## Who We Are

## Business Point of Contact

Nuseeka Business Partners, LLC, is a 100% veteran-owned business with certifications in Project Management (PMP) and Six Sigma. Our consultants have over 30 years of diverse private sector and government agencies support experience. Our expertise is rooted in Data-Driven Process Improvement Methodologies, providing clients with insightful solutions and SMART recommendations. Our team approach involves thoroughly identifying and then defining a project problem statement, developing meticulous project plans with transparent timelines, deliverables, and checkpoints. By offering a comprehensive and deliberate path for client success, Nuseeka ensures its clients a seamless journey from project initiation to successful completion.
