How old will your child be at the beginning of the program year (in early September)?

Or, is this a future interest? If a future interest, what program year would your child potentially begin?

If considering enrolling in the upcoming year, how many days is your family considering (2 days or 4 days per week)?

If considering 2 day enrollment options, they are either Tuesdays/Thursdays or Wednesdays/Fridays. Are there any enrollment options that will NOT work for your family? Or, is your family flexible with any enrollment options available that have space? Please let me know your family's preference of enrollment option as well. I do my best to accommodate preferences and requests (I cannot guarantee your preference however), while also keeping my groups balanced overall.

Please tell me what attracts your family to my Program? Why do you think Singing Tree may be a good fit for your child? What are your hopes for your child in this program?
