Twin Circle Farm - Your local farm!

We raise the best food using the healthiest and most sustainable methods we can. We avoid anything that each individual animal doesn't need as guided by their health and our veterinarian's recommendation.

- Our pastured animals get NO broad herd antibiotics, No growth hormones, with as much room as we can give them.
- Our Berkshire pigs free roam the pastures just like our cattle and chickens... all helping to naturally fertilize and mangle our soil while working together to reduce flies and other pests.
- Our homegrown products are hand planted and carefully harvested using no pesticides or herbicides.
- We offer Amish products from here in Southern Illinois to help you find local products to supplement your pantry.
