

## OFFICIAL NOTICE

Attorney General Dana Nessel, Secretary of State Jocelyn Benson, Governor Gretchen Whitmer, Our State Legislature, US Representative and Senators, Mayors, City Councils, County Officials, Judges, School boards and Sheriffs.

### FROM: We the People of Michigan

We address you today regarding your failures of leadership and failures to protect the fundamental rights of your constituents. We the people of this state have called, emailed, protested, shown up to schoolboards, council meetings, and committee hearings. With one voice, we demanded you preserve and protect our freedoms. We offered you ample opportunities to address these issues, yet you stood by while an inept Governor, a tyrannical legislature, overreaching mayors, fascist city and county councils, politically motivated judges and an unaccountable federal leviathan destroyed our state.

We demand that you answer for your inaction, and we will continue to utilize all forms of communication to call attention to your failures and promote your impending removals from office. We have determined that if you are not standing up for all our freedoms, you are part of the problem. The Governor, Secretary of State, Attorney General, and legislators will now stand by and watch as we peacefully remove them from their respective positions.

### How have you failed us?

- **You stood by** while tyrants attacked our most basic rights to live and work freely, using fear and tyranny to lock us in our homes and attack our rights to bodily autonomy.
- **You stood by** while jobs, schools, weddings, funerals, reunions, festivals, concerts and football games were shut down, yet [millions freely marched in our streets](#) for months.
- **You stood by** while our kids were deprived of their education and [muzzled by political pseudo-science](#).
- **You stood by** while the Department of Justice, [driven by the National School Boards Association](#), used its' power of influence to silence and intimidate parents from defending their kids at local school board meetings.
- **You stood by** while the lockdowns forced more than one-third of Michigan businesses to shut their doors with majority now permanently closed. [Minority owned small businesses](#) were especially hard-hit, [meanwhile Amazon made record profits](#).
- **You stood by** while experimental drugs and the [most dangerous and deadly vaccines of \(at least\) the last 30 years](#) were forced upon us at the gun of economic ruin.
- **You stood by** as occupancy, mask, and vaccine mandates from incompetent mayors [disproportionally crushed the African American community](#), and continue to do so.
- **You stood by** while officials who swore to uphold our constitutional freedoms labeled your constituents as conspiracy theorists for daring to question massive, serious, clear-as-day security issues in the November 3, 2020 election.
- **You stood by** while Dominion CEO John Poulos committed perjury during the December 15th Michigan [Senate Oversight Committee Hearing](#) and have not investigated the certification of Michigan's election machines that were not certified in accordance to the mandatory [EAC Testing and Certification Program](#) as Mr. Poulos testified.
- You stood by while our Secretary of State continues to allow us to vote on outdated election machines that have not been certified since 2017.
- **You stood by** at Secretary of State Jocelyn Benson [bypassed the administrative rulemaking process](#) with her directive that local election clerks presume absentee ballot signatures were valid. Violating the Administrative Procedures Act.
- **You stood by** while the Michigan Antrim County Audit uncovered vulnerabilities in our election systems. You have yet taken no steps to correct the 2020 election nor protect future elections.

- **You stood by** while the Arizona audit [uncovered just how vulnerable](#) our [election systems are](#) and yet the people have not seen where you have taken ANY action to restore our faith in election integrity.
- **You stood by** as Dr. Anthony Fauci and the NIH lied about the origins of the virus and funding the gain-of-function research that created it. This led to lost response time and political pressure on China that cost thousands of lives.
- **You stood by** as Governors Whitmer’s nursing home policy cost thousands of lives.
- **You stood by** while people were not provided adequate care in hospitals, denied access to their loved ones, violated medical power of attorney rights, and not allowed the right to try, thereby culminating in the death of patients.
- Perhaps most appallingly, you stood by and allowed the same corrupt FDA/CDC/NIH to [ban effective treatments for COVID in favor of more expensive experimental treatments that are killing people](#). These actions cost the lives of thousands of Americans, including hundreds of Michiganders whose blood is on your hands.

It does not matter what other victories you have achieved when you have not even stepped to the biggest and most important fights in our history. You have failed this state. You have failed this country. You have failed the people. We no longer consent to your failed governance.

You stood by while the citizens you swore to protect were deprived of the constitutional rights secured through the blood, sweat, and tears of our forefathers and foremothers. Now you can resign or stand by and watch while we remove every one of you from your position and take back our beloved state. Your time is up.

Regards,

## We the People of Michigan
