

OFFICIAL NOTICE

ATTENTION: Attorney General Bob Ferguson, Secretary of State Kim Wyman, Governor Jay Inslee, The Congressional Representatives of Washington, Senators of Washington, The Legislature of Washington, Mayors, City Councils, County Commissioners, County Judges, School Boards and Sheriffs.

FROM: We the People of Washington State

We address you today regarding your failures of leadership and failures to protect the fundamental rights of your constituents. We the people of this state have called, emailed, protested, shown up to school boards, council meetings, and committee hearings. With one voice, we demanded you preserve and protect our freedoms. We offered you ample opportunities to address these issues, yet you stood by while a tyrannical governor, overreaching mayors, and unaccountable federal leviathan destroyed our state.

We **demand** that you answer for your inaction, and we will continue to utilize all forms of communication to call attention to your failures and promote your impending removal from office. We have determined that if you are not standing up for all our freedoms, you are part of the problem. The Governor, Secretary of State, and legislators will now stand by and watch as we peacefully remove them from their respective positions.

Attorney General Ferguson, you have a choice to stand with us and fight to secure our constitutional freedoms or you can stand by while we also remove you. We The People of the great state of Washington demand Attorney General Ferguson agree to a meeting with us immediately.

How have you failed us?

-  You stood by while tyrants attacked our most basic rights to live and work freely, using fear and tyranny to sequester us in our homes and attack our rights to bodily autonomy.
-  You stood by while jobs, schools, weddings, funerals, reunions, festivals, concerts and sporting events were shut down, yet thousands freely marched and rioted in our streets for months.
-  You stood by while our kids were deprived of their education, were muzzled and abused by political pseudo-science, forced to engage in Critical Race Theory and also Sex Education for all ages. School board meetings were being cut short because parents came to speak out against mask mandates and CRT.
-  You stood by as people were not allowed to visit their loved ones in nursing homes, long term care facilities and hospitals, while many were sick and died alone.
-  You stood by while small businesses were shattered, meanwhile corporate giants made record profits.
-  You stood by while Washingtonians were coerced into taking an experimental "gene therapy" or dismissed for declining.
-  You stood by while the lockdowns closed almost half of our small businesses for good.
-  You stood by while countless elected officials who swore to uphold our constitutional freedoms labeled your constituents as conspiracy theorists because they dared to question massive, serious, clear-as-day security issues in the November 3, 2020 election.
-  You stood by while our Secretary of State allowed us to vote on outdated election machines that have not been certified since 2017. You expect us to use these same machines in our upcoming elections!! Fix It Now!!
-  You stood by while the Arizona audit uncovered just how vulnerable our election systems are and yet the people have not seen where any of you have taken ANY action to restore our faith in election integrity.
-  You stood by as Dr. Anthony Fauci and the NIH lied about the origins of the virus. This led to precious lost response time and political pressure on China that cost Washingtonian lives.
-  You stood by and allowed the same corrupt FDA/CDC/NIH to ban and limit availability of inexpensive and effective treatments for COVID-19 in favor of more expensive experimental treatments that are killing people.
-  You stood by while organ transplant patients were denied surgeries due to being unvaccinated.

It does not matter what other victories you have achieved when you have not even stepped to the biggest and most important fights in our history. You have failed this state. You have failed this country. You have failed the people. We no longer consent to your failed governance. In closing, you stood by while the citizens you swore to protect were deprived of the constitutional rights secured through the blood, sweat, and tears of our forefathers and foremothers. Now you can resign or stand by and watch while we remove every one of you from your position and take back our beloved state. Your time is up.

For Liberty,

We the People of Washington State

We the People of Washington
*We are no longer accepting things we cannot change.
 It is now time to change the things we cannot accept.*
