Thank you to all the businesses, community groups, classrooms and spirited individuals who continue to support this event every year. You really help get the holiday season off to a great start here in Patterson. The Chamber and Soroptimist appreciate your support.

We will have trees and wreaths available for purchase again this year. Past participants will have first dibs on their choice of entry, then the remaining trees and wreaths will be assigned on a first-come, first-served basis. The trees will surround the museum and line the section of Las Palmas between Plaza Circle and Highway 33 (lovingly called Christmas Tree Lane). The wreaths will be displayed on the fences of North and South parks along Highway 33. We ask that all lights used are LED. Don't forget the theme..."A Magical Christmas!"

Decorating begins on Thursday December 1st and MUST be completed by Friday December 2nd. The lighting ceremony will take place during the Christmas Festival on Saturday December 3rd just before the parade. If you request a tree, but are assigned a wreath, you will be refunded the balance by the 3rd. Thank you for your support!
