HISTORY

In 2007, Dr. Phillip M. Jackson and Mrs. Ledia S. Jackson founded the Corey Maurice Jackson Academy, Inc. in honor of their (only) son Corey Maurice Jackson. Corey was born on April 16, 1985. He attended Hamilton County Schools and graduated from Hamilton County High School in 2003. He continued his education at Georgia Military College in Milledgeville, GA with dreams of one day becoming a professional football player. But sadly, on April 4, 2006, at the tender age of 20, Corey passed away in a tragic automobile accident. In a quest of keeping their son's memory alive, Dr. & Mrs. Jackson are devoted to helping children reach their educational goals and reach their fullest potential in life.

ATTENDANCE:

Florida Law states that children who are six (5) by February 1st must attend school regularly until their 18th birthday, unless they are exempt or have been expelled by the Corey Maurice Jackson Academy.

Every parent/guardian is solely responsible for the student's attendance. A student who has 15 unexcused absences within 90 calendar days is a habitual truant under the state law. The student may be dealt with as a child in need of services under Chapter 39, Florida Statutes. In addition, the parent/guardian may be subject to criminal prosecution under Chapter 232, Florida Statutes. Excessive absences could result in student not being promoted to the next grade level.

A student between the ages of 16 and 18 may file a formal declaration of intent to terminate school enrollment and will then not be subject to compulsory school attendance. This declaration must be signed by the student and the parent/guardian.

RIGHTS OF OUR STUDENTS:

- To be informed by the Corey Maurice Jackson Academy regarding rules on absenteeism (this includes excused and unexcused) and tardiness
- To make up any class work/test within an appropriate length of time when there is an excused absence.

RESPONSIBILITIES OF OUR STUDENTS:

- To attend classes daily and to be on time
- To provide adequate documentation explaining all absences
- To request all, make up assignments/tests from teachers upon arrival back to school (from an excused absence) and complete them within the timeframe appointed by the teacher. The teacher will have 24 hours to provide the student with the missing assignment/test.

EXCUSED ABSENCES:

Students, per the state law, are required to attend school unless their absence can be deemed as excused by providing the proper documentation. It is the sole responsibility of the student's parent/guardian to explain the nature of the absence to the school and to have this reason approved by the Director. Reasons for excused absences include (but are not limited to):

- Sickness, injury, death of an immediate family member or some other describable issue in which a parental note will suffice.
- Documented appointments with doctors (of any profession).
- Documented absence for religion instructions or holidays
- Participation in academic activities approved by the director
- Court appearances (copy of subpoena required)

SCHEDULE CHANGES:

All schedules are established according to the needs of our students. The information from transcripts have been considered, when selecting classes for the 2024-2025 school year. The only reason we may schedule changes are:

- Student needs new courses that are just being offered
- Course student is currently taking is too difficult for student to maintain passing grades
- Student requires a change to correct behavioral and/or safety issues
- Student needs remediation
- Student has a medical excuse
- Student has already taken and PASSED the subject
