

## ATTENTION:

Attorney General Joshua H. Stein, Secretary of State Elaine F. Marshall, Governor Roy Cooper, The Legislature of North Carolina, Mayors, City Councils, School Boards and Sheriffs.

**FROM:** We the People of North Carolina

We address you today regarding your failures of leadership and failures to protect the fundamental rights of North Carolinians in this great state. We the People of this state have called, emailed, protested, shown up to school boards, council meetings, and committee hearings. We have filed a writ of mandamus, affidavits attached in support, to compel our Governor to honor his oath. We urged you, by decree, to take action on behalf of the citizens you serve to protect our rights. With one voice, we demanded you preserve and protect our freedoms by adhering to your oaths of office. You have been offered ample opportunities to address these issues, yet you stood by while a tyrannical governor, inept legislature, overreaching mayors, fascist city councils, and unaccountable federal leviathan destroyed our state.

We demand that you answer for your inaction, or we will continue to utilize all forms of communication to call attention to your failures and promote your impending removals from office. We have determined that if you are not standing up for all of our freedoms, you are part of the problem. The Governor, Secretary of State, and legislators will now stand by and watch as we peacefully remove them from their respective positions.

Attorney General Stein, you have a choice to stand with us and fight to secure our constitutional freedoms or you can stand by while we also remove you. We The People of the great state of North Carolina demand Attorney General Stein agree to a meeting with us immediately.

## HOW HAVE YOU FAILED US?

-  You stood by while tyrants attacked our most basic rights to live and work freely, using fear and tyranny to attack our rights to bodily autonomy.
-  You stood by while jobs, schools, weddings, funerals, reunions, festivals, concerts, and football games were shut down, [yet thousands freely marched and rioted in our streets](#) for months.
-  You stood by while our kids were deprived of their education, were [muzzled by political pseudo-science](#), and school board [meetings were cut short or conducted virtually](#) because parents came in protest of mask mandates.
-  You stood by while small businesses were shattered, [meanwhile Amazon made record profits](#).
-  You stood by while people were not allowed to visit their loved ones at long term care and nursing homes. Many were sick and died alone.
-  You stood by while people were coerced and forced into taking the most dangerous and deadly experimental gene therapy of (at least) the last 30 years and [suffered life-long injuries or even death](#).
-  You stood by while North Carolinians were forced to submit to weekly PCR testing and the unvaccinated were terminated from their jobs.
-  You stood by while the lockdowns [closed almost half of our small businesses for good](#).
-  You stood by and allowed a wave of illegals to be flown into our state -- criminals of unknown origin, people infected with unknown diseases, unaccompanied minors to be trafficked – damaging our citizens and communities.
-  You stood by while countless elected officials who swore to uphold our constitutional freedoms label your constituents as conspiracy theorists because they dared to question massive, serious, clear-as-day security issues in the November 3, 2020, election.
-  You stood by while our local and State Boards of Elections allowed us to vote on outdated election machines that have not been certified since 2017. Yet, the same uncertified machines are currently being used by voters.
-  You stood by while the Arizona audit [uncovered just how vulnerable](#) our [election systems are](#) and yet the people have not seen where any of you have taken ANY action to restore our faith in election integrity.
-  You stood by as Dr. Anthony Fauci and the NIH lied about the origins of the virus. This led to precious lost response time and political pressure on China that cost North Carolina lives.

Perhaps most appallingly, you stood by and allowed the same corrupt FDA/CDC/NIH to [ban effective treatments for COVID in favor of more expensive experimental treatments that are killing people](#). These actions cost the lives of thousands of Americans, including hundreds of North Carolinians whose blood is on your hands.

It does not matter what other victories you have achieved when you have not even stepped to the biggest and most important fight in our history. You have failed this state. You have failed this country. You have failed the people. We no longer consent to your failed governance.

In closing, you stood by while the citizens you swore to protect were deprived of the constitutional rights secured through the blood, sweat, and tears of our forefathers and foremothers. Now you can resign or stand by and watch while we remove every one of you from your position and take back our beloved state. Your time is up.

Regards,

**We the People of North Carolina**
