

# COOLSPRING TOWNSHIP REGULAR MONTHLY MEETING

MONDAY, MAY 12, 2025 7:00 PM

Members Present: Corwin Masson, Dale Bestwick, Dan Kloos and Terri Ligo

Others in Attendance: 25 people signed in. Meeting was held in the rental hall.

This meeting was rescheduled from May 5, 2025 to May 12, 2025 because Cory was at the PSATS conference. This change was advertised April 25, 2025. Meeting was called to order with the Pledge of Allegiance

Dale asked for Public Comment stating that you must be signed in, state your name and come to the front. Amy Cameron- The energy generation facility on Miller School Road has not been rotating its solar panels for over 8 weeks now. On March 16, 2025 there was a windstorm from 3:00pm – 7:00pm. The internet and power kept flickering every 5 minutes for hours and hours. At 7:30PM I saw a white power truck with the boom raised working at the poles closest to the inverter site of the EGF. As soon as they left, the flickering immediately stopped. The next day it could be seen that the fuses at the top were pulled. If this facility was so important to power production, why is it not functioning at this point? Zoning has been in place since 1968 with its number one purpose to protect farm land and bring harmony to communities while planning for the future. I am not anti-solar. I think it could have a place in our rural community but it needs to be done in a responsible way. The changes recently approved do not meet the spirit or the letter of the law as detailed in sections 101 and 102 of the zoning ordinance. Amy read sec. 101 #7 and #11, Sec 102 #1, #2 and #11. I urge each of the Supervisors to review the ordinance line by line and reflect whether you truly feel that the EGF on Miller School Road match what it states for its purpose, scope and objectives. Steve Preston – I am also very concerned that the solar field was surging power into our homes.

Dale asked for a motion to accept the minutes April 7, 2025 Regular Monthly Meeting as presented. Cory made the motion, seconded by Dan. Passed unanimously.

The Treasurer's Report was presented:
