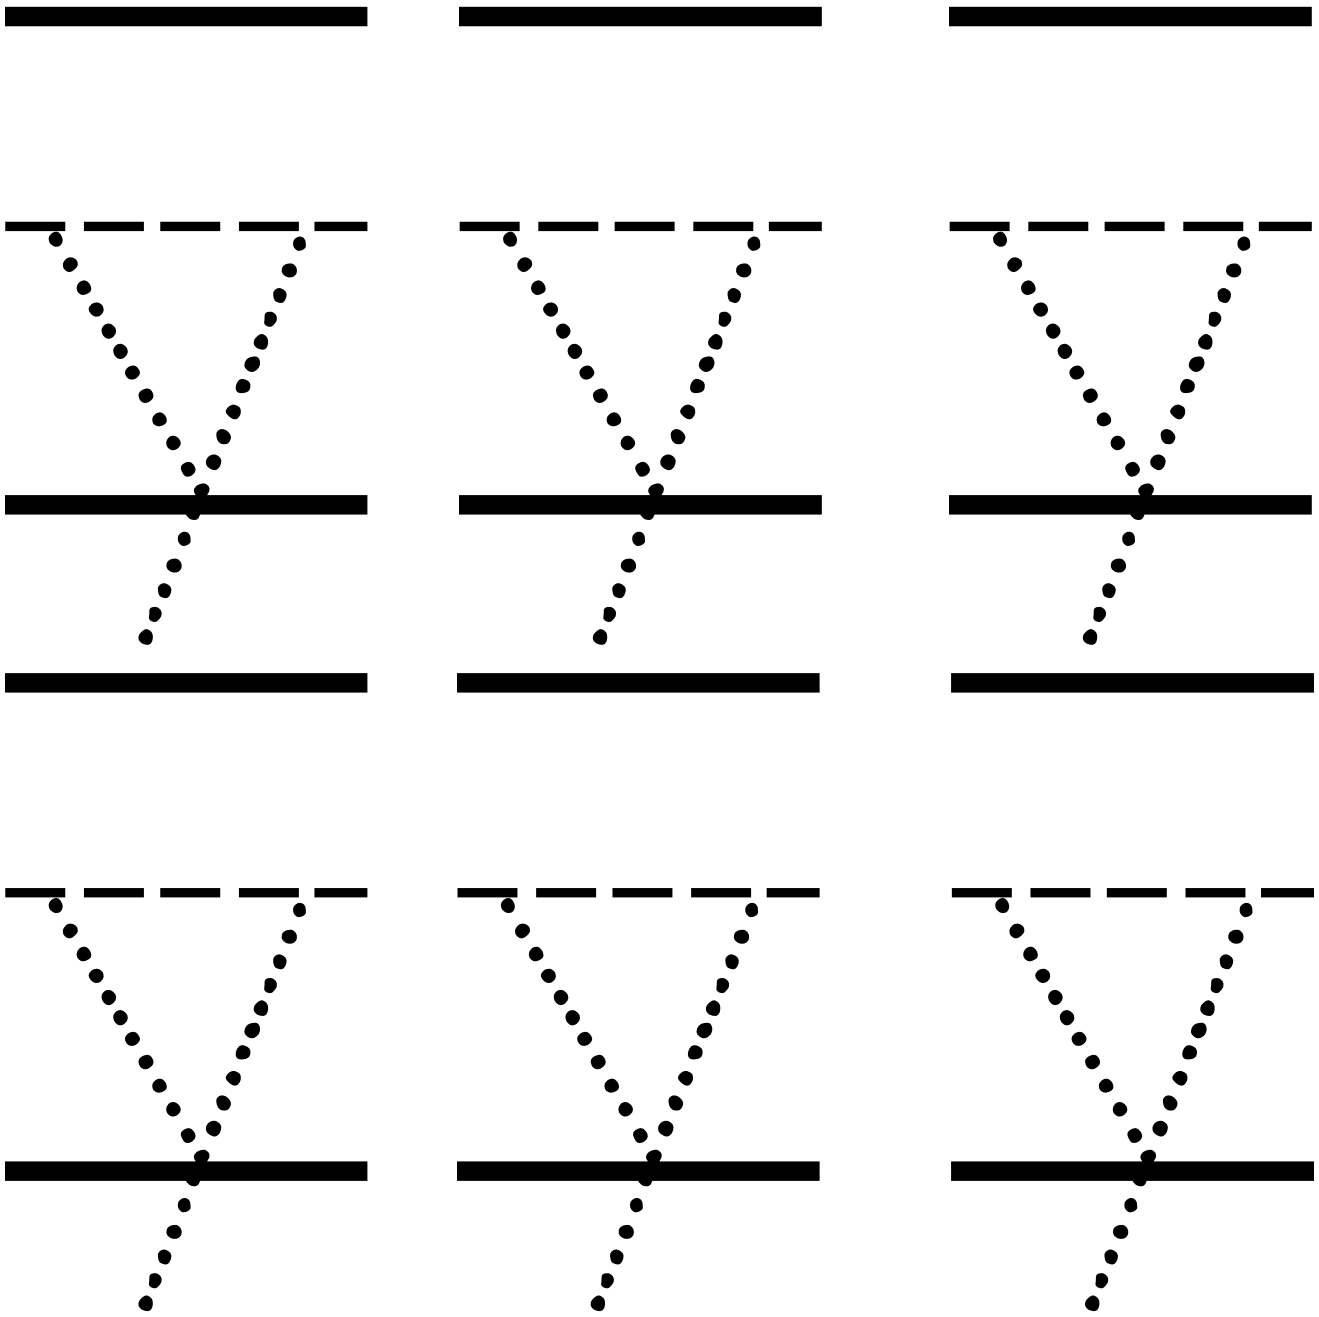

Name: _____

Connect the dots and form your own upper case letter "Y"

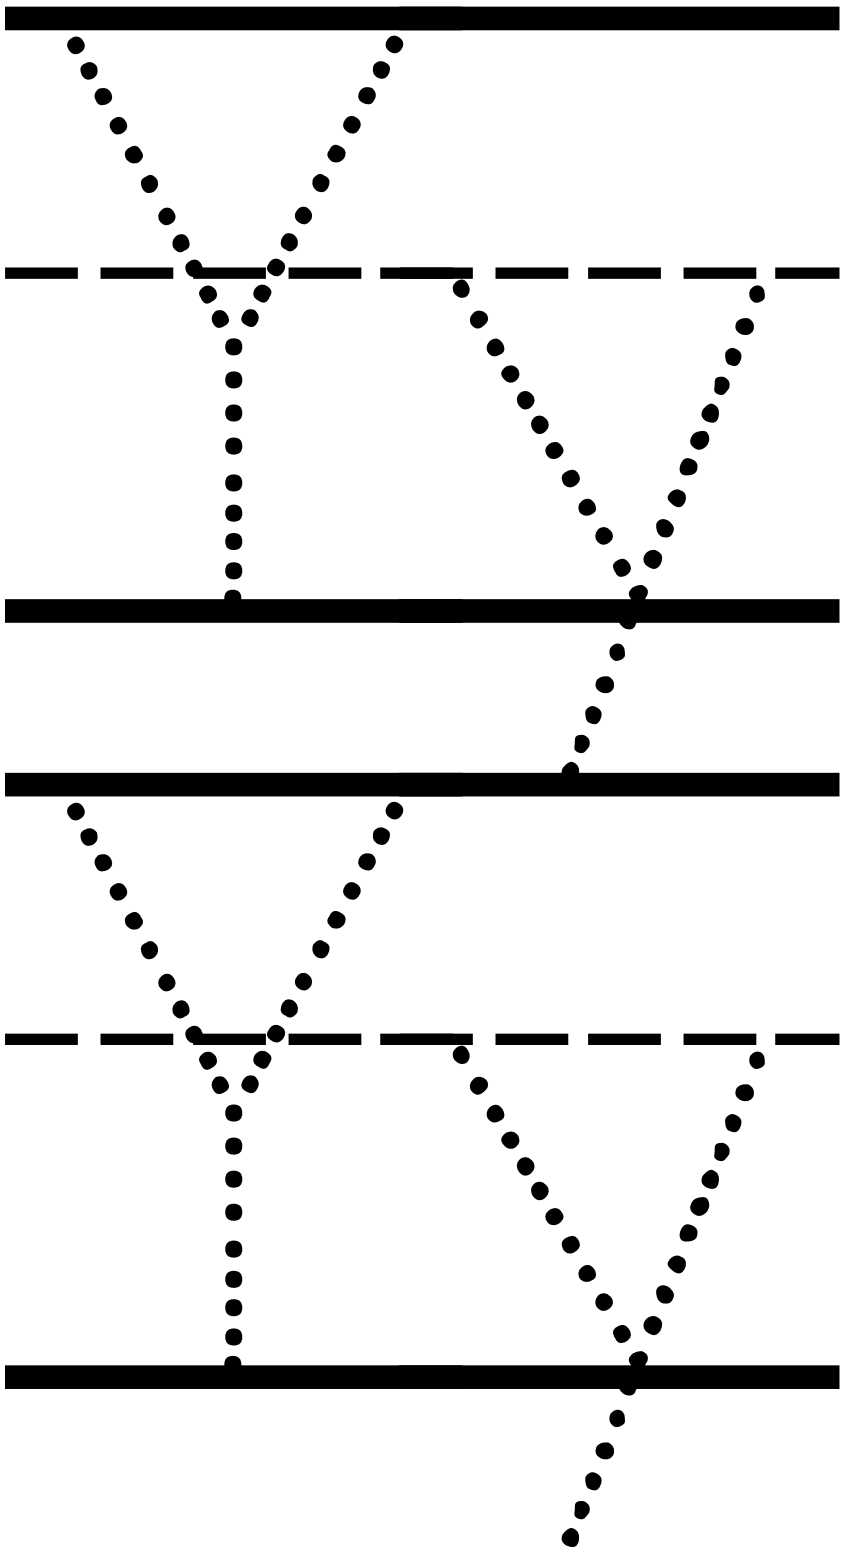

Name: _____

Connect the dots and form your own lower case letter "y"

Name: _____

Connect the dots and form your own upper & lower case letter "y"

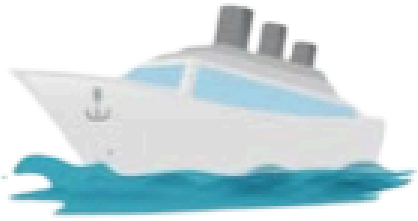

Name: _____

Let us learn words that begin with the letter "y"

Yummy

Yacht

Yogurt

Yarn

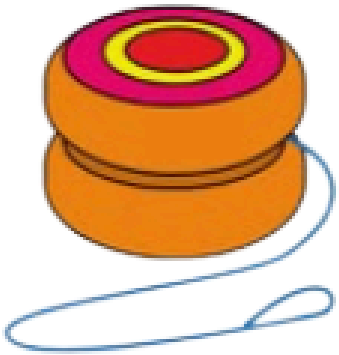

Yoga

Yak

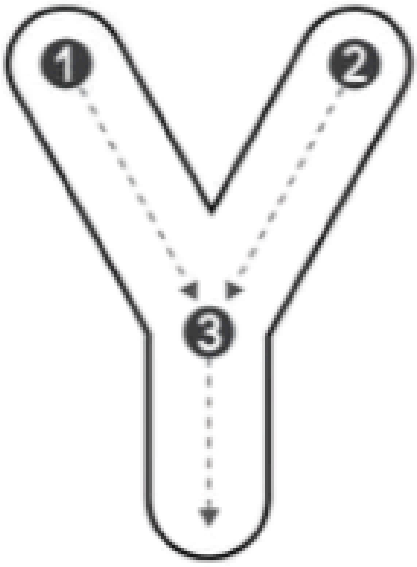

Yo-yo

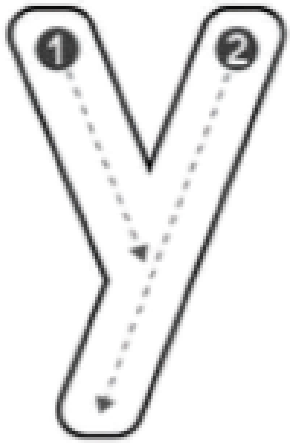

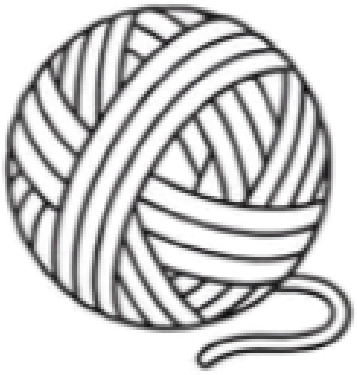

Yam

Name: _____

Let's learn more about the letter "y":

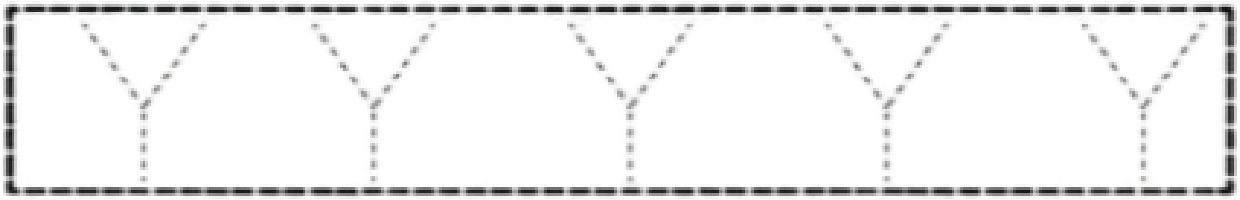

yarn

Trace the letter Yy

Find and Circle the letter Yy

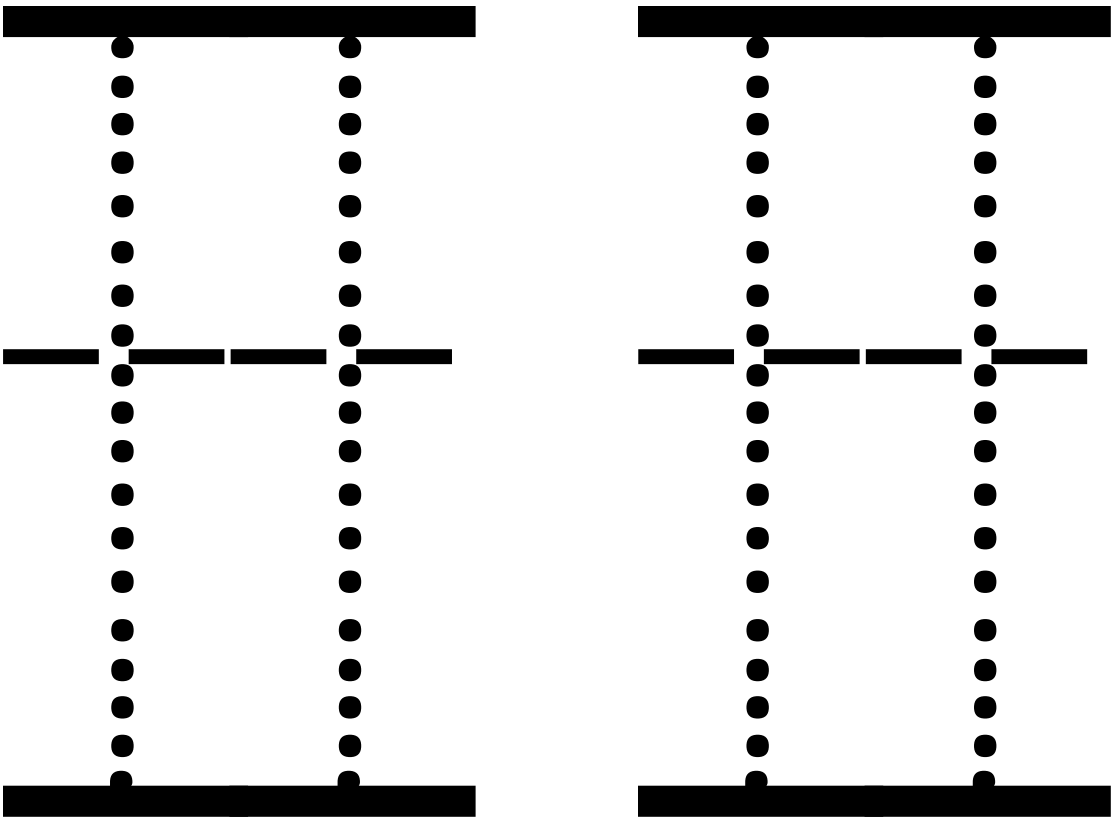

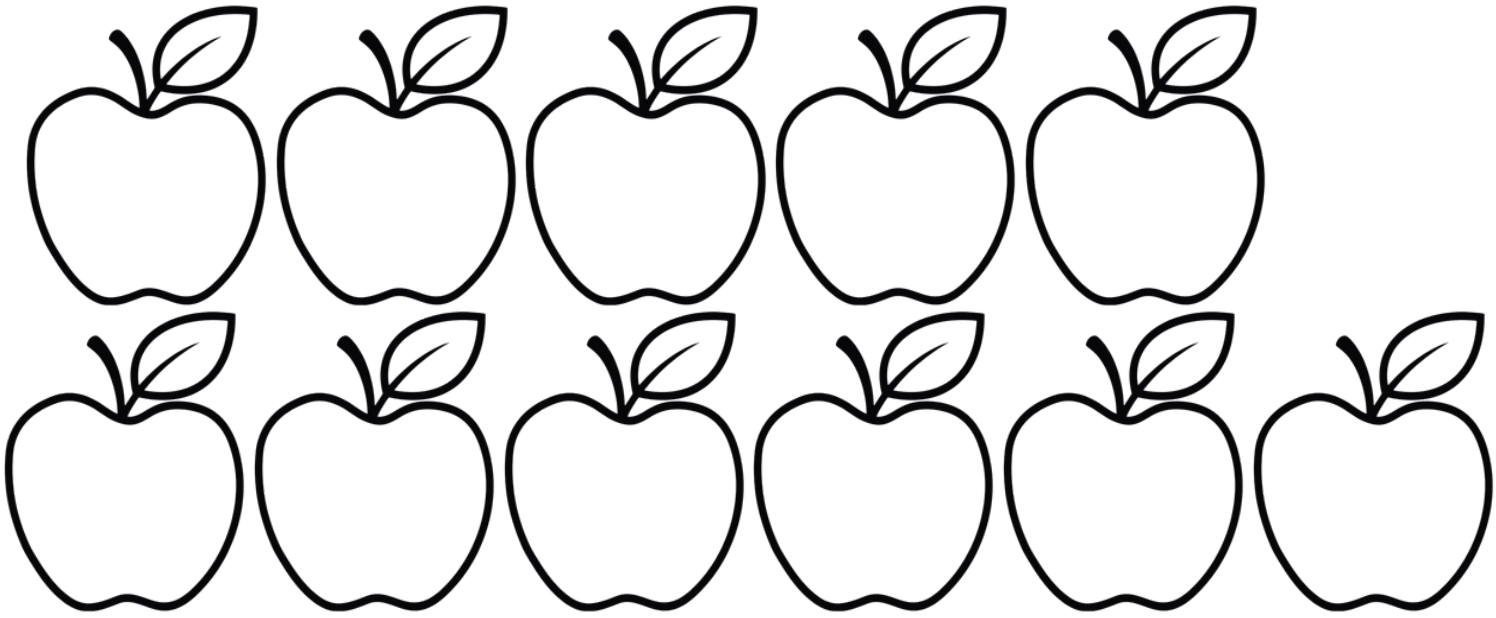

What starts with Yy?

Name: _____

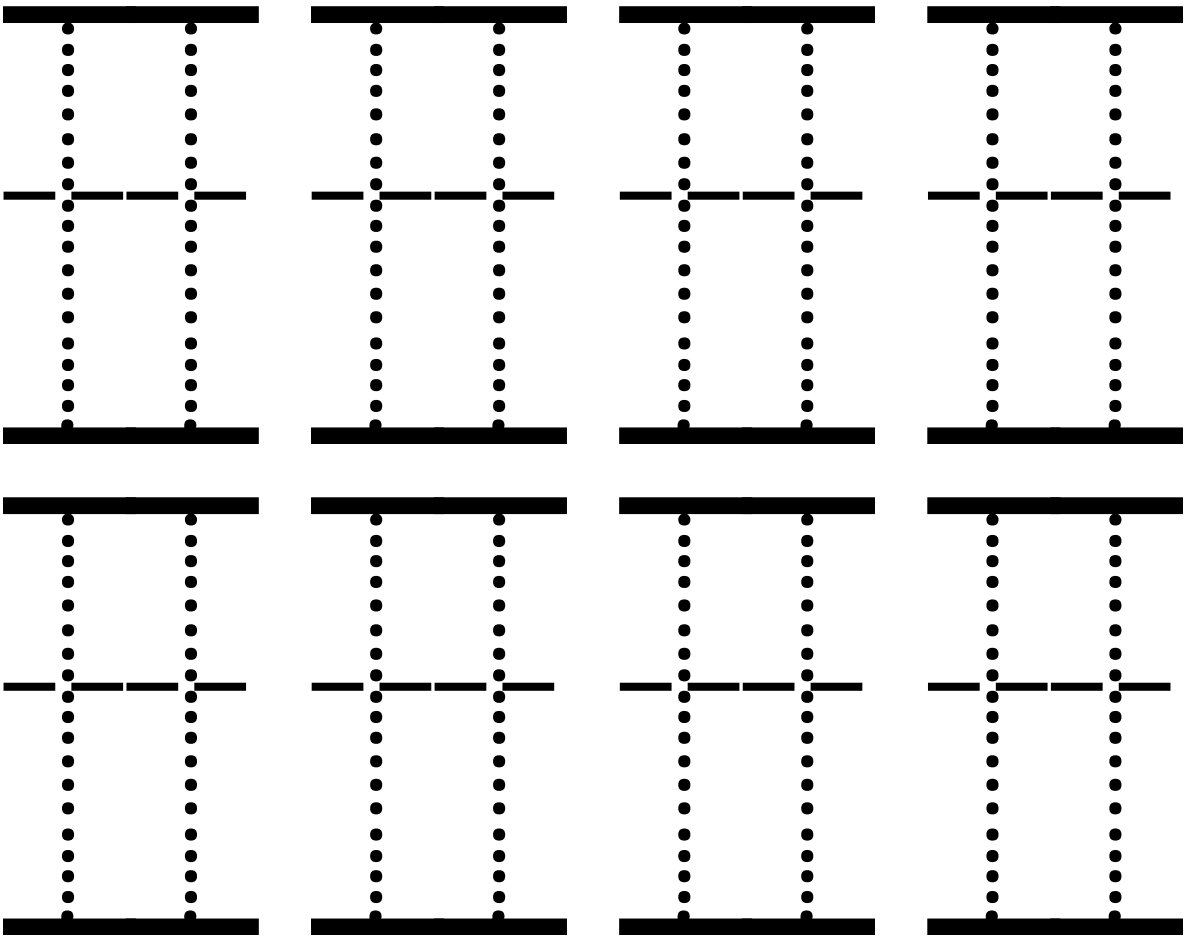

Connect the dots and write the number "11"

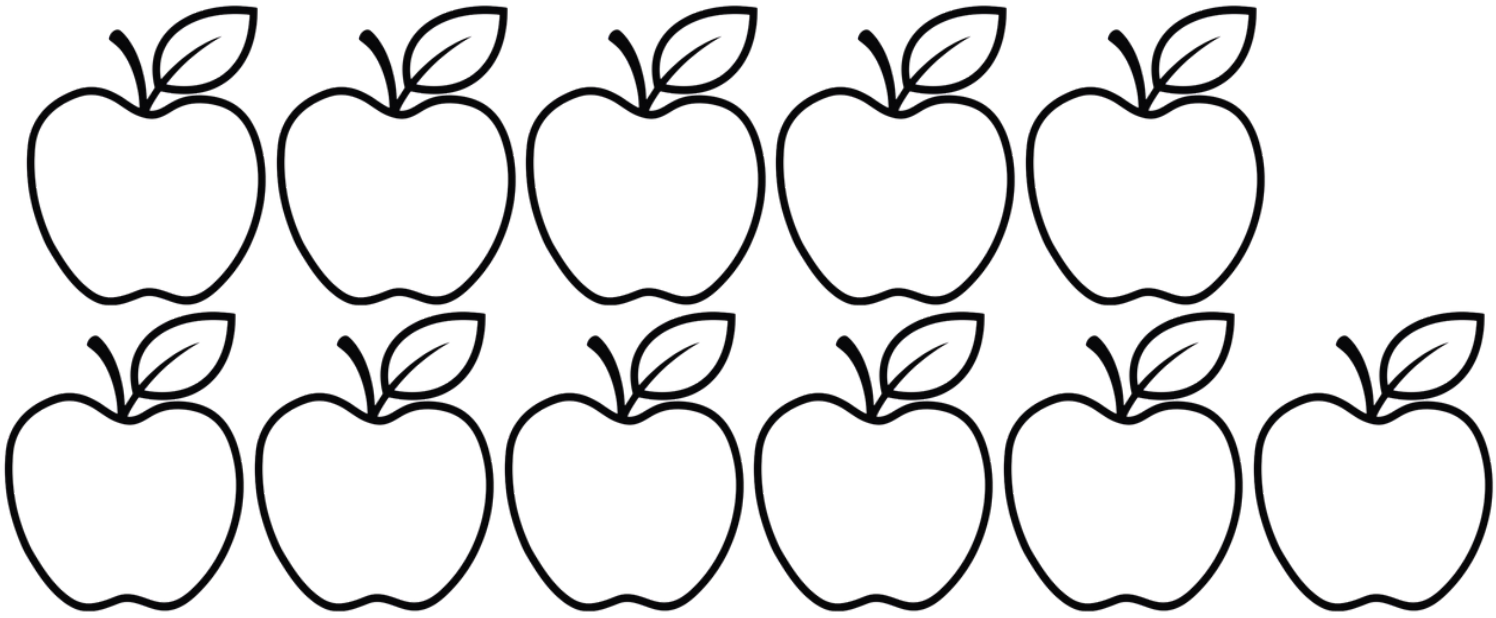

Name: _____

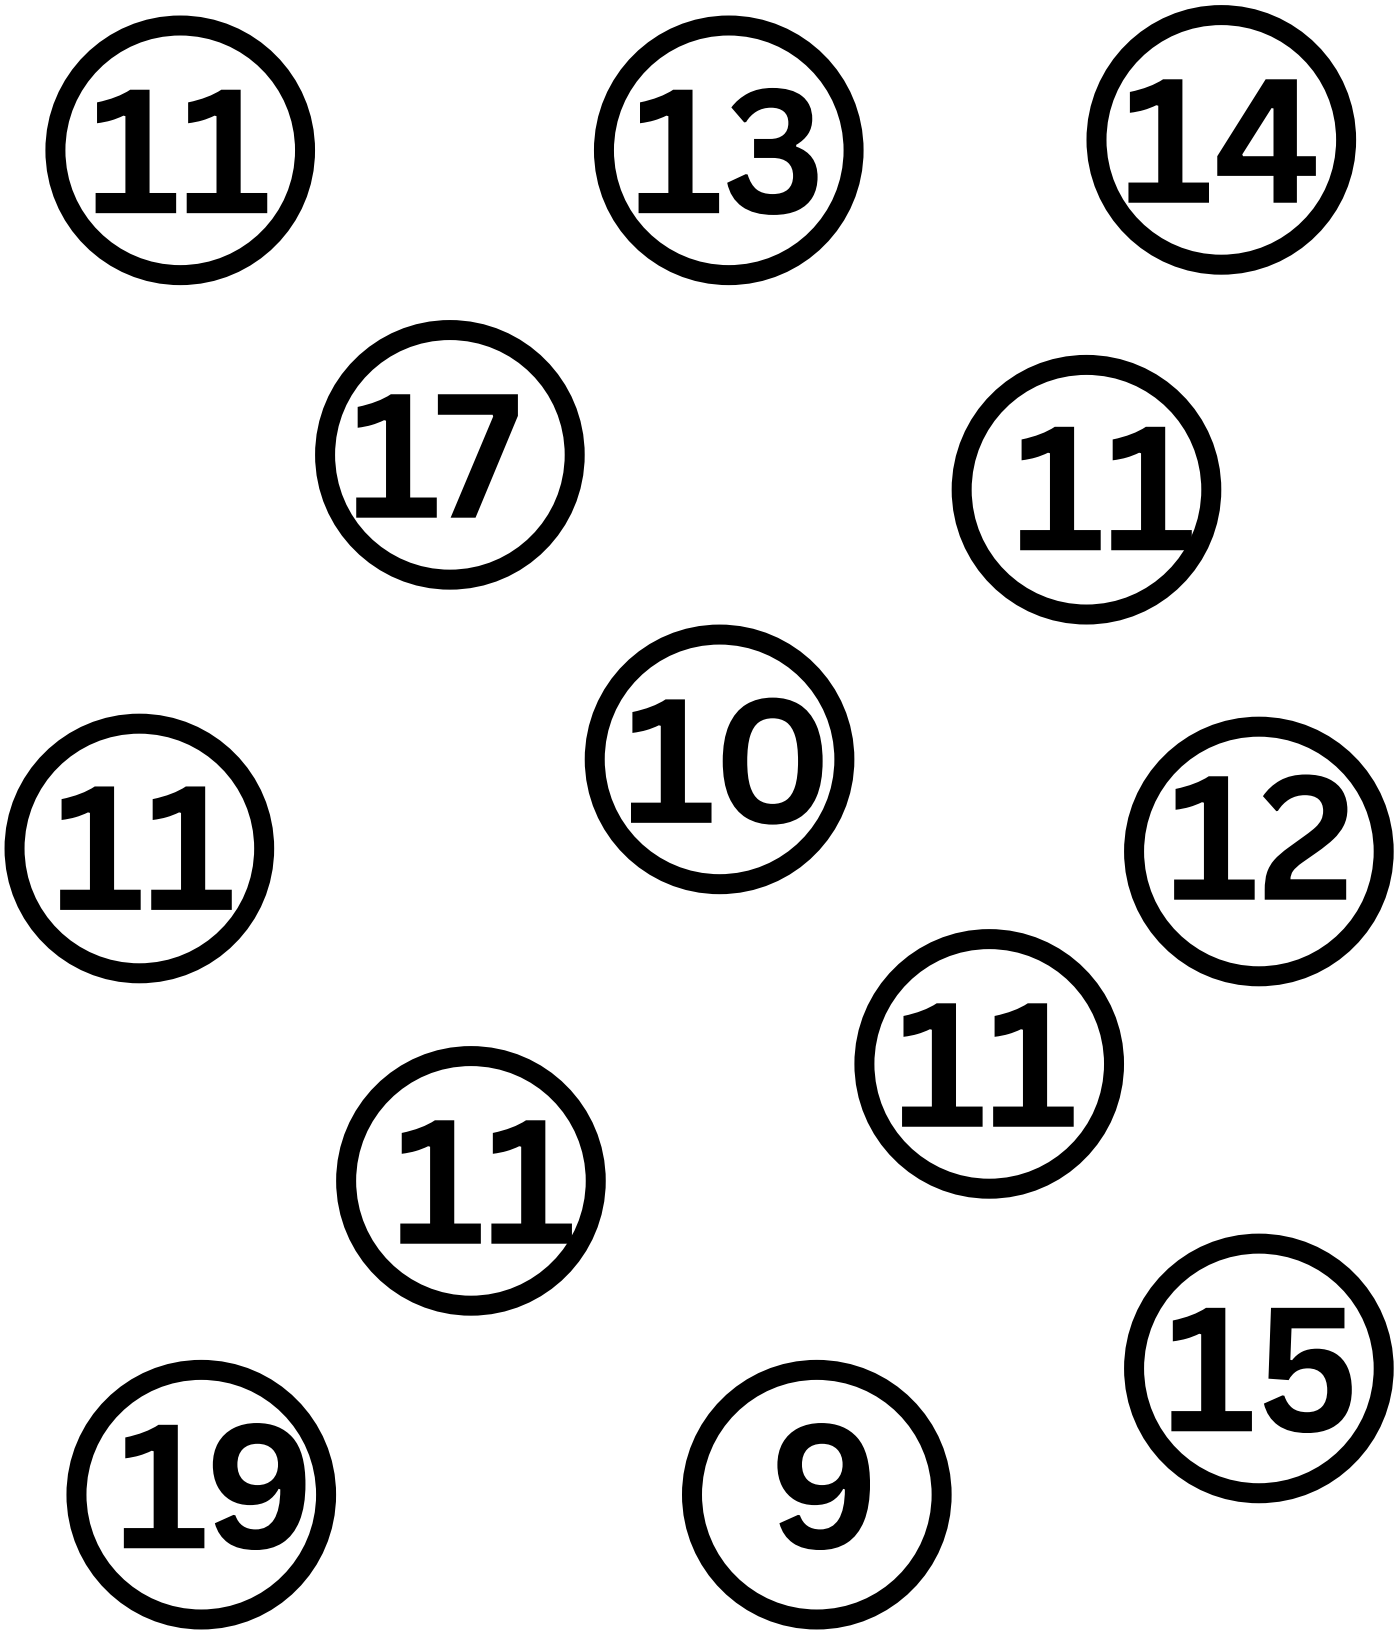

Connect the dots and write the number "11"

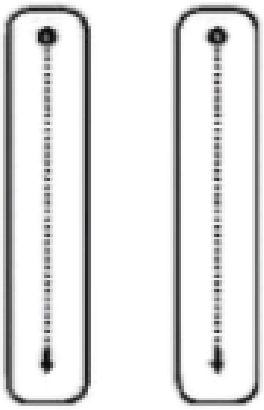

Name: _____

Color the circles with the number 11, green:

Name: _____

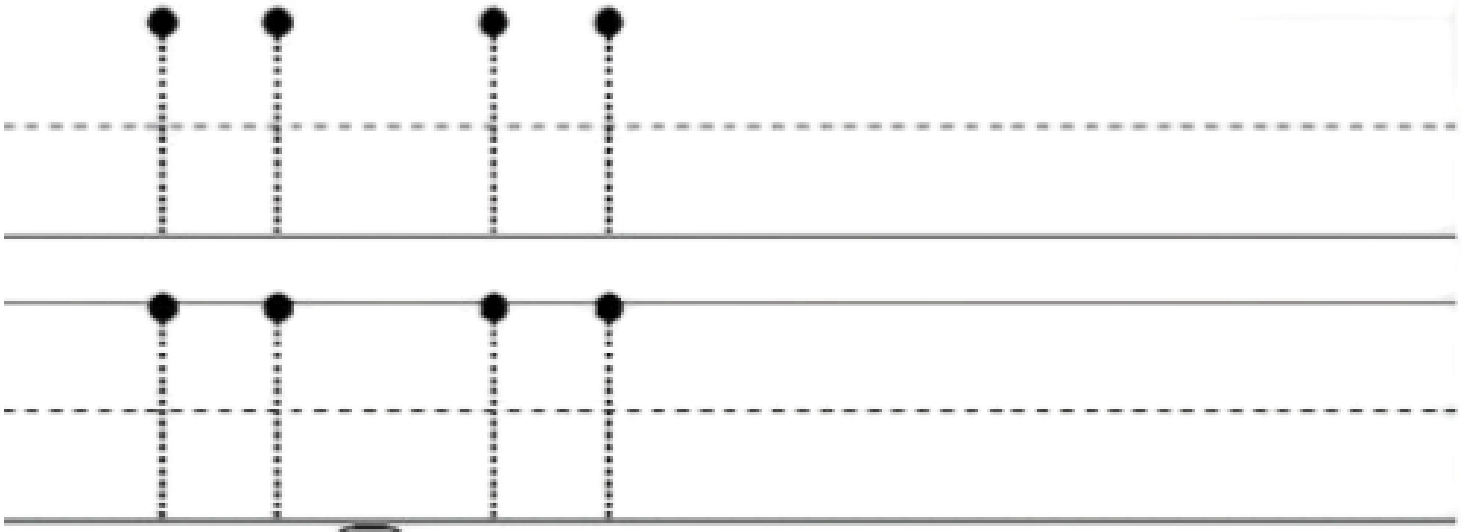

Number Review...

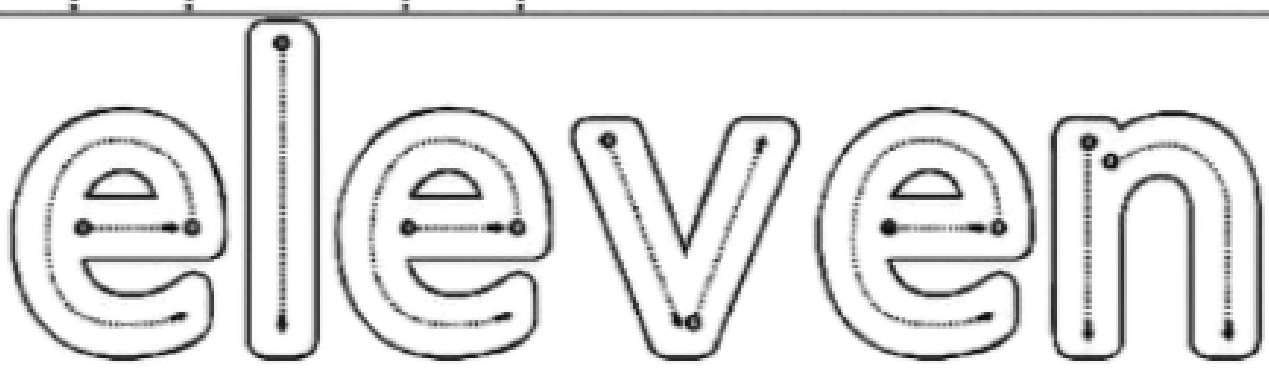

Find the number

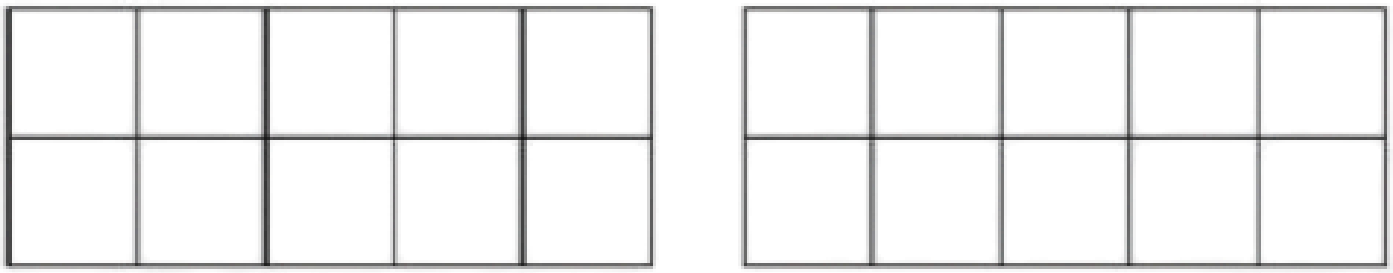

3	9	11	5	6	11
11	6	1	18	14	10
7	11	8	11	11	3

Trace & Write it

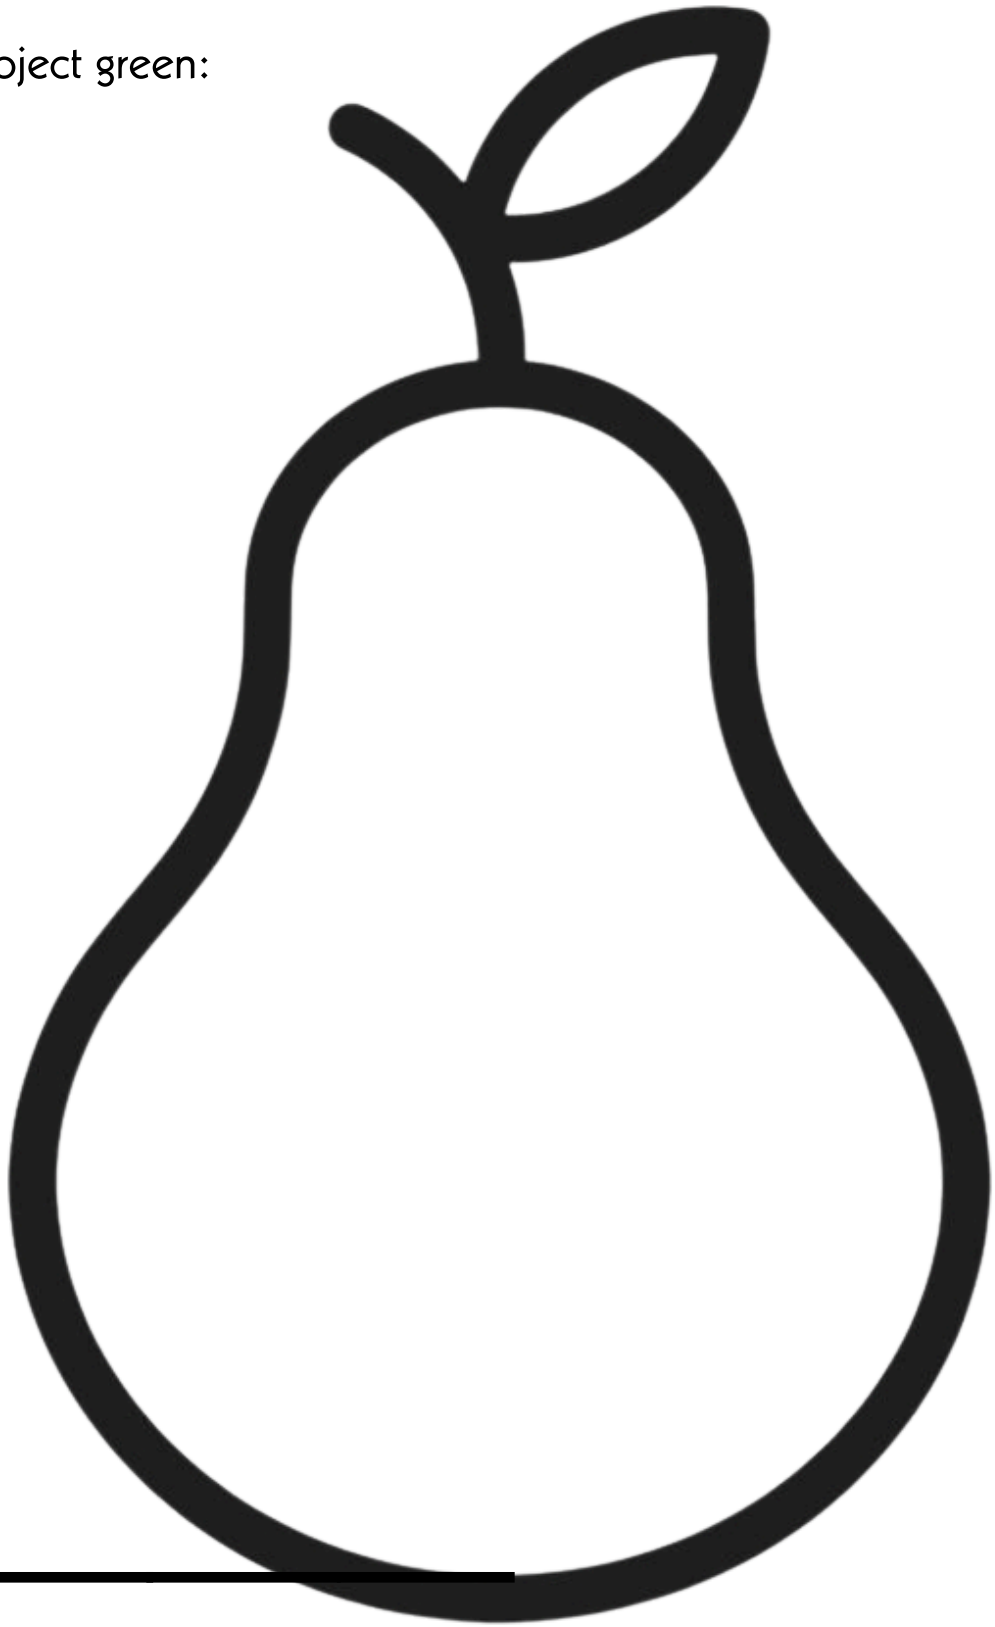

Draw 11 circles

Name: _____

Color the object green:

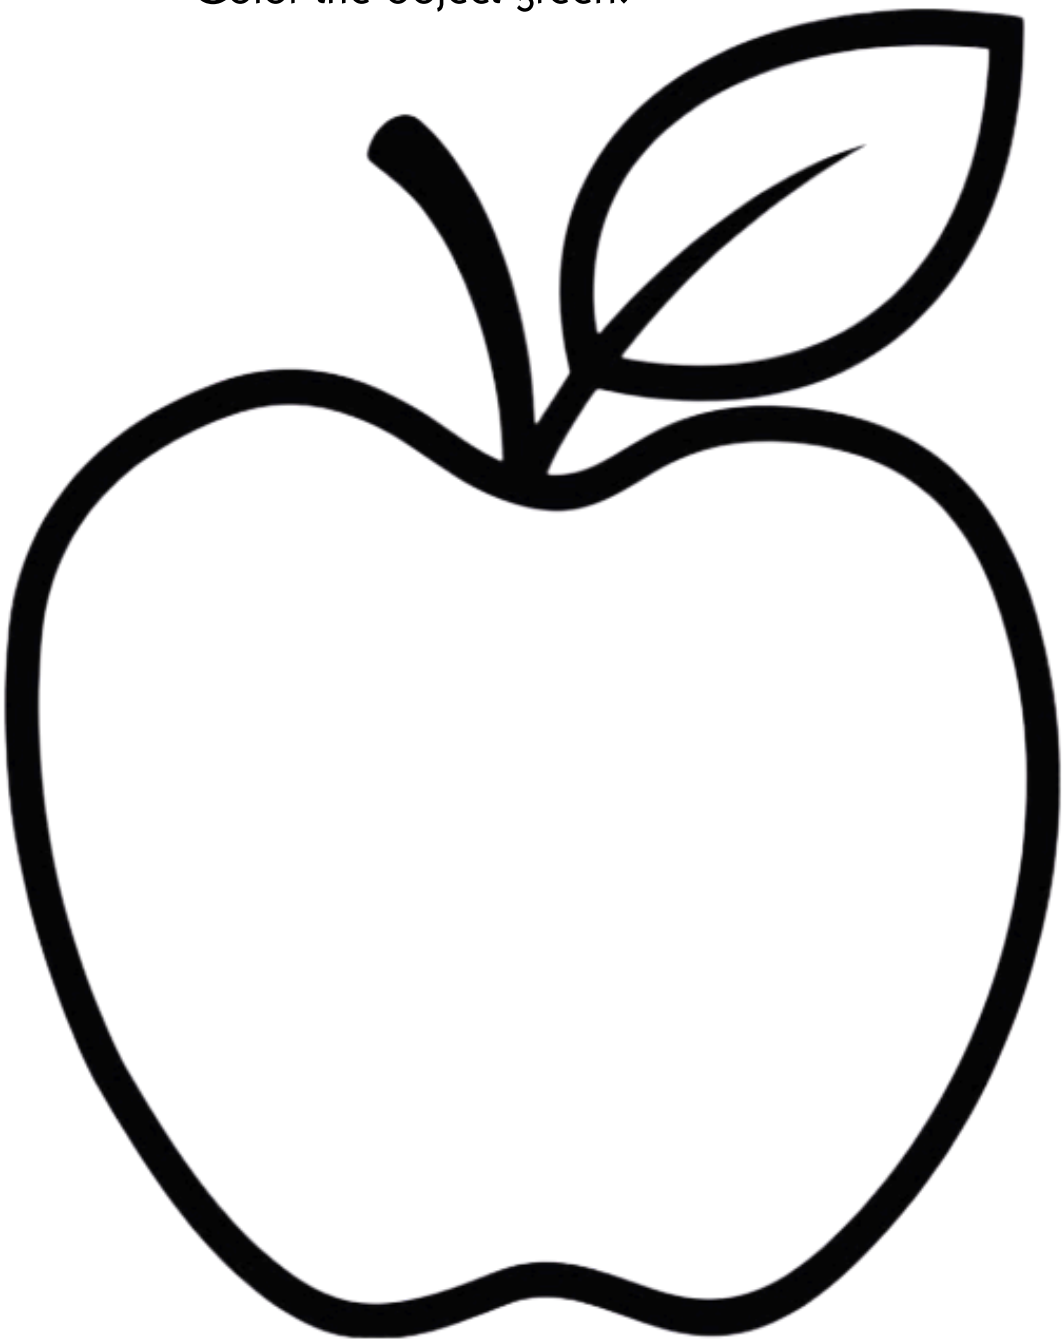

_____

pear

Name: _____

Color the object green:

apple

Name: _____

Color the scarf green:

scarf

Name: _____

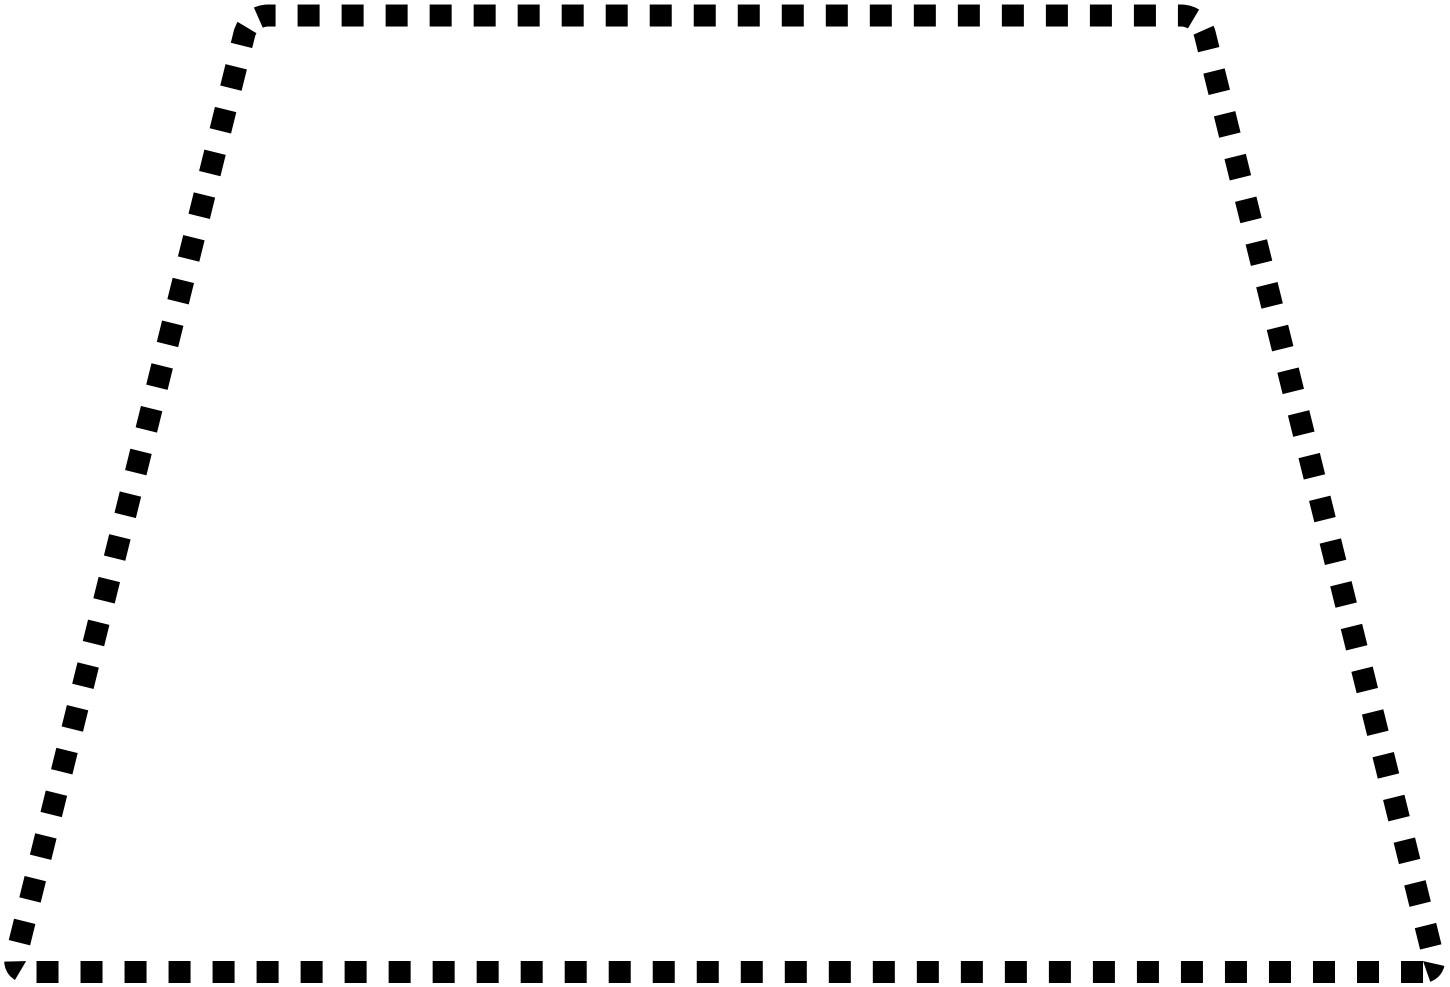

Color the leaf green:

leaf

Name: _____

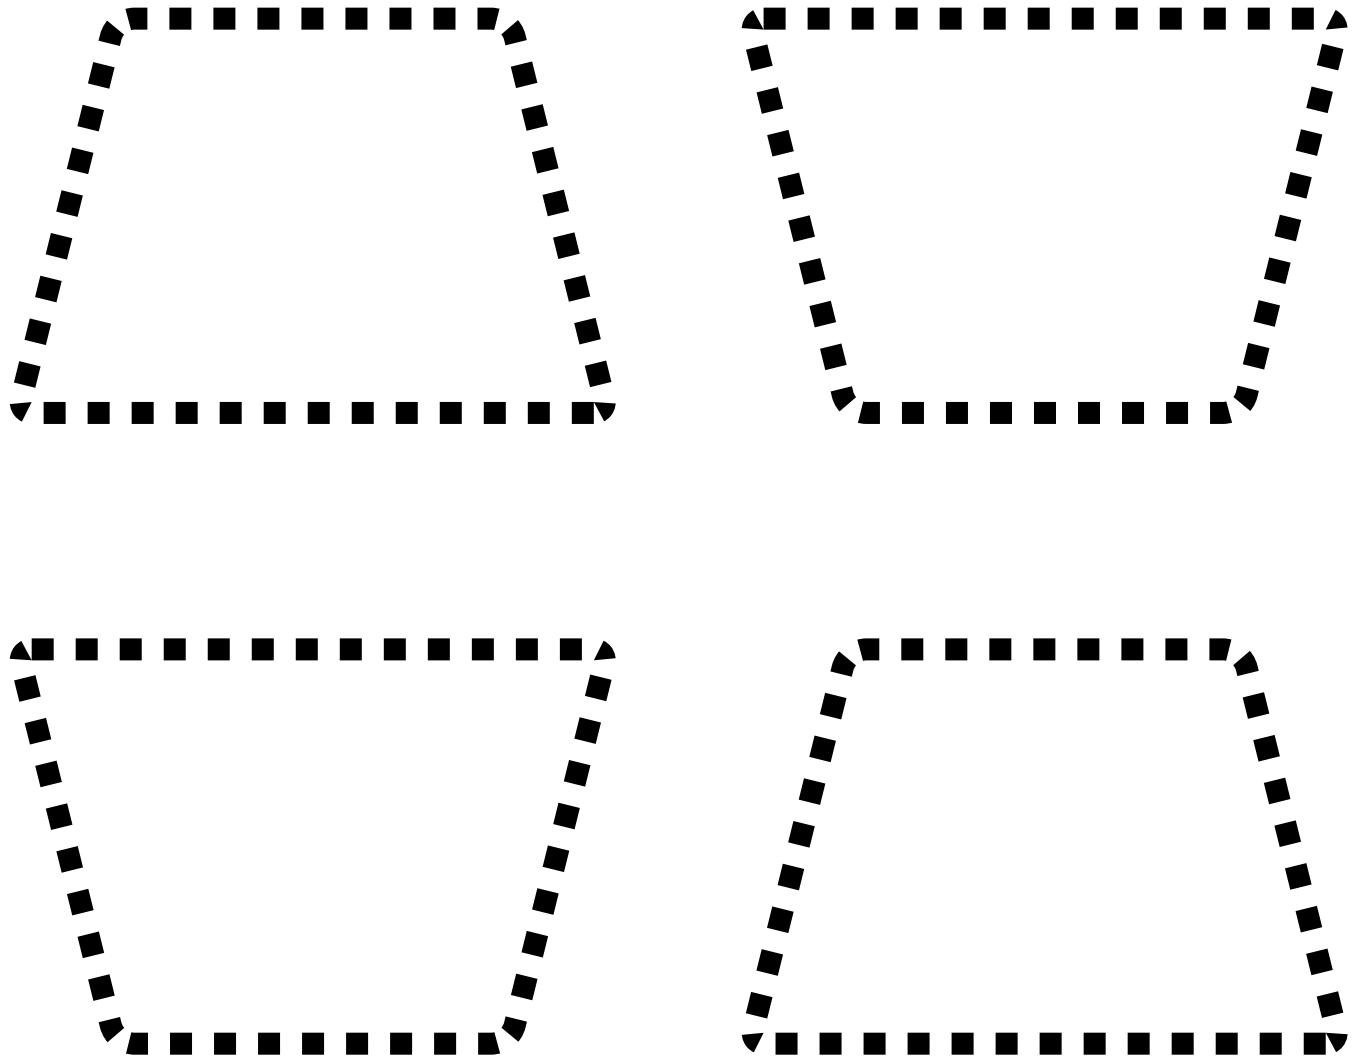

Connect the dots and show your trapezoid:

trapezoid

Name: _____

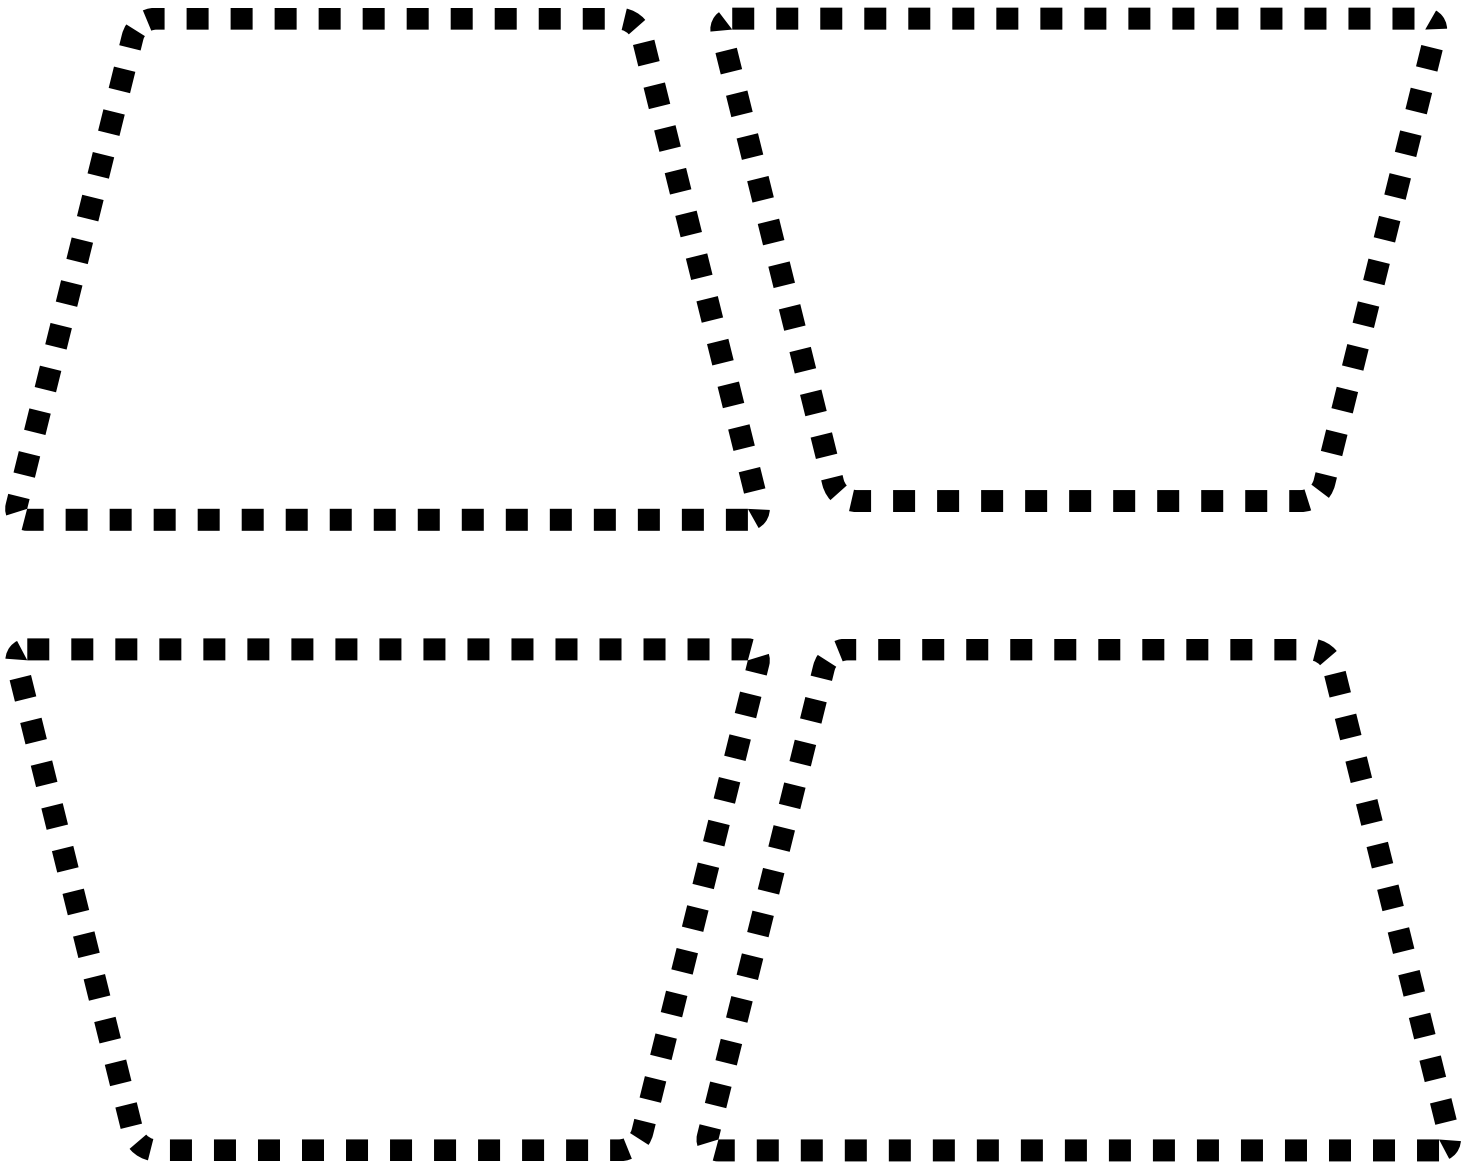

Connect the dots and show more of your trapezoid:

trapezoid

Name: _____

Connect the dots and color your trapezoid green:

trapezoid

Name: _____

Color your snowman the way you want it:

snowman

Name: _____

Decorate your snowman the way you want it:

My snowman
