

ATTENTION:

Illinois Attorney general: Kwame Raul
Illinois Secretary of State: Jesse White
Illinois Governor: J.B Pritzker
Illinois State Legislature and Representative's
State of Illinois Mayors
State of Illinois City council members
State of Illinois School Board's and chairs

We the People of the State of Illinois, address you regarding your failures of leadership and your failures to protect the fundamental rights of your constituents.

We the people of this state of Illinois have called, emailed, protested, shown up to school board council meetings and committee hearings. We the People of the State of Illinois demand that you preserve and protect our freedoms.

We have offered you ample opportunities to address these issues, of shutdowns, mask mandates, vaccine mandates, termination of employment, yet you stood by while Illinois tyrannical Governor J.B. Pritzker, overreaching Mayors, and unaccountable federal Leviathan's destroyed our state and all cities within Illinois.

We the People of Illinois demand that you answer for your inaction and we will continue to utilize all forms of communication to call attention to your failures and promote your impending removal from office.

We the People of the State of Illinois have determined that you are not standing for all our freedoms.

You as part of the Illinois Government, Attorney General Kwame Raul, Governor: J.B. Pritzker, Secretary of State: Jesse White, all Illinois State legislators, and representatives will now Stand By and watch, as we peacefully remove all of them from their respective positions.

Attorney General Kwame Raul, you have no choice but to stand with us We the People of the State of Illinois, and to fight to secure our constitutional freedoms, or you Attorney General Kwame Raul, can stand by while we also remove you. We the people of the great state of Illinois demand that Attorney General Kwame Raul agrees to meet with us immediately to discuss how you, Attorney General Kwame Raul failed us, you stood by while tyrants attacked our most basic rights to live and work freely, locked us in our homes, and took away our rights to bodily autonomy using fear and terror.

- ☞ You stood by while jobs, schools, weddings, funerals, football games, sporting events, concerts, were shut down by political pseudoscience.
- ☞ You stood by while small businesses were shattered.
- ☞ You stood by while experimental drugs and the [most dangerous and deadly vaccines of at least the last 30-years](#) were forced upon us, as a weapon of economic ruin.
- ☞ You stood by as occupancy, mask mandates, vaccine mandate from, but not limited to incompetent Mayors like Lori Lightfoot, who [disproportionately crushed the African-American community and continue to do so.](#)
- ☞ You stood by while the lockdowns [closed small businesses for good.](#)
- ☞ As with the vaccine mandates [African American businesses were especially hard-hit](#), a fact that seems to go unnoticed by Governor JB Pritzker and Chicago's Mayor Lori Lightfoot.

- 🇺🇸 You stood by as Dr. Anthony Fauci, and the NIH [lied about the origin of the virus](#), this led to precious lost response time and political pressure on China that cost Illinois lives.
- 🇺🇸 Perhaps the most appalling, you stood by and allowed the same corrupt FDA CDC, and NIH to [ban effective treatments for a more expensive experimental treatments](#) that are killing people.

These actions cost the lives of thousands of Americans including the lives of Illinoisans, and whose blood is on your hands, although not your hands alone. It does not matter what other victories you have achieved when you have not even stepped up to the biggest and most important fights in our history. You have failed this great state of Illinois, you have failed this country, and you have failed “We the People”.

We the People of Illinois, no longer consent to your failed governance. In choosing, you stood by while the citizens you swore to protect, you have deprived our constitutional rights secured by the blood sweat and tear of our forefathers. Now you can resign or stand by and watch, while we remove every one of you from your position and take back our State of Illinois. Your time to step up was over years ago. We respectfully request that you all resign and move aside, to be replaced by constituents who will uphold and protect our constitutional rights.

Sincerely,

We the People of the State of Illinois
