

**TO:** Attorney General Clare Connors; Governor David Ige; Chief Election Officer Scott Nago; the Legislature of Hawaii; Mayors Rick Blangiardi, Derek Kawakami, Mitch Roth, Michael Victorino; The Board of Education; all council members of Honolulu, Kauai, Hawaii, and Maui **FROM:** We the People of Hawaii

We address you today regarding your failures of leadership and failures to protect the fundamental rights of your constituents. We the people of Hawaii have called, emailed, protested, sent FOIA requests, filed a Writ of Mandamus, TRO's, participated in council meetings, and committee hearings. With one voice, we demanded you preserve and protect our freedoms. We offered you ample opportunities to address these issues, yet you stood by while a tyrannical governor, overreaching mayors, and other state public servants have collaborated with a federal leviathan, big pharma, news media and big tech to destroy our state.

We have determined that since you are not standing up for all our freedoms, you are part of the problem. We demand that you answer for your inaction, and we will continue to utilize all forms of communication to call attention to and expose your failures and promote your impending removals from office. The Governor and legislators will now stand by and watch as we peacefully remove you from your respective positions.

Attorney General Connors, you are the chief law enforcement officer for our state. We are serving you notice that you have failed in your duties to the people you were elected to serve. You are in violation of your oath to the U.S. and Hawaii constitutions. You have a choice to stand with us and fight to secure our constitutional freedoms or you can stand by while we also remove you. We The People of the great state of Hawaii demand that you agree to a meeting with us immediately.

### **How have you failed us?**

1. You stood by while [tyrants attacked our most basic rights to live and work freely](#), using fear and tyranny to lock us in our homes and threaten our rights to bodily autonomy.
2. You stood by while our demands for robust scientific debate were discounted. Gov Ige suspended Sunshine Laws allowing life shattering decisions to be wielded upon us without transparency. Was this done to coordinate and propagandize a corrupt agenda? The sun will shine again, exposing all betrayals and coverups.
3. You stood by while jobs, schools, weddings, funerals, reunions, festivals concerts and sports events were shut down or wrought with mandates, while many of you ignored these restrictions. See [Here\(1\)](#), [Here\(2\)](#), [Here\(3\)](#), and [Here\(4\)](#).
4. You stood by while our Keiki were deprived of their education, [deprived of oxygen](#) from being [muzzled](#) by [political pseudo-science](#) and parents were universally deprived of face-to-face contact with the Board of Education.
5. You stood by as occupancy, mask and vaccine mandates from mayors caused [local business to shutter](#). Meanwhile, [Amazon made record profits](#), as did other big box stores. Much of our cultural heritage is lost forever as many of our local treasures are closed forever. See [Here\(5\)](#), and [Here\(6\)](#).
6. You stood by as high school students were required to be vaccinated in order to play sports, as were coaches and staff. At the same time, parents were disallowed from participation unless vaccinated.
7. You stood by while private and public employers and universities forced their students/employees to choose between their education/job and [their health](#) and/or [their religious beliefs](#).
8. You stood by while our rights under HIPPA and ADA were violated through the use of vaccine passports and the Safe Travels Program that required us to submit personal data and subjected us to illegal invasive medical procedures.
9. You stood by while experimental drugs and the [most dangerous](#) and [deadly vaccines of \(at least\) the last 30 years](#) were forced upon us at the gun of economic ruin.
10. You stood by while true herd immunity was stolen from us without our consent, as the CDC [failed to rebut the clear, consistent and irrefutable science demonstrating the superiority of natural immunity compared to vaccine immunity](#).
11. You stood by while Chief Election Officer Scott Nago allowed us to vote on election machines with hardware and software that [were not properly certified by the EAC](#). We cannot use these machines in the next election.
12. You stood by while the [Arizona election audit](#) uncovered just how vulnerable our election systems are and yet We The People have not seen where any of you have taken ANY action to restore our faith in election integrity. We demand a full forensic audit now.
13. You stood by as [Anthony Fauci lied](#) and the [NIH lied](#) about the origins of the virus. He lied about gain of function research and not one of you has held him to account. This led to precious lost response time and political pressure on China that cost Hawaiians their lives and many more their livliehoods.
14. You stood by and allowed the FDA/CDC/NIH to [ban effective treatments for covid-19](#) in favor of more expensive [experimental treatments that are killing people](#). These actions cost the lives of thousands of Americans, including hundreds of our beloved community, whose blood is on your hands.
15. You stood by and allowed a hospital stay to become a death sentence, whereas early, effective and proven treatments and cures could have prevented the emergency. [Once hospitalized, vulnerable and isolated patients are subjected to "covid-19 protocols"](#) and are denied valid and appropriate medical care.
16. You are standing by yet again as the [FDA supports vaccination of our Keiki](#). The [Hawaii DOH is rushing to administer it without fulfilling the scientific due diligence required](#) to protect our Keiki from crimes against humanity.
