

*Birding Safaris*  
 Victoria Falls

**The Eastern Highlands Special**

Birding habitats vary from lowland, evergreen forest to miombo woodland to afro-montane, evergreen forest and montane grasslands. Each area supports a unique community of birds, all packed within a relatively small area. Making the Eastern Highlands of Zimbabwe one of the sub-continent’s premier birding regions.

**For the serious Twitcher this is pure paradise – No crowds, No rush.**

**4 Nights, USD 870 to 1,375 per person**
