

# Host Your Own School Holiday Art Class

Keep children away from screens with their own art class at home. Children who make art are more thoughtful and creative and less likely to get bored. Art shows children how to create their own reality and not be influenced by media. Drawing and painting are challenging but fun - the perfect way to learn about life.

## Here's how it works:

- 01** Gather 4-6 children who love art
- 02** Invite them to your place for 2 hours
- 03** Your class fee is free!

## CLASS FEE PER CHILD...

**£20** *(free for the host)*

- Choose either a drawing class or a painting class.
- Use your own materials you're familiar with.
- Each child gets personal guidance.
- They're safe at home with you or grandparents.
- Host more than one arty-party!
- Organise a time that suits you.
- You'll get payment information to book the class

## About the artist

Valerie Ellis is an artist with a studio in Weybridge. She's given art classes for years and understands the principles of art and how to explain techniques to her class. She always focusses on the positive and helps people understand themselves through painting and drawing. Find out more on the website.
