

TO: Attorney General Austin Knudsen, Secretary of State Christi Jacobsen, Governor Greg Gianforte, The Legislature of Montana, Mayors, City Councils, School boards and Sheriffs.

FROM: We the People of Montana

We address you today regarding your failures of leadership and failures to protect the fundamental rights of your constituents. We the people of this state have called, emailed, protested, shown up to schoolboards, council meetings, and committee hearings. With one voice, we demanded you preserve and protect our freedoms. We offered you ample opportunities to address these issues, yet you stood by while a tyrannical governor, overreaching mayors, and unaccountable federal leviathan destroyed our state.

We demand that you answer for your inaction, and we will continue to utilize all forms of communication to call attention to your failures and promote your impending removals from office. We have determined that if you are not standing up for all our freedoms, you are part of the problem. The Governor, Secretary of State, and legislators will now stand by and watch as we peacefully remove them from their respective positions.

Attorney General Knudsen, you have a choice to stand with us and fight to secure our constitutional freedoms or you can stand by while we also remove you. We The People of the great state of Montana demand Attorney General Knudsen agree to a meeting with us immediately.

How have you failed us?

- 🇺🇸 You stood by while tyrants attacked our most basic rights to live and work freely, using fear and tyranny to lock us in our homes and attack our rights to bodily autonomy.
- 🇺🇸 You stood by while Montanans died alone because their loved ones were not allowed to be with them.
- 🇺🇸 You stood by while jobs, schools, weddings, funerals, reunions, festivals, concerts and football games were shut down, yet thousands freely marched in our streets for months.
- 🇺🇸 You stood by while superintendents and school boards disregarded parent's demands that they have the final say in their child's health, and that masking a child is the parent's choice.
- 🇺🇸 You stood by while small businesses were shattered, meanwhile Amazon made record profits.
- 🇺🇸 You stood by while experimental drugs and the most dangerous and deadly vaccines of (at least) the last 30 years were forced upon us at the gun of economic ruin.
- 🇺🇸 You stood by and said nothing while the world learned about aborted fetal tissues were used in the COVID vaccines.
- 🇺🇸 You stood by while the public health department, unelected officials, tyrannically decided how Montanans would live. Now, the public health department promotes segregation, unvaccinated vs. vaccinated.
- 🇺🇸 You stood by while illegal drugs are flowing through Montana at record rates, increasing crime, and putting Montanans' safety at risk.
- 🇺🇸 You stood by while countless elected officials who swore to uphold our constitutional freedoms, including our freedom of speech, labeled your constituents as conspiracy theorists because they dared to question massive, serious, clear-as-day security issues in the November 3, 2020 election.
- 🇺🇸 You stood by while our Secretary of State allowed us to vote on improperly certified voting systems.
- 🇺🇸 You stood by while the Arizona audit uncovered just how vulnerable our election systems are and yet the people have not seen where any of you have taken ANY action to restore our faith in election integrity.
- 🇺🇸 You stood and ordered the National Guard into our hospitals, creating a police state within our health care system.
- 🇺🇸 You stood by as Dr. Anthony Fauci and the NIH lied about the origins of the virus. This led to precious lost response time and political pressure on China that cost Montanan lives.

🇺🇸 Perhaps most appallingly, you stood by and allowed the same corrupt FDA/CDC/NIH to [ban effective treatments](#) for COVID in favor of more expensive experimental treatments that are killing people. Pharmacies refusing to prescribe off label use medications. These actions cost the lives of thousands of Americans, including hundreds of Montanans whose blood is on your hands.

It does not matter what other victories you have achieved when you have not even stepped to the biggest and most important fights in our history. You have failed this state. You have failed this country. You have failed the people. We no longer consent to your failed governance.

In closing, you stood by while the citizens you swore to protect were deprived of the constitutional rights secured through the blood, sweat, and tears of our forefathers and foremothers. Now, you can resign or stand by and watch while we remove every one of you from your position and take back our beloved state. Your time is up.

Regards,

We the People of Montana
