NRA Basics of Personal Protection Inside The Home Michigan Concealed Pistol License Class (CPL)

Detail Description

This course teaches the basic knowledge, skills, and attitude essential to safe and efficient use of a handgun for personal protection of self and family, and to provide information on law-abiding individual's right to self-defense. This is a ten-hour course: **Part 1** – eight-hour basic firearm class and **Part 2** - two hour law class is Tuesday, June 29st, 6:30 to 8:30 p.m. ([Law Class Handout](#)) Full attendance at both classes is a requirement for a course completion certificate. Student needs eye and ear protection, a suitable pistol, approximately **150** rounds of “factory” ammunition, and tuition. Students must bring a revolver or semi-automatic pistol of 380, 38 Special, 9mm or higher caliber. No AR style or rifle calibers. NO magnum ammunition. Extra magazines for semi-auto pistols and speed loaders for revolvers are helpful. Pre-registration required.

Preparation

NRA Personal Protection course participants must be **experienced shooters** (mastery of the basic skills of safe gun handling and shooting a group) to maximized what can be learned from this course.

Pre-course Qualification Required

- Option 1: Have NRA Basic Pistol Certificate (provide copy with registration form)
or
- Option 2: Compete Qualification Course of Fire at BORCC Beginner Shooter Clinic or Thursday Night Shoot for Ladies. Check program dates at BORCC [Calendar](#) at <https://borcc.org/calendar>.

Students must qualify shooting a course of fire consisting of two five shot groups within a 4 inch circle at 10 feet. Standing position.. Qualification course of fire must be signed off by NRA Instructor.

The Fundamental NRA Rules for Safe Gun Handling Are:

- ALWAYS Keep the Gun Pointed in a Safe Direction.
- ALWAYS Keep Your Finger Off the Trigger Until Ready to Shoot.
- ALWAYS Keep the Firearm Unloaded Until Ready to Us

MANDATORY GUIDELINES FOR BORCC EDUCATIONAL COURSE

Basic Preventative Measures COVID-19 Pandemic - 2020¹

Basic medical questioning of students shall be conducted verbally prior to the start to determine if the subject has had any COVID-19 related symptoms in the past two weeks. If student has had such symptoms, the student shall not be allowed to participate and asked to reschedule later.

Symptoms Include: Cough, Shortness of breath, Difficulty breathing, Fever, Chills, Muscle pain, Sore throat, New loss of taste or smell.

Indoor class activities shall be limited to 10 individuals at a single time, maintaining social distancing measures.

Adhere to social distancing measures recommended by the CDC including remaining at least six feet from people from outside the individual's household to the extent feasible under the circumstances. In circumstances where it is not feasible to maintain six feet distance, students and instructors shall wear face masks (see Face Masks below for more information).

Face Mask

Students bring their own masks or face coverings,

Face masks shall be properly worn (covering individual's nose and mouth) in indoor and in outdoor settings when 6-foot social distancing cannot be maintained. This applies to all instructors, students and other attendees.

Face masks can include homemade masks, scarf, bandana, or handkerchiefs, along with commercially made medical masks.

Preparation

Students are to bring their own masks, gloves, hand sanitizer, disinfectant and whatever else they deem necessary to protect themselves.

Students are reminded that they are participating in an indoor activity and they participate at their own risk due to the COVID-19 pandemic.

¹ "Mandatory Guidelines for Hunter Education Field Days COVID-19 Pandemic-2020." State of Michigan and Department of Natural Resources. August 19, 2020.
