Concept Guide

Inspirational Trends

Within these pages, you can view the **latest trends** and **fresh takes** on classic foodstuff. This Concept Guide provides **inspiration** to offer the best in **food presentation**.

Why GenWare?

Style

The GenWare brand has an extensive choice of products, and we are sure you will find the right match for your style. From our retro cool Enamelware, our on-trend Terra range or more classic but colourful Porcelain, we have the right product for you.

Quality

We strive to provide our customers with products and services that meet and even exceed their expectations, ensuring they align with statutory and regulatory requirements. We are committed to continuous improvement, and we have a Quality Management System which provides a framework for measuring and improving performance.

Practicality

Our products are designed with the demanding foodservice environment in mind, offering great value and performance. Our product team work closely with suppliers to provide the products you need for front and back of house.

DRINKS

Water

Bring a little colour to this **fundamental part of your table.**

The functional water category is innovating speedily as health-conscious consumers avoid sugary drinks.
