

Greetings!

We are pleased to announce a new partnership with MetroMedia, Inc. This exciting agreement will help spotlight our Chamber's members, initiatives and leadership in our new annual Chamber guide and membership directory, published by MetroMedia Inc., scheduled to launch in September 2022.

Digital allows a greater reach and permits us to utilize the latest technologies for a searchable, interactive, mobile-friendly publication. The guide will be published on the chamber website, sent via email and shared by social media, which allows your ad to be directly linked to your company's website.

Our new publication will strive to increase our members' spheres of influence, by being distributed to individuals and organizations outside of our Chamber membership. We encourage our Chamber members to take advantage of the added benefits which this new publication has to offer.

Members can also take advantage of advertising space within the guide. DeDe Harmell from MetroMedia, Inc. will be contacting our members regarding advertising opportunities. You can reach her at dharmell@metromediapublishers.com or 417-850-4670.
