

Letter From Idaho

OFFICIAL NOTICE

ATTENTION: Governor Brad Little, Attorney General Lawrence G. Wasden, Secretary of State Lawrence Denney, The Legislature of Idaho, US Representatives and Senators, Mayors, City Councils, County Judges, County Commissioners, School Boards & Sheriffs:

We address you today regarding your failures of leadership and failures to protect the fundamental rights of your constituents of the state of Idaho. We the people of Idaho have called, emailed, protested, shown up to schoolboards, council meetings, and committee hearings. We have filed Writs of Quo Warranto, as is our RIGHT under the Idaho Constitution. We have filed a writ of mandamus, with multiple states citizens affidavits attached in support, to compel you to honor your oath. With one voice, we demanded you preserve and protect our freedoms by adhering to your oaths of office. You have been offered ample opportunities to address these issues, yet you stood by while a tyrannical governor, inept Legislature, overreaching mayors, and unaccountable federal leviathan destroy our state.

We demand that you answer for your inaction, and we will continue to utilize all forms of communication to call attention to your failures and promote your impending removals from office. We have determined that if you are not standing up for all our freedoms, you are part of the problem. The governor, secretary of state, and legislators will now stand by and watch as we peacefully remove them from their respective positions.

Attorney General Wasden, you have a choice to stand with us and fight to secure our Constitutional freedoms or you can stand by while we also remove you. We The People of the Great State of Idaho demand you agree to a meeting with us immediately.

How have you failed us?

- ★ You stood by while tyrants attacked our most basic rights to live and work freely, using fear and tyranny to lock us in our homes and attack our rights to bodily autonomy.
- ★ You stood by while jobs, schools, weddings, funerals, reunions, festivals, concerts and football games were shut down, yet thousands freely marched and rioted in our streets in Idaho and across the United States for months.
- ★ You stood by while our kids were deprived of their education, were muzzled by political pseudo-science, and school board meetings were cut short, held in secret, or cancelled, because parents came in protest of mask mandates.
- ★ You stood by while small businesses were shattered, meanwhile Amazon made record profits.
- ★ You stood by while experimental drugs and the most dangerous and deadly vaccines of (at least) the last 30 years were forced upon us at the gun of economic ruin.
- ★ You stood by as occupancy, mask, and vaccine mandates from incompetent mayors like Lauren McLean disproportionately crushed the citizens and businesses of Boise, and continues to do so.
- ★ You stood by while the lockdowns closed almost half of our small businesses for good.
- ★ You stood by while countless elected officials who swore to uphold our constitutional freedoms labeled your constituents as conspiracy theorists because they dared to question massive, serious, clear-as-day security issues in the November 3, 2020 election.
- ★ You stood by while our Secretary of State allowed us to vote on outdated election machines that have not been certified since 2017. In a short time we will be using the same uncertified machines!
- ★ You stood by while the Arizona audit uncovered just how vulnerable our election systems are and yet the people have not seen where any of you have taken ANY action to restore our faith in election integrity.

It does not matter what other victories you have achieved when you have not even stepped to the biggest and most important fight in our history. You have failed this state. You have failed this country. You have failed the people. We no longer consent to your failed governance.

In closing, you stood by while the citizens you swore to protect were deprived of the constitutional rights secured through the blood, sweat, and tears of our forefathers and foremothers. Now you can resign or stand by and watch while we remove every one of you from your position and take back our beloved state. Your time is up.

Regards,

We the People of Idaho
