

OFFICIAL NOTICE

Attention: Governor Charles Baker, Lt. Governor Karyn Polito, Attorney General Maura Healy, Secretary of State William Galvin, The Legislature of Massachusetts, US Representatives and Senators, Mayors, including Former and Acting during this time, City Councils, County Judges, County Commissioners, School Boards, and Sheriffs.

From: We the People

We address you today regarding your failures of leadership and failures to protect the fundamental rights of the people of Massachusetts. We the people of Massachusetts have called, emailed, protested, shown up to schoolboards, council meetings, and committee hearings. With one voice we demanded that you preserve and protect our freedoms by adhering to your oaths of office. You have been offered ample opportunities to address these issues, yet you stood by while an inept and tyrannical Governor and Legislature, overreaching mayors, fascist city councils and county commissioners, courts, and unaccountable federal leviathan destroyed our state.

Massachusetts Constitution, Part the First, Article VII

Government is instituted for the common good; for the protection, safety, prosperity and happiness of the people; and not for the profit, honor, or private interest of any one man, family, or class of men: Therefore, the people alone have an incontestable, unalienable, and indefeasible right to institute government; and to reform, alter, or totally change the same, when their protection, safety, prosperity and happiness require it.

We demand that you answer for your inaction, or we will continue to utilize all forms of communication to call attention to your failures and promote your impending removals from office. We have determined that if you are not standing up for our freedoms, you are part of the problem. The governor, secretary of state, and legislators will now stand by and watch as we peacefully remove them from their respective positions.

How have you failed us?

- **You stood by** while tyrants attacked our most basic rights to live and work freely. Lies, fear and tyranny were used to lock us in our homes and attack our rights to bodily autonomy.
- **You stood by** as rogue officials and corporations made policy and mandates regarding occupancy, masking and vaccines for We the Peoples, schools, churches, grocery and retail stores, restaurants and other public spaces without much, if any, thought to consult with the people of this great state, that you REPRESENT. You let all this happen state-wide.
- **You stood by** and never consulted OSHA to share their knowledge of [what happens behind the mask](#), particularly for children.
- **You stood by** while jobs, schools, weddings, funerals, reunions, festivals, concerts, and football games were shut down, yet [thousands freely marched in our streets for months](#).
- **You stood by** while the people of Massachusetts were not allowed to petition their government or redress their grievances in person due to office closures and testing and mask mandates which were required to enter places of local and state government, including the Massachusetts State House.
- **You stood by** while our kids were deprived of their education, [were muzzled by political pseudo-science](#) and school board meetings were cut short because parents came to speak out against mask mandates.
- **You stood by** while the National School Board Association ([NSBA](#)) [branded parents as 'domestic terrorists'](#) simply for exercising their rights and the rights of their children to address elected school boards regarding the implementation of radicalized political agendas and unlawful mandates in the classrooms. School Board meetings were often scheduled in secrecy or on short notice, preventing attendance by many parents, and often those who were able to attend [were denied entry](#) and prohibited from participating.
- **You stood by** as the [National Guard was called in](#) to support covid-19 testing in our schools and to transport our children creating a police state within our school system.
- **You stood by** while small businesses were shattered, meanwhile [Amazon made record profits](#).
- **You stood by** while the lockdowns closed almost half of our small businesses for good. As with the vaccines mandates, [African American businesses were especially hard-hit](#), a fact that seems to have gone unnoticed by Governor Baker, Mayor Janey, and Mayor Sumbul Siddiqui, who continue to devastate minority communities.

- 🇺🇸 **You stood by** as repercussions of vaccine mandates continued as religious exemptions were denied. And continue to be denied.
- 🇺🇸 **You stood by** as local hospitals mandated Covid-19 vaccines and threatened last year's heroes' jobs.
- 🇺🇸 **You stood by** while people in Massachusetts were fired or dismissed for not taking the [most dangerous vaccines of \(at least\) the last 30 years](#) and while many who were coerced into taking suffered life-long injuries or even death.
- 🇺🇸 **You stood by** while experimental gene therapies were forced upon us at the gunpoint of economic ruin, while [pharmaceutical companies profited](#).
- 🇺🇸 **You stood by** while people were not allowed to visit their loved ones at long-term care and nursing homes. Many were sick and died alone.
- 🇺🇸 **You stood by** allowing healthcare facilities to make end-of-life decisions for patients, thereby removing any authority of the patient or designated caregivers to make decisions for the patient's well-being.
- 🇺🇸 **You stood by** while our Secretary of State allowed us to vote on outdated election machines that have not been certified since 2017, some since 2014. On November 2nd we will be using the same uncertified machines. Early voting has already begun.
- 🇺🇸 **You stood by** while the Arizona audit and sealed Georgia cybersecurity reports uncovered just how [vulnerable our election systems](#) are and yet the people have not seen where any of you have taken ANY action to restore our faith in election integrity. Your political ambitions have taken precedence over your oaths of office.
- 🇺🇸 **You stood by** and allowed illegals to cross into our country and to be transported into our state – criminals of unknown origin, people infected with unknown disease, unaccompanied minors flown off to be trafficked, and damaging communities.
- 🇺🇸 **You stood by** as [Anthony Fauci](#) and the NIH lied about the origins of the virus. He has lied about gain of function research and not one of you has held him to account. This led to precious lost response time and political pressure on China that cost people from Massachusetts their lives and many more their livelihood.
- 🇺🇸 Perhaps most appallingly, **you stood by** and allowed the same corrupt [FDA/CDC/NIH](#) to ban and limit availability of inexpensive and [effective treatments for COVID](#) in favor of more expensive experimental treatments that are killing people. These are vulgar actions that continue to cost the lives of thousands of Americans, including hundreds of people of Massachusetts, particularly elders, whose blood is on your hands.

It does not matter what other victories you have achieved when you have not even stepped up to the biggest and most important fight in our history. You have failed this state. You have failed this country. You have failed the people. We no longer consent to your governance.

In closing, you stood by while the citizens you swore to protect were deprived of their constitutional rights secured through the blood, sweat, and tears of our forefathers and foremothers. Now you can resign or stand by and watch while we remove every one of you from your position and take back our beloved state. Your time is up.

Regards,

We the People of Massachusetts
