

YOU STOOD BY

TO: Attorney General Chris Carr, Secretary of State Brad Raffensperger, Governor Brian Kemp, The Legislature of Georgia, Mayors, City Councils, School Boards, and Sheriffs

FROM: We the People of Georgia

We address you today regarding your failures of leadership and failures to protect the fundamental rights of your constituents. We the People of this state have called, emailed, protested, shown up to school boards, council meetings, and committee hearings. With one voice, We demanded you preserve and protect our freedoms. We offered you ample opportunities to address these issues, yet **you stood by** while overreaching politicians and an unaccountable federal leviathan destroyed our state.

We demand that you answer for your inaction, and We will continue to utilize all forms of communication to call attention to your failures and promote your impending removals from office. We have determined that if you are not standing up for all our freedoms, then you are part of the problem. The Governor, Secretary of State, and legislators will now stand by and watch as we peacefully remove them from their respective positions.

AG Carr, you have a choice to stand with us and fight to secure our constitutional freedoms, or you can stand by while we also remove you. **We the People of Georgia** demand you STOP all tyrannical policies immediately.

How have you failed us?

🇺🇸 You stood by while tyrants attacked our most basic rights to live and work freely, using fear and tyranny to lock us in our homes and attack our rights to bodily autonomy.

🇺🇸 You stood by while jobs, schools, weddings, funerals, reunions, festivals, concerts, and football games were shut down, yet thousands freely marched/rioted in our streets for months.

🇺🇸 You stood by while our kids were deprived of their education by closures, were muzzled by political pseudo-science for money, and school board meetings were cut short because parents came in protest of mask mandates.

🇺🇸 You stood by while small businesses were shattered, meanwhile Amazon and Walmart made record profits.

🇺🇸 You stood by while experimental drugs and the most dangerous and deadly vaccines of (at least) the last 30 years were forced upon us at the gunpoint of economic ruin.

🇺🇸 You stood by as occupancy, mask, and vaccine mandates from incompetent mayors like Keisha Bottoms and Van Johnson disproportionately crushed the African-American community, and continue to do so.

🇺🇸 You stood by while the lockdowns closed almost half of our small businesses for good. As with the vaccines mandates, African Americans and Latinos were especially hard-hit.

🇺🇸 You stood by while countless elected officials who swore to uphold our constitutional freedoms labeled your constituents as conspiracy theorists because they dared to question massive, serious, clear security issues in the November 3, 2020 election.

🇺🇸 You stood by while our Secretary of State allowed us to vote on outdated election machines that have not been certified since 2017. On November 2nd we will be using the same uncertified machines! Early voting has already begun.

🇺🇸 You stood by while the Arizona audit uncovered serious problems with the 2020 election and allowed a Georgia judge to seal critical testimony by a cyber security expert on the vulnerability/ease of hacking of our own Dominion machines, and yet the people have not seen where any of you have taken ANY action to restore our faith in election integrity. **Where is OUR forensic audit?**

🇺🇸 You stood by as Dr. Anthony Fauci and the NIH lied about the origins of the virus. This led to precious lost response time and political pressure on China that cost Georgia many lives.

🇺🇸 Perhaps most appallingly, you stood by and allowed the same corrupt FDA/CDC/NIH to ban effective treatments for COVID, like Ivermectin and hydroxychloroquine, in favor of more expensive experimental treatments that are killing people. These actions cost the lives of thousands of Americans, including hundreds of Georgians whose blood is on your hands.

It does not matter what other victories you have achieved when you have not addressed the biggest and most important fights in our history. You have failed this state. You have failed this country. You have failed the People. We no longer consent to your failed governance.

In closing, **YOU STOOD BY** while the citizens you swore to protect were deprived of the constitutional rights secured through the blood, sweat, and tears of our forefathers and foremothers. Now you can resign or stand by and watch while we remove every one of you from your position and take back our beloved state. **Your time is up.**
