FROM: We the People

We address you today regarding your failures of leadership and failures to protect the fundamental rights of your constituents. We the people of this GREAT STATE OF WISCONSIN have called, emailed, protested, shown up to schoolboards, council meetings, and committee hearings. With one voice, we demanded you preserve and protect our freedoms. We offered you ample opportunities to address these issues, yet you stood by while tyrannical politicians and an unaccountable federal leviathan destroyed our state.

We demand that you answer for your inaction, and we will continue to utilize all forms of communication to call attention to your failures and promote your impending removals from office. We have determined that if you are not standing up for all our freedoms, you are part of the problem. The Governor, Secretary of State, Attorney General, and legislators will now stand by and watch as we peacefully remove them from their respective positions.

How have you failed us?

-  You stood by while tyrants attacked our most basic rights to live and work freely.
-  You stood by while lies, fear and tyranny were used to lock us in our homes and attack our right to bodily autonomy.
-  You stood by while jobs, schools, weddings, funerals, reunions, festivals, concerts, and football games were shut down, yet millions freely marched in our streets for months.
-  You stood by while our kids were deprived of their education and muzzled by political pseudo-science.
-  You stood by while the Department of Justice, driven by the National School Boards Association, used its' power and influence to silence and intimidate parents from defending their kids at local school board meetings.
-  You stood by while small businesses were shattered, meanwhile Amazon made record profits.
-  You stood by while experimental drugs and the most dangerous and deadly vaccines of (at least) the last 30 years were forced upon us at the gun of economic ruin.
-  You stood by as occupancy, mask, and vaccine mandates from incompetent mayors disproportionately crushed the African American community and continues to do so.
-  You stood by while the lockdowns closed almost half of our small businesses for good. As with the vaccine mandates, African American businesses were especially hard-hit, a fact that seems to have gone unnoticed by governors and mayors who continue to devastate minority communities.
-  You stood by while officials who swore to uphold our constitutional freedoms labeled your constituents as conspiracy theorists for daring to question massive, serious, clear-as-day security issues in the November 3, 2020, election.

- You stood by while our Secretary of State allowed us to vote on outdated election machines that have not been certified since 2017. In the spring, we will be using the same uncertified machines!
- You stood by while the Arizona audit uncovered just how vulnerable our election systems are and yet the people have not seen where you have taken ANY action to restore our faith in election integrity.
- You stood by as Dr. Anthony Fauci and the NIH lied about the origins of the virus and funding the gain-of-function research that created it. This led to lost response time and political pressure on China that cost thousands of lives.
- Perhaps most appallingly, you stood by and allowed the same corrupt FDA/CDC/NIH to ban effective treatments for COVID in favor of more expensive experimental treatments that are killing people.

These actions cost the lives of thousands of Americans, including hundreds of Wisconsinites whose blood is on your hands. It does not matter what other victories you have achieved when you have not even stepped to the biggest and most important fights in our history. You have failed this state. You have failed this country. You have failed the people. We no longer consent to your failed governance.

You stood by while the citizens you swore to protect were deprived of the constitutional rights secured through the blood, sweat, and tears of our forefathers and foremothers. Now you can resign or stand by and watch while we remove every one of you from your position and take back our beloved state. Your time is up.

Regards,

**We the People of Wisconsin**
