Color: Yellow

Shape: Circle

Bright Stars Curriculum

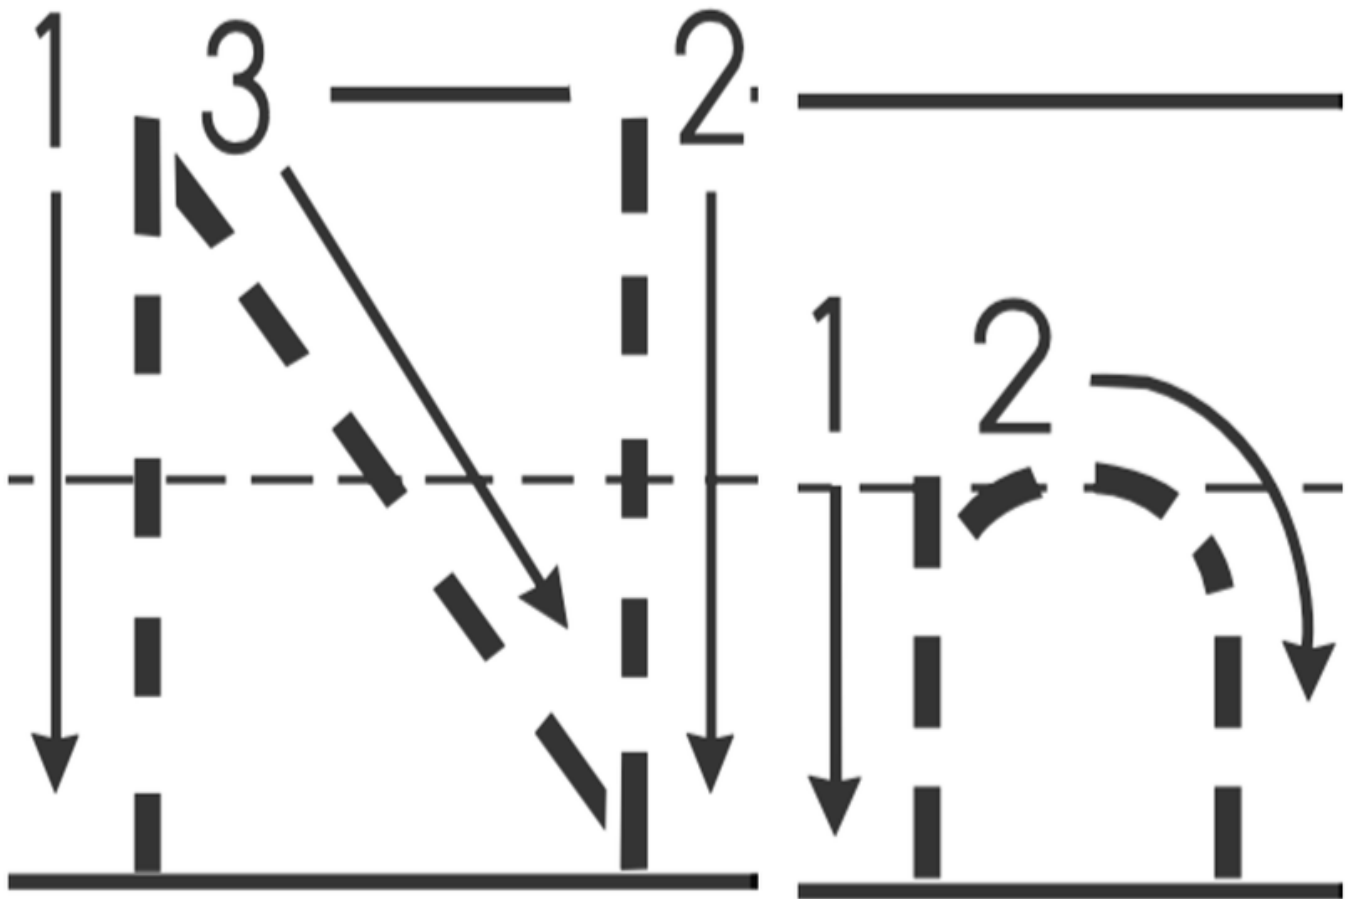

What is the importance of apples to young children?

An apple is a fundamental fruit in early childhood education because apples are highly familiar, seasonally relevant, and naturally engaging for young children. This is also an accessible, hands-on topic that provides a concrete foundation for teaching essential early learning concepts while encouraging curiosity.

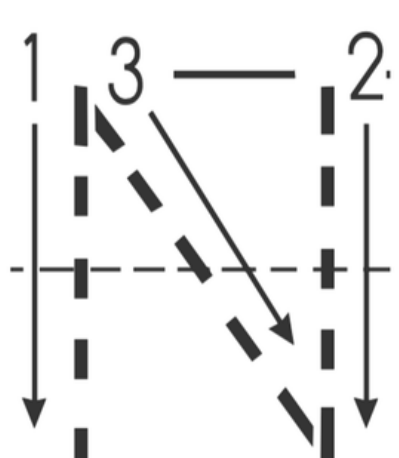

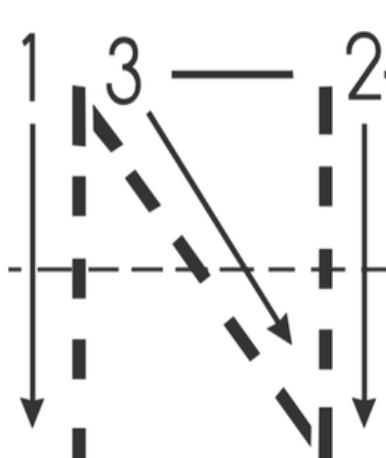

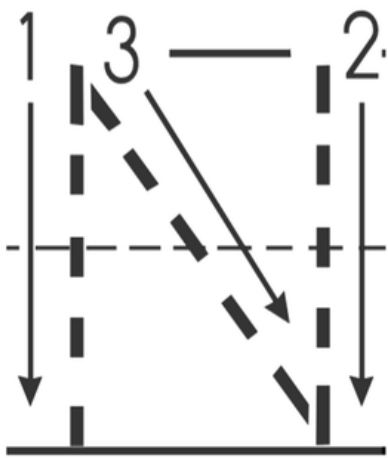

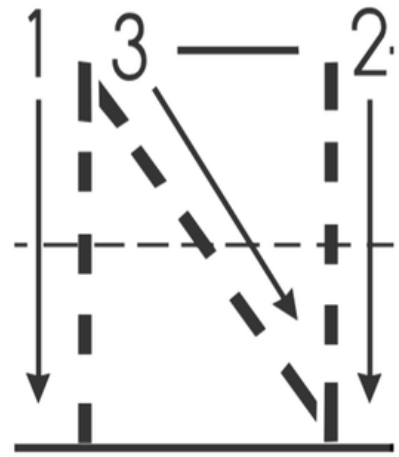

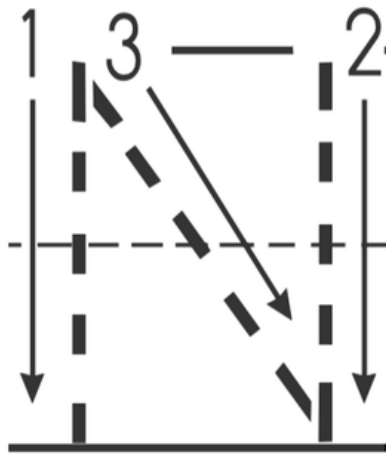

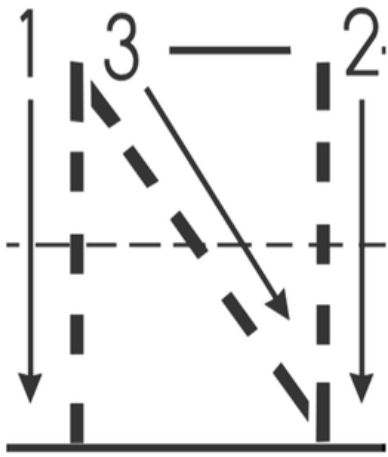

Name: _____

Trace the upper and lower case “n”

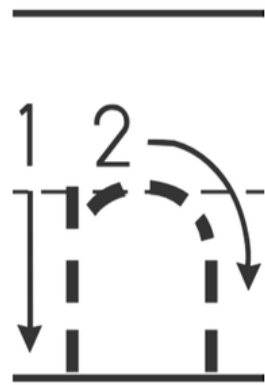

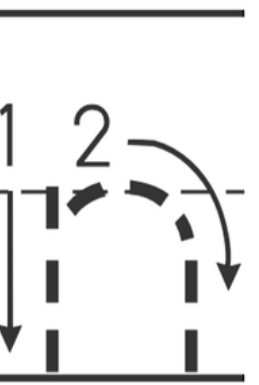

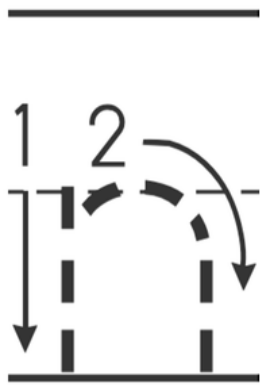

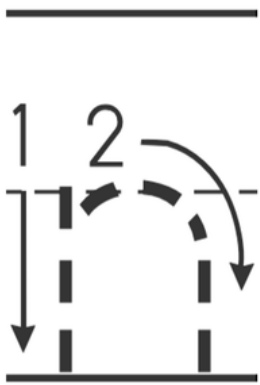

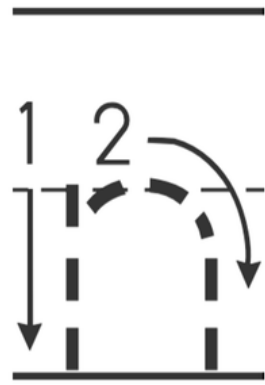

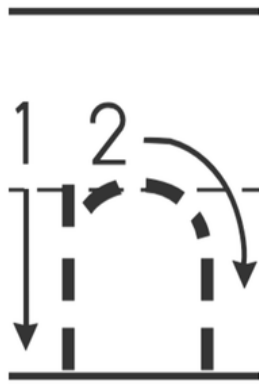

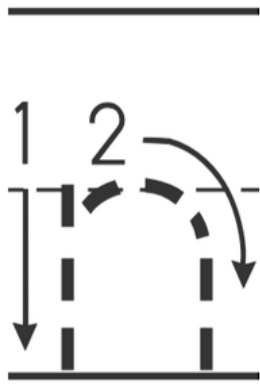

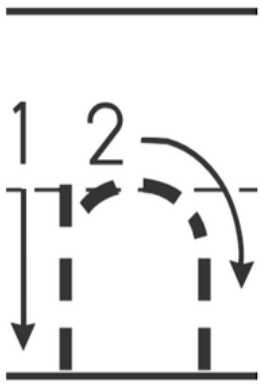

Name: _____

Trace the upper case “N”

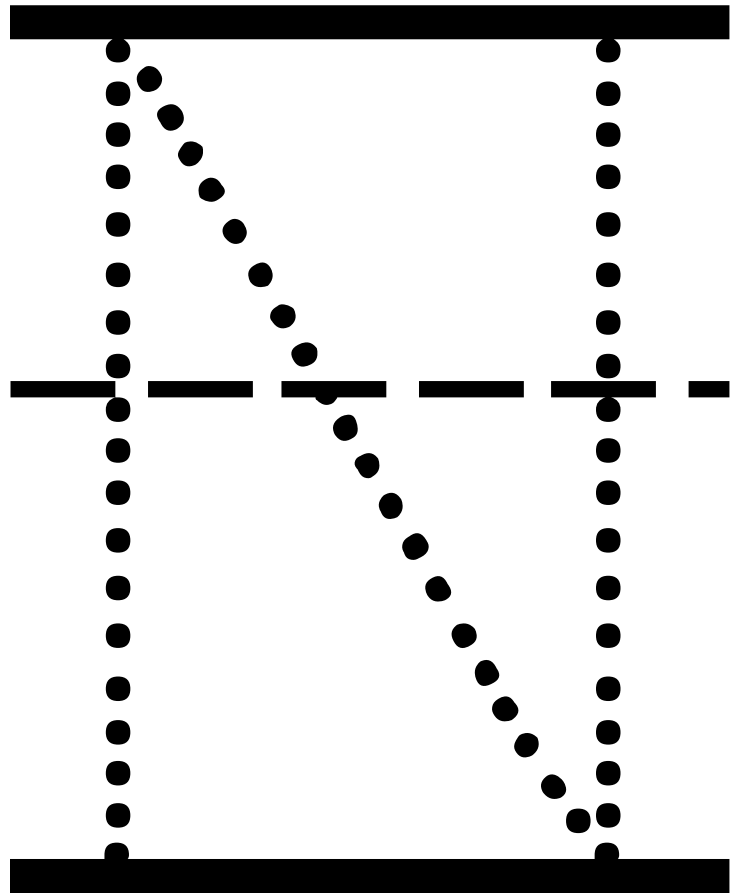

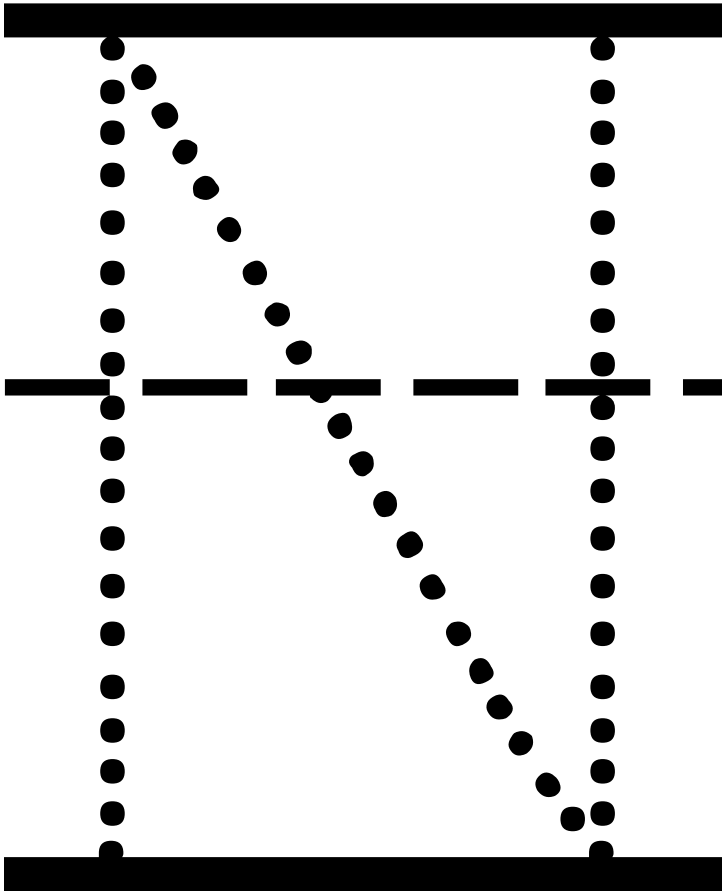

Name: _____

Trace the lower case “n”

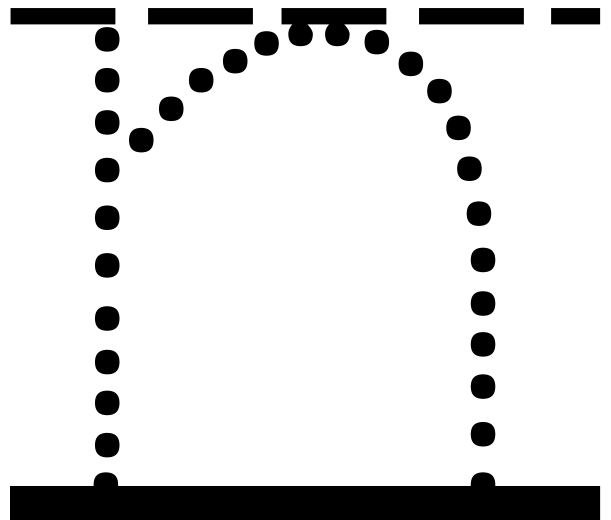

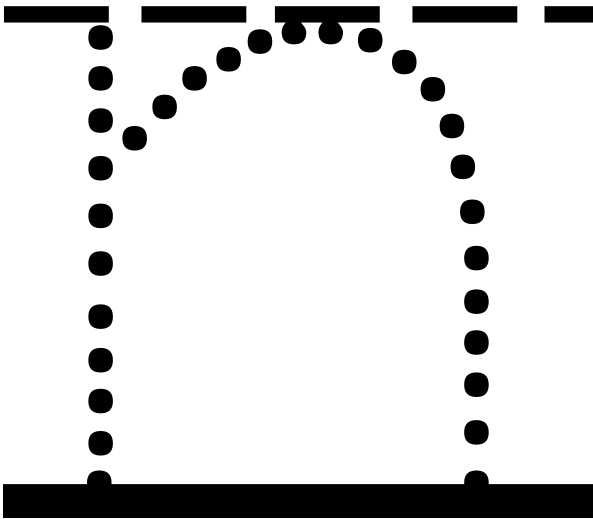

Name: _____

Connect the dots and form your “N”

Name: _____

Connect the dots and form your “N”

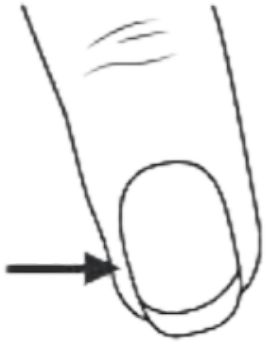

Name: _____

Using your crayon, trace the letter N

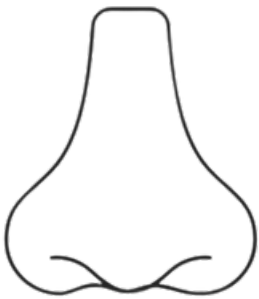

Name: _____

Let's learn some "n" words:

nail

nose

necklace

Name: _____

Let's learn more "n" words:

neck

nest

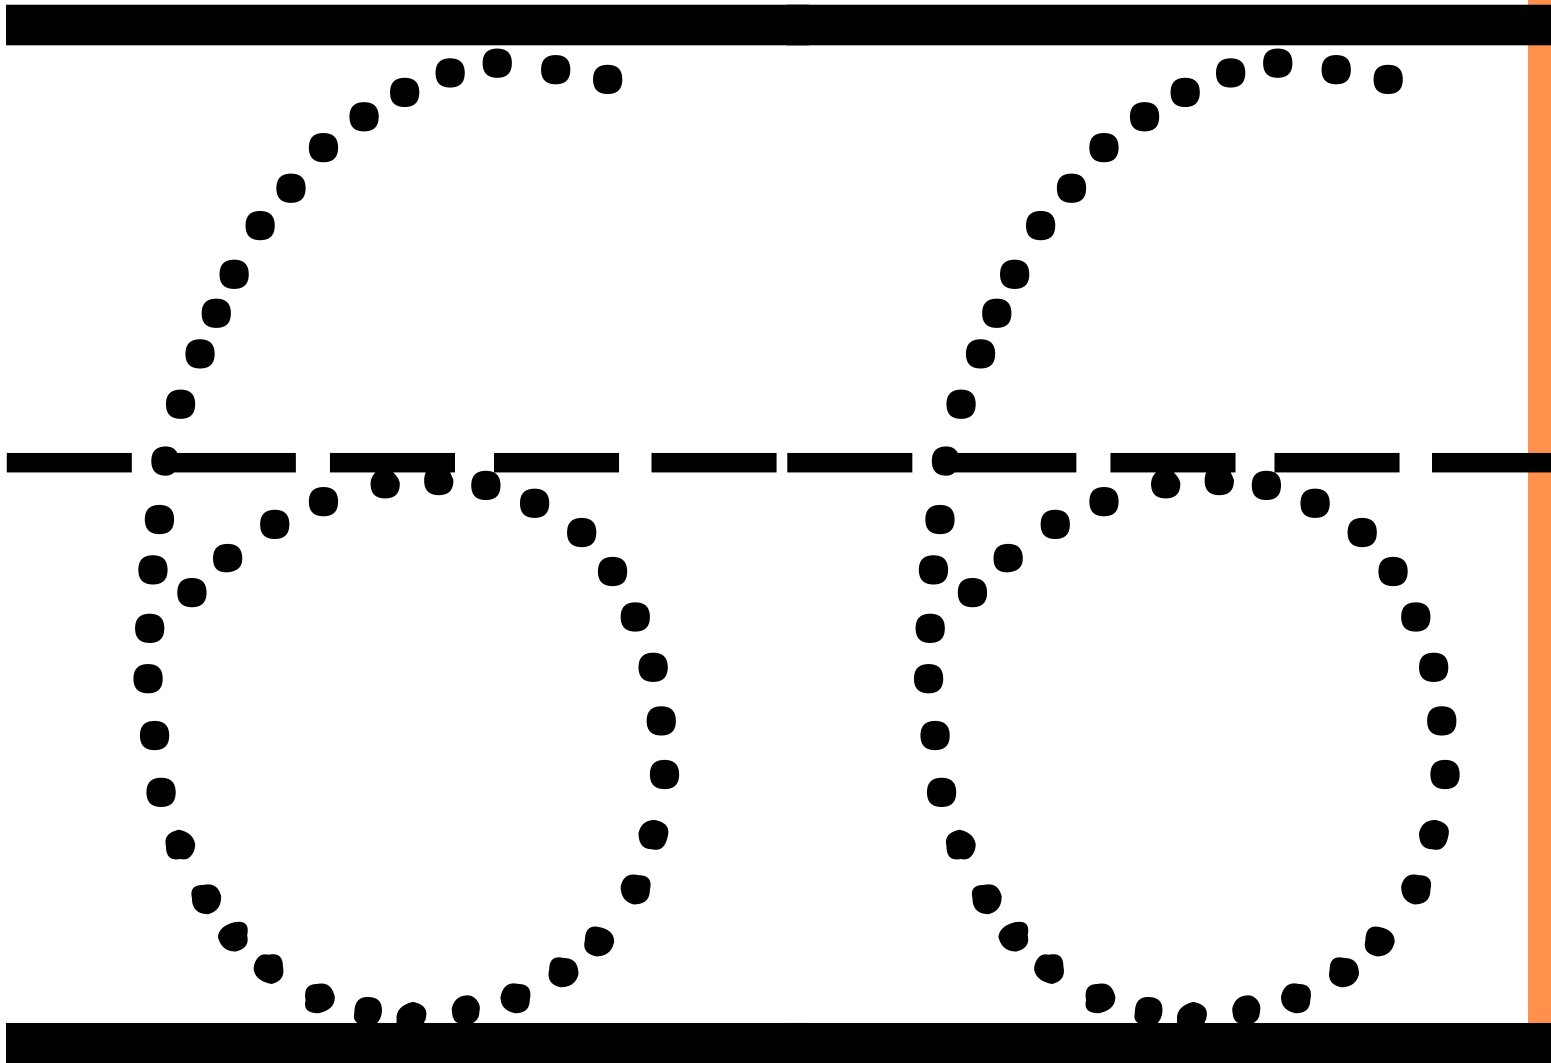

net

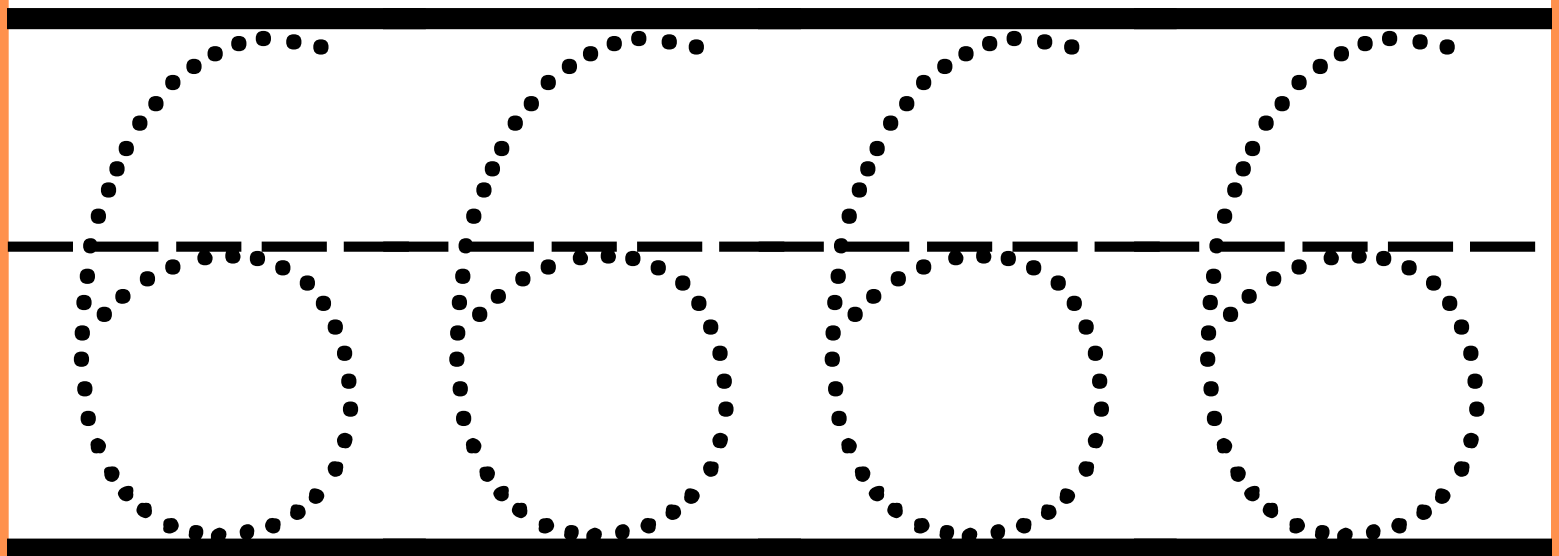

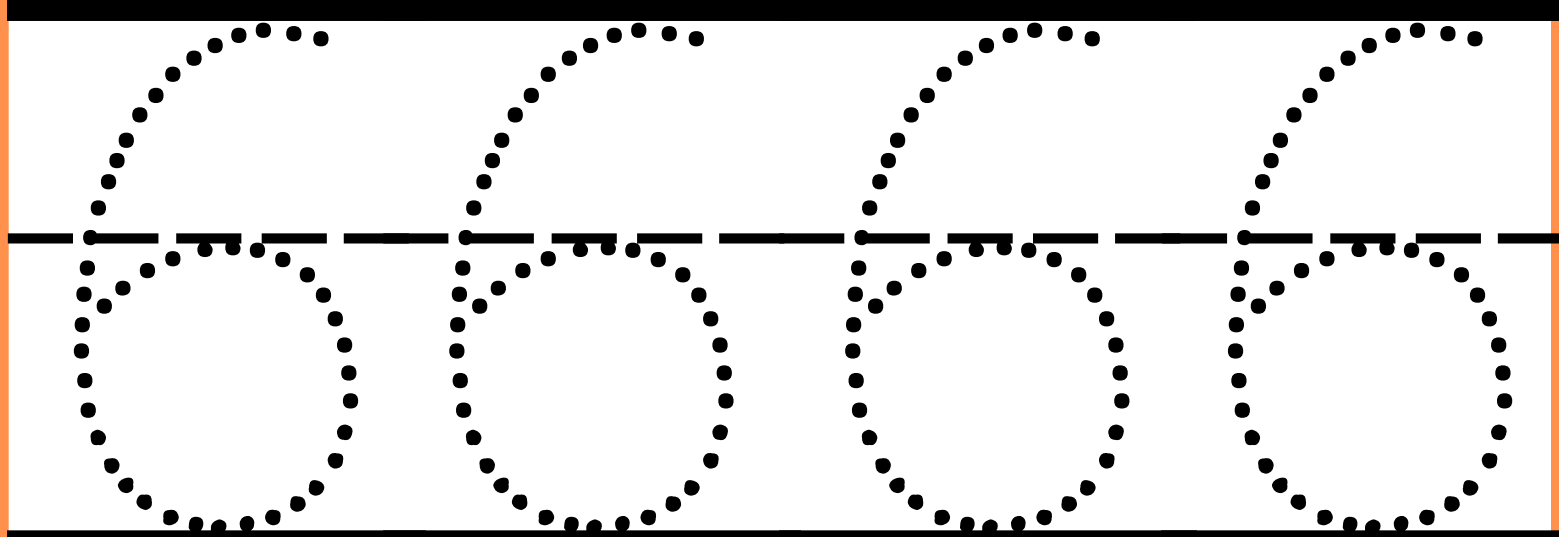

Name: _____

Connect the dots to form 6

Name: _____

Connect the dots to form more 6

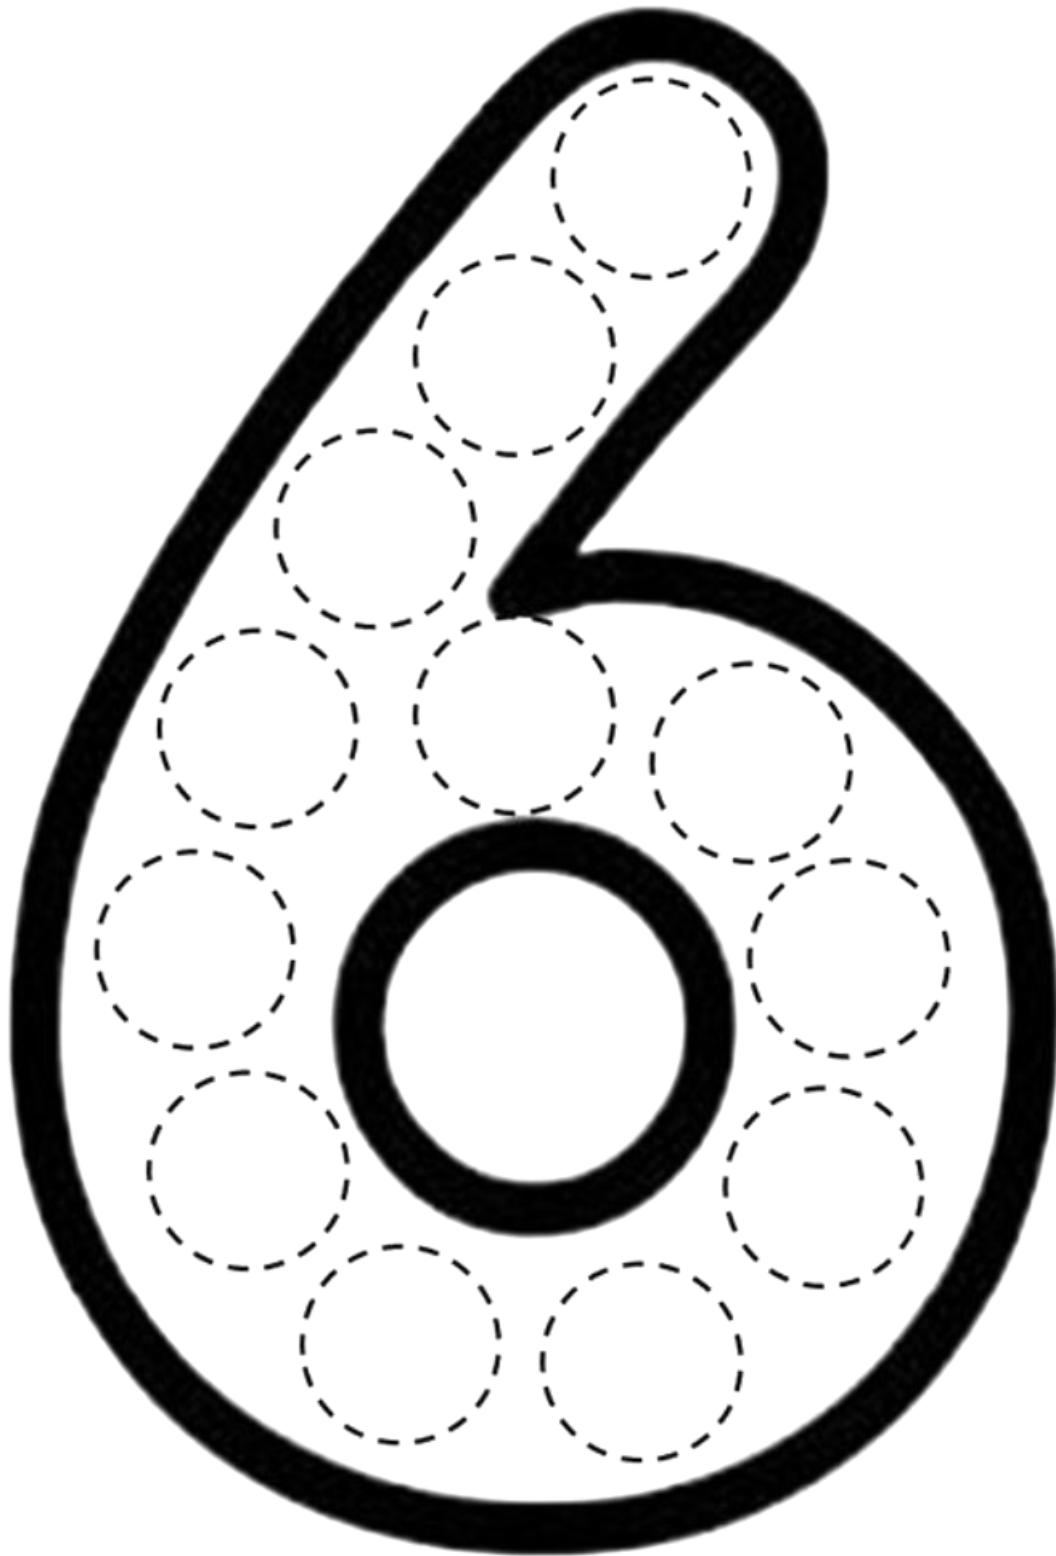

Name: _____
