To Whom It May Concern,

We are a new cheer club that was created for the Chico Jr. High School students of all grades and ages. We teach our athletes to work hard in and outside of the classroom. We push each other constantly and hold each other accountable. Our athletes understand they must lead by example as they are a direct reflection of their community, school, teammates, coaches and the Cheer Club here at Chico Jr. High. We strive to not only build great athletes, but instill great habits that will create even better people. Education is our top priority. All athletes are required to sign a contract stating cheer is a privilege and at any point during our program they must be able to provide a good standing grade check. This means they must maintain a 2.0 grade point average with no F's.

I am reaching out to you in hopes that you or your business would be interested in our sponsorship program. You can either sponsor a specific athlete in need, or make a contribution to our general fund. The general fund provide financial assistance to those that need funding to participate in the program and general fees. Our goal is \$650 dollars per athlete which covers their fees for the season.

On behalf of the Chico Jr. High School Cheer Club we would like to Thank You in advance for your Donation!
