# OAKVILLE

A MASTER-PLANNED COMMUNITY  
THAT HAS TRANSFORMED BETTER  
LIVING IN OAKVILLE

A sense of community. Connection to friends and neighbours. Closeness to nature. These are the key ingredients for overall happiness and wellbeing, and Oakville unites them to create a perfect neighbourhood for your lifestyle.

Oakville is a master-planned community at Dundas St. E and Trafalgar Rd. in North Oakville. Employing eye-catching architecture embedded into a lush, green surround, Oakville proudly exemplifies Minto Communities’ commitment to better living. As Phase 1 of Traditional and Back-to-Back Townhomes is sold out and completed, and Phase 2 of Rear-Lane Townhomes and Phase 3 of Stacked Townhomes & Condos is sold out and under construction—this master-planned community continues with Phase 4 and the North Oak towers.

## North Oak

CONDOS AT OAKVILLE

North Oak, the fourth phase in Oakville, is a series of towers that launched with A and B, two eye-catching towers connected by a two-storey glass lobby and amenity pavilion.

The lifestyle at North Oak’s towers begins with long stretches of trails at your doorstep and a complex design of natural materials and wellness amenities supported by sustainable techniques and technology—to support residents’ ideal lifestyle.

Following the launch of the first two towers, North Oak Tower 3 is the next chapter in Phase 4.
