

Attention: Governor Doug Burgum, Attorney General Wayne Stenehjem , Secretary of State Al Jaeger , The Legislature of North Dakota, US Senators Hoeven and Kramer and US Representative Armstrong, Mayors, City Councils, County Commissioners, School boards and Sheriffs.

FROM: We the People of North Dakota

We address you today regarding your failures of leadership and failures to protect the fundamental rights of your constituents. We the people of this state have called, emailed, protested, shown up to school boards, council meetings, and committee hearings. With one voice, we demanded you preserve and protect our freedoms. We offered you ample opportunities to address these issues, yet you stood by while a tyrannical governor, overreaching mayors, and unaccountable federal leviathan destroyed our state.

We demand that you answer for your inaction, and we will continue to utilize all forms of communication to call attention to your failures and promote your impending removals from office. We have determined that if you are not standing up for all our freedoms, you are part of the problem. The Governor, Secretary of State, and legislators will now stand by and watch as we peacefully remove them from their respective positions.

Attorney General Stenehjem, you have a choice to stand with us and fight to secure our constitutional freedoms or you can stand by while we also remove you. We The People of the great state of North Dakota demand Attorney General Stenehjem agree to a meeting with us immediately.

How have you failed us?

-  You stood by while tyrants attacked our most basic rights to live and work freely, using fear and tyranny to lock us in our homes and attack our rights to bodily autonomy.
-  You stood by while jobs, schools, weddings, funerals, reunions, festivals, concerts and football games were shut down, yet [thousands freely marched in our streets](#) for months.
-  You stood by while our kids were deprived of their education, were [muzzled by political pseudo-science](#), and [parents were threatened with criminal charges for no mask on their child](#).
-  You stood by while small businesses were shattered, [meanwhile Amazon made record profits](#).
-  You stood by while experimental drugs and the [most dangerous and deadly vaccines of \(at least\) the last 30 years](#) were forced upon us at the gun of economic ruin.
-  You stood by while people were not allowed to visit their loved ones at Long Term Care facilities. [Many were sick and died alone](#).
-  You stood by while the lockdowns and EUA [vaccines mandates, took many workers from their jobs](#) they need to maintain their basic rights as citizens and ultimately will continue to cause disruptions in communities and protections of its citizens.
-  You stood by while our [Secretary of State allowed us to vote on computerized machines that are able to be manipulated as evident in our "ND Nice" state](#) along with [removing in person voting](#) for our primary elections and annual or special elections for schools for our state.
-  You stood by while countless elected officials who swore to uphold our constitutional freedoms labeled your constituents as conspiracy theorists because they dared to question massive, serious, clear-as-day security issues in the November 3, 2020 election.
-  You stood by while the Arizona audit [uncovered just how vulnerable](#) our [election systems are](#) and yet the people have not seen where any of you have taken ANY action to restore our faith in election integrity.
-  You stood by as Dr. Anthony Fauci and the NIH lied about the origins of the virus. This led to precious lost response time and political pressure on China that cost Louisiana lives.
-  Perhaps most appallingly, you stood by and allowed the same corrupt FDA/CDC/NIH to [ban effective treatments for COVID in favor of more expensive experimental treatments that are killing people](#). These actions cost the lives of thousands of Americans, including hundreds of Louisianans whose blood is on your hands.

It does not matter what other victories you have achieved when you have not even stepped to the biggest and most important fights in our history. You have failed this state. You have failed this country. You have failed the people. We no longer consent to your failed governance.

In closing, you stood by while the citizens you swore to protect were deprived of the constitutional rights secured through the blood, sweat, and tears of our forefathers and foremothers. Now you can resign or stand by and watch while we remove every one of you from your position and take back our beloved state. Your time is up.

Regards,

We the People of North Dakota
