1. I am —, ~~B~~ I may be "suicided" + "silenced"
therefore, I want to pass on this critical ORIGINAL
evidence that "connects-the-dots" between
perpetrators, conspirators + entities, that

other forensic

I am sure the President, the Hon

I assume that some key perps, like, SRB + Carlos
Slom are already under investigation, ~~but~~
Based on OANON'S clue - "What is in a name - VIRGIN"
& the many citizen investor

"VMLA" is a FALSE company used
for Illicit activities, Fraud(s)
against the U.S. government
(Qui-Tam type), Money-laundering
of criminal/covert proceeds, possibly
from Global Child Sex-trafficking
and Drug-Trafficking, in
Colombia and Mexico, where
"VMLA" an MVNO = Mobile
Virtual Network Operator, obtained
it's first (2) MVNO licenses.
The Money-laundering "Scheme"
uses illegal, unreported offshore
shell companies, corporate inversion
and Corruption of US entities; persons,
to conceal Virgin's true covert,
criminal activities and to
hide beneficial ownership and to
protect the criminal network,
perpetrators, co-conspirators,
"agents", partners, investors, etc

Cover-up and Obstruction of
Justice - Corruption.

- In 2010 (40) and 2011 (10)
Peter Macnee was flying

~ Carlos Slim is a Suspected Drug Trafficking "Kingpin" in Mexico, along with his Telecom empire, similar to (Sir) Richard Branson.

Rand Corp is a KNOWN CIA/Deep State Front Company, along with the NYT, CIA Operation "Mockingbird"

- Facts/Background -

1. "Virgin Mobile" is an MVNO - which is only a RE-SELLER of Airtime and they do NOT Invest in Infrastructure and employ in-country personell - which is the O.P.I.C. /USAID MANDATE to receive US loans and guarantees - So this is the first Indicator of FRAUD

Virgin Mobile has to obtain a license to operate, then ship in to the country "Virgin" branded cell phones and then they

simply PASS ON - most of the charge/minute to the End-User aka the CUSTOMER. There is little to NO in-country investment in Colombia or Mexico or where Friends Group operates - All in Countries that are HIGH RISK for Corruption, Money-laundering, Narco-Terrorism and Terror Funding.

2. Virgin Mobile (LATAM) has only 1.9% share of Mexican Market

They are Re-selling AIRTIME from Telefonica (Spain) also a CF Donor Company

- So Why is Peter Macnee meeting with Carlos Slim and staying in 5-star hotels + bragging to me that he is meeting w/the

"Richest Man in the World" - while he is ABUSING ME, Domestic Violence; Physical, Sexual, Psychological and Financial - Denying me access to Marital funds + bank accounts @ Chase Bank, Falsely Impoverishing us while preparing to DIVORCE me, and my attorneys claiming his "companies" are all bankrupt and he has NO MONEY?

Why isn't the VIRGIN Credit Suisse Account on the Case Information Statement @ Tribe Mobile BVI Inc?

- SRB + Virgin Group (etal) ^① is a Deep State 'cutout' / front organization that has committed crimes which are prosecutable under Pres. Trump's EO and other U.S and International laws. See list of probable crimes ^②

① aka Liberty Media, UK

Virgin Executives listed below are really Deep State Foreign / Covert NOC's - who have been working with / for the 5Eyes, British Intelligence, CIA, Pakistan ISI, the KGB and Mossad, at other companies (prior to 'Virgin') since 1988, or before. As NOC's they have placed in primarily telecom and internet-related companies to carry out Espionage and criminal activities ~~against the U.S.~~, which resulted in the Assassination(s) of 2 U.S. Consulate (NSA + CIA) Employees in Karachi, Pakistan in 1995, followed by a Benghazi-like cover-up, to protect then President Bill Clinton.

They and their co-conspirators have been financially rewarded for these acts, and ~~there~~ they are found at Mossack Fonseca, Panama Papers, along with the Virgin Group. Mossack Fonseca is a Deep State / CIA law firm which hides the ill-gotten gains of criminals.
