

TO: Attorney General Rosenblum, Secretary of State Fagan, Governor Brown, the Oregon Legislature, Mayors, City Councils, Commissioners, School boards and Sheriffs.

FROM: We the People of Oregon

Today we address you regarding your failures of leadership and failure to protect the fundamental rights of your constituents. We the people of Oregon have called, emailed, protested, shown up to school board meetings, council meetings, and committee hearings. With one voice, we demanded you preserve and protect our freedoms. We offered you ample opportunity to address these issues, yet you stood by while overreaching mayors, an unaccountable federal leviathan and a tyrannical governor destroyed our state.

We demand that you answer for your inaction, and we will continue to utilize all forms of communication to call attention to your failures and promote your impending removals from office. We have determined that if you are not standing up for all our freedoms, you are part of the problem. The Governor, Secretary of State, Attorney General, and legislators will now stand by and watch as we peacefully remove them from their respective positions.

How have you failed us?

-  You stood by while OUR constitutional rights were trampled by tyrannical bureaucracies in the name of “health & safety.”
-  You stood by while jobs, schools, weddings, funerals, reunions, festivals, concerts, and sporting events were shut down, while thousands freely burned, looted and rioted in our neighborhoods for months.
-  You stood by while small businesses were shattered, meanwhile Wall Street & Amazon made record profits. Where were you **Governor Brown**, where were you **Mayor Wheeler**, when crimes were being perpetrated against We the People month after month? Oregonians want to know.
-  You stood by while our kids were deprived of their education, sports, childhood milestones and were muzzled by political pseudo-science.
-  You stood by while countless serious security issues with the November 2020 election canceled & diluted our votes.
-  You stood by while our Secretary of State allowed us to vote on machines that have been UNCERTIFIED since 2017. Why will we be using the same uncertified machines in upcoming elections?
-  You stood by while the Arizona audit [uncovered just how vulnerable](#) our election systems are and yet the people have not seen any of you take ANY action to restore our faith in our elections.
-  You stood by as Dr. Fauci and the NIH lied about both the origins, as well as the gain-of-function taxpayer funding of the virus. This led to the loss of many Oregon lives.
-  You stood by, with the blood of thousands of Oregonians on your hands, while [inexpensive, effective off-label early treatments](#) were made difficult to obtain for treatment, or even banned, ridiculed, and minimized- favoring expensive unapproved drugs and shots to help line the pockets of big pharma.

It does not matter if you have achieved other victories, as you ignored the biggest and most important fights in our history. You have failed: our country, our state and WE the people. WE no longer consent to your failed governance.

In closing, you stood by while Oregonians, whom you swore to protect, were deprived of their constitutional rights secured through the blood, sweat, and tears of our military and forefathers. YOU may now resign and help us right the ship, or continue to stand by and watch while we remove every single one of you from your position and take back our beloved state. Your time is up.

Regards,

We the People of Oregon
