Additional Information:

IMPORTANT – Please note for any Gas connection requests, we will require the following –

- Copies of documents from the Gas Network Operator.
- Photos of the main incoming gas service, pipework, and its surroundings
- Photo of any meters already on site
- A property plan indicating the areas where the supply or meters will be installed.
- Proof of the site address registered with the local council or Royal Mail.

If you do not have supply details from the network operator and require a new meter number to be created, please specify this in the '**Additional Information**' box. Ensure that your supply address is registered with the local council or Royal Mail. Additionally, a valid signed Letter of Authority is required as part of the process, which your dedicated account manager can provide.

Failure to provide any of the above will lead to rejection of the request.
