

**Singing Tree  
Wish List**

## Singing Tree Wish List

I always welcome donations at Singing Tree. If you have some quality toys, art supplies, books, interesting and clean recyclables lying around collecting dust, please consider donating them to our learning space for creative expression! Please only gift from a heart-space of abundance or to re-purpose and up-cycle items. Here are some things I am always on the lookout for (but do not let this limit your imagination)...

- Children's books in good shape- Picture books (both non-fiction and fiction), baby board books, or Parenting books for our Singing Tree sharing library
- Quality Toys/Building Blocks that are ready to be passed on (preference for toys made from wood and other natural materials). I try to limit plastic toys in our space unless they are particularly interesting.
- Interesting "loose parts" such as glass gems, marbles, crystals, natural smooth stones, driftwood, seashells, pinecones from your yard, acorn caps, dice, dominoes, stones/pebbles, pipes/tubes, mini ceramic tiles, wood turnings, etc!
- Dried herbs (or cuttings that can be hung and dried) from your garden- we use these in fairy potion making, and to mix in homemade play dough. Child-friendly herbs only please (ex. Lavender).
- Child-Friendly potted plants, flower bulbs etc. for our garden from your garden.

- Coats/Hats/Gloves: If your child out-grows their coat, warm hats, mittens etc., please consider donating their old one to Singing Tree. I try to keep extras on hand for a child who may have forgot their own that day.
- Fun Dress-Up Items such as silk scarves and play silks
- Maker-supplies, such as:
  - All kinds of paper (watercolor paper, writing paper, art paper, handmade paper, scrapbooking paper, paint paper, origami paper, etc.)
  - Wool fiber and felt (scraps too)
  - Beeswax, and beeswax crayons
  - Sharpies (black and colors)
  - Child-safe Glue (liquid glue and/or glue sticks)
  - Tape- all kinds! (Scotch tape, masking tape, washi tape, etc.)
  - Pom-poms, Popsicle sticks, sequins, feathers, baubles etc.
  - Natural Clay
  - Wooden or natural Beads
  - Chenille stems (pipe cleaners)
  - Craft wire
  - "Tinker" Supplies: interesting and clean recyclables, wood scraps, non-sharp nuts/bolts, cardboard, yarn, string, straws, rubber bands, paperclips, interesting found objects etc!
