

TO: Attorney General Mark Brnovich; Secretary of State Katie Hobbs; Governor Doug Ducey; the Arizona Legislature; Mayors; County, City and Town Officials; County, City and Town Councils and Boards of Supervisors; County, City and Town School Boards and Sheriffs.

FROM: We the People of Arizona

We address you today regarding your failures of leadership and failures to protect the fundamental rights of your constituents. We the people of this state have called, emailed, protested, shown up to school board and council meetings and committee hearings. With one voice, we demanded you preserve and protect our freedoms. We offered you ample opportunities to address these issues, yet you stood by while a tyrannical governor, overreaching mayors, and an unaccountable federal leviathan destroyed our state.

We demand that you answer for your inaction and we will continue to utilize all forms of communication to call attention to your failures and promote your impending removals from office. We have determined that if you are not standing up for all our freedoms, you are part of the problem. The Governor, Secretary of State, and legislators will now stand by and watch as we peacefully remove them from their respective positions.

Attorney General Brnovich, you recently brought attention in your social media post to your newfound intent to flex the authority afforded to you as Arizona Attorney General. For months, Arizonans have been calling for more action in protecting our freedoms. Only just now have you shown that you will represent the will of the people, so we will remind you that you have the choice to stand with us and fight to secure our constitutional freedoms or you can stand by while we also remove you.

We the People of the great state of Arizona demand Attorney General Brnovich agree to a meeting with us immediately.

How have you failed us?

-  You stood by while tyrants attacked our most basic rights to live and work freely, using fear and tyranny to lock us in our homes and attack our rights to bodily autonomy.
-  You stood by while jobs, schools, weddings, funerals, reunions, festivals, concerts and football games were shut down, yet [thousands freely marched in our streets](#) for months.
-  You stood by while small businesses were shattered. The [lockdowns closed about one-third of our small businesses](#) while those that survived saw their [revenue cut in half, having long lasting consequences](#) for our local and state communities; [meanwhile Amazon made record profits](#).
-  You stood by while our children were deprived of their education, were [muzzled by political pseudo-science](#), and school board [meetings were cut short](#) because parents came in protest of mask mandates.
-  You stood by while the [National School Board Association \(NSBA\) branded parents](#) who were exercising their rights by protecting and standing up for their children's rights when addressing elected school boards which are implementing radicalized political agendas and unlawful mandates in the classrooms a "form of domestic terrorism".
-  You stood by while federal and [state entities, namely the Arizona School Board Association \(ASBA\), are forcing local school board communities to fund ideologically charged programming in public schools](#), such as [Critical Race Theory \(CRT\)](#); while at the same time holding hostage dissenting school board members by staking out outlandish claims of legal control over the board's existing policy infrastructure.
-  You stood by and deprived Arizonans of their constitutional God-given and unalienable Rights respective to religious worship by enforcing mandates that were exclusive to religious entities and worship. Places of worship were coerced into compliance under the threat of losing their 501c exemption statuses.
-  You stood by while experimental drugs and the [most dangerous and deadly vaccines of \(at least\) the last 30 years](#) were forced upon us [under threat of economic ruin](#) and [harrasment](#).
-  You stood by while [incompetent mayors like Gallego, Romero, Deasy and Giles ignored our Governor's Executive Orders. They enforced illegal mandates relating to occupancy, masks, and vaccines](#) which gravely affected Arizonans and severely damaged our services industry.
-  You stood by while countless elected officials who swore to uphold our constitutional Rights and yet you ignored your constituents because they dared to question massive, serious, clear-as-day security issues in the November 3, 2020 election.
-  You stood by while our Secretary of State allowed us to vote on [outdated election machines](#) that have not been certified since 2017. In 2 weeks, we will be using the same uncertified machines!
-  You stood by while the Arizona audit [uncovered just how vulnerable](#) our [election systems are](#) and yet the people have not seen where any of you have taken ANY action to restore our faith in election integrity.
-  You stood by and [failed to secure our southern border](#) while [tens of thousands of unvetted and untested persons](#), were allowed to [freely enter Arizona](#) at [record levels which has not been seen in 21 years](#), which [threatens the public health and safety of the citizens of Arizona and the United States of America](#) and enabled [increased human trafficking, smuggling and illegal activities](#); thereby [applying great pressure in every way to the state's and nation's resources](#).
-  You stood by while watching "[the mother of all caravans](#)" and allowing the continued violations of our civil rights as taxpaying citizens of Arizona when [undocumented persons are not held to the same medical scrutiny](#) by [forcing vaccination and mask mandates on the citizens](#).

- 🇺🇸 You stood by and allowed the violation of our civil rights as citizens of Arizona and the United States of America by allowing social media corporations, such as Facebook and Twitter; to censor citizens and government agencies, who are tasked with the safety and security of Arizona citizens. Which resulted in [aiding criminals in human trafficking to operate within Arizona borders](#), thus leading to unsafe communities and an uneven standard of justice.
- 🇺🇸 You stood by as Arizonans continue to be penalized for choosing their own health care services and are compelled to participate in a health care system with services and treatments against their will, as thousands of residents work under threat of being terminated from their jobs unless they accept the Covid-19 vaccine. These actions are unconstitutional in our state under [Arizona Revised Statute \(A.R.S.\) § Article 27 Section 2](#), and yet you have failed to protect our express written state rights declared by [Arizona Revised Statute \(A.R.S.\) § 36-1301](#).
- 🇺🇸 You stood by as Dr. Anthony Fauci and the NIH lied about the origins of the virus. This led to precious lost response time and unknown consequences that still continue to cost untold Arizona lives.
- 🇺🇸 Perhaps most appallingly, you stood by and allowed the same corrupt FDA/CDC/NIH to [ban effective treatments for COVID in favor of more expensive experimental treatments that are killing people](#), not to mention [ignoring the effectiveness of natural immunity](#). These actions cost the lives of thousands of Americans, including hundreds of Arizonans whose blood is on your hands.

It does not matter what other victories you have achieved when you have not stepped up to fight the biggest and most important issues in American history. Up to now, you have failed this state. You have failed this country. You have failed the people. We no longer consent to your failed governance.

In closing, you stood by while the citizens you swore to protect were deprived of their constitutional God-given unalienable Rights secured through the blood, sweat, and tears of our founding fathers *and* mothers. Now you can step forward, resign or stand by and watch while we remove every one of you from your position and take back our beloved state. Your time is up.

Regards,

We the People of Arizona
